DELA Farmers & Fruiterers' Club has been formed in Harris Tp., Centre Co., A. M. which met on Friday evening, and discussed the subjects of grub worms in Fruit trees and top manuring. A similar club should be formed in Lewisburg, in Milton, in Mifflinburg, in Hartleton, in New Berlin, in Middleburg, in Freeburg, in Selinsgrove, in Sunbury, in Northumberland, &c. &c. Those interested in these great pursuits could spend one evening in a week in comparing views upon some subject previously propounded, to great advantage. They need not be expensive, and every member could pre-arrange his business so as to attend.

S., which is to be made hereafter by open advertisements and contracts as other purchases are made. Investigations of this nature are good for School Teachers lately held in Philad, the omething.
