CHURCH CONCERT A concert by the Blind Boone Concert Company, of Columbia, Mo., will be given at eight o'clock to-night in the First Baptist Church. From present indications the church will be crowded to its capacity.

A. E. F. Officers Were Penalized by Baker

Fenalized by Daker Washington, Dec. 30. — Army offi-cers who served with the A. E. F. in France feel that the course pur-sued by Secretary of War Baker and General Peyton C. March, chief of staff of the army, in dealing with demotions has penalized overseas service at the expense of service at home and has had not only that ef-fect, but will result in placing offi-cers who served overseas behind of-ficers who served at home with the same rank in chances of promotion. Such has been the record thus far in handling the problem that many are asking whether Secretary Baker and General March, after trying sev-eral methods and doing former A. E. F. officers the maximum of harm, have not now thrown up their hands and put the whole question up to Congress. There have been repeat-ed changes in policy, but their upshot has been that the case of many A. E. F. officers was so serious that General Pershing has had to take up the cudgel for them.

NEW YEARS AT P. O. On New Year's Day, the Main Post office and Hill Station will be closed from 10 a. m. to 12 p. m. One general delivery and collection of mail will be made by the city carriers over their districts. There will be the usual night collections, but no rural service on this day.

This End of the Year Clearing of Coats is just as noteworthy as any we have had this year and the values are just as exceptional.

Presented are high-grade garments, fashionably styled of durable, good-looking, all-wool fabrics, handsomely lined and in many cases beautifully finished with fur collars. Complete sizes for misses and women.
