**Lewisburg, Pa.**

AY MORNING, MAY 27, 1859.

ADVERTIZE!—Manufacturers, Merchants, Mechanics, Public Officers in City and Country, Publishers—who wish to buy or sell—would do well to employ the columns of the *Lewisburg Chronicle*, which has a large reading circulation in a community containing a proportion of active, solvent, productive consumers [illegible], as any in the State.

## See New Advertisements.

We have recently received several orders—some for the "Star" and some for the "Chronicle," without cash. Supposing that some of those thus sending may not know our mode of doing business, we repeat that all subscriptions **must be sent in advance**—for a single paper, 1 for $1.50, 10 for $15, [illegible]. [We regret to have to repeat these facts so often—but some forget and some don't [illegible].]

HOTEL.—The Club of Star & Chronicle for [illegible] this week. Those who desire to continue [illegible] will please leave their names and cash [illegible] before Wednesday next, when he will bring it.

**W. H. Witmor.**—We rarely advertised physicians at a distance, but this individual had references in Lancaster that induced us to suppose he might be worthy of the use of our columns. Some weeks since, however, the most respectable papers of Lancaster denounced him as a quack, holding forth there under two names, &c. As we see no public denial of the charges, and never intending to allow our paper to be used for any doubtful characters, we have omitted his cards, and give all our readers this timely notice.

**Grain in Lewisburg.**—Messrs. J. & J. WALLS have furnished us with the following summary of the Grain bought by them last week. (six days:)

| | | |
|---|---|---|
| Wheat | 6,400 | bushels. |
| Corn | 10,000 | do |
| Rye | 5,600 | do |
| Oats | 5,600 | do |
| | 27,600 | do |

The amount bought or stored by other dealers, in town and county, or sent off by boats, we have not collected, but is very large—considering the "hard times" and "scarcity of Grain." It is evident that our Buffaloe and Penns Valley Farmers have not *all* been "starving."

The money brought into circulation among farmers by the emptying of their granaries, should make an improvement in business, and cause the payment of thousands of debts long delayed, (and "taking" a few more clubs of the *Star & Chronicle*.) There has been grain—there is money—and the prospect thus far never was better for fine crops ahead. "Thank the Lord and keep to work."

—And still the Grain comes!

☞ On our first page will be found a statement of the mortality of Lewisburg, last year—10 to every 1000 of the population. To compare this with the general average of health in the most civilized countries, we copy the following statement from a late Philad. *Ledger*:

"The mortality of some of the large cities is thus given:

| | |
|---|---|
| Philada. and London, about | 22 in 1000 |
| Berlin is | 25 in 1000 |
| Turin is | 26 in 1000 |
| Paris is | 28 in 1000 |
| Genoa is | 31 in 1000 |
| Lyons is | 33 in 1000 |
| Hamburg is | 36 in 1000 |
| New York is | 38 in 1000 |

And this too, while the people in the United States are probably the healthiest in the world, as will appear by the following:

In England, France and Denmark, deaths are about 23 in 1000; in Holland and Sweden, 24 in 1000; in Prussia, 28 in 1000; in Austria, 31 in 1000; in Russia, 36 in 1000; in United States, only 15 in 1000.

☞ The following singular case, which was tried before the Juniata county court, shows that there are some trials and dangers in the office of County Commissioner, as well as honors. They should be held to a strict accountability, as well as other Officers. Without knowing anything about the particular circumstances, we should suppose the Defts. would have a right to appeal.

*County Commissioners, vs. D. W. Flickinger and James Anderson.*—This was an action instituted by the County Commissioners against the above defendants, ex-members of that Board, in relation to a bridge near Bealetown, Tuscarora Valley, erected by these gentlemen during their term of office, and which, the present Commissioners alleged, cost too much by some $600 or $700. It was argued before the Court. From the testimony, the bill was not high enough for the Bridge, and his Honor, Judge Graham, thought it ought to be allowed. However, he was overruled by his Associates, who decided against the defendants, thus compelling them to pay some six or seven hundred dollars, which the country was in justice and honor bound to pay.—*Sentinel.*

GODEY'S LADY'S BOOK *for June* closes another Volume of this long-established work.

THE ATLANTIC MONTHLY also closes a volume with the half year.

☞ Both the above leading Magazines we club with the *Star & Chronicle* at $3.50 per year. Now is a suitable time to subscribe.

"*Our Musical Friend.*"—We have received No. 25 of this work. It is devoted exclusively to the publication of music in sheet form, in a convenient size for the piano desk. C. B. Seymour & Co., 107 Nassau st., N. Y. 10 cts. a week, or $5 a year. 16 pp. in each No.

"*Musical Pioneer.*"—A monthly publication, devoted to music, musical intelligence, &c. Published by F. J. Huntington, 7 Beekman st., New York. 50 cts. a year. An excellent periodical, and should be well supported.

The "*Great Republic Monthly*," for June has been received. This is a large, handsome magazine, nicely illustrated, and filled with very pleasant reading. Published by Oaksmith & Co., 112 and 114 William st., N. Y. Price $3 a year. Vol. 2 commences with the July No.

☞ Mr. HICKOK has sent us a copy of the *Weekly Victoria Gazette*, a small five column folio issued on Vancouver's Island (Western coast of British North America,) dated March 26, 1859. This paper claims that the extent of the "gold belt" (including Frazer's River) in British Columbia, is double that of California, and greater than any other in the world. The people there—as well as at Pike's Peak—seem determined to leave no means untried to induce emigration.

☞ *The Republic*, a sound Republican paper at Washington City, is afforded to clubs of 10 at $1 each. We should be glad if a few clubs could be raised for it in this region.

☞ The request addressed to Mr. Sands in another column, we are assured, is without his knowledge, but a speedy reply is desired.

**Sunday Schools.** It is to be hoped the friends of every Sabbath School in the county, and of every neighborhood where there should be a Sabbath School, will prepare to send in more or less delegates to the proposed Convention on the 7th of June next. It is called with the hope of doing *something* for the good of the youth, and, through them, of our country.

—We are advised to call a meeting of the Superintendents, Pastors and others interested, in our Borough, at the Baptist house of worship, this (Friday) evening, at 7½ o'clock, to make the necessary arrangements for the meeting. A prompt attendance is urgently solicited.

☞ On Saturday last, the Lewisburg Brass Band took the tour of the Borough, in a vehicle drawn by four horses, "discoursing music" and 'cavaleaded' by about a thousand boys afoot!

HOLLOWAY'S PILLS.—Sick headache, one of the most common of all ailments, is removed by a single dose of gentle aperient. It does not act upon the seat of the pain, but upon the disordered stomach, the obstructed bowels, the distempered liver, by the irregular action of which organs the torture is occasioned. As a remedy for offensive breath the pills are most confidently recommended. They purify the whole internal organization and impart to every function a degree of vigor which insures the regular discharge of all refuse matter through the natural and legitimate channels.

Dyspepsia is a hydra-headed disease, and only in the Oxygenated Bitters does it find a "foeman worthy of its steel." This remedy at once expels the disease from the system, and restores the digestive organs to a state of health and comfort.

### THE TRIUMPH COMPLETE.

*Another perfect cure of Epilepsy by Dr. Hance's Epileptic Pills.*

DURANTS NECK, PERQUIMANS Co., Oct. 1, 1855.

Dr. HANCE—Dear Sir—Having been afflicted with falling fits for some years past, I determined to give your Pills a trial, (advertisement of which I saw in some of the papers,) and continued to use them for some months [illegible]. I take them to be a first rate article; and since I have used them, I have not had one attack, and am now in the enjoyment of good health. I am, very respectfully, yours, &c.

JONATHAN J. JACOBS.

P. S. The Pills were recommended to me by Mr. Nathan Newby, of this county, to whose address you sent them.

Those Pills besides curing Epilepsy, are a specific for all modifications of nervous disease. Price $3 per box; two boxes for $5; twelve boxes for $24. Persons enclosing a remittance will have the Pills sent them through the mail, on its receipt. For sale by SETH S. ### PATENT CHAMPION SAFE.

*LATE FIRE AT DUBUQUE, IOWA.*

DUBUQUE, Jan. 7, 1859.

*Gents:* I am requested by Mr. T. A. C[illegible], of this place, to say to you that on the morning of the 4th inst., about 5 o'clock, his store took fire, and the entire stock of goods was destroyed. The heat became so intense [illegible] that none of the goods could possibly be saved; but fortunately his books and papers, which were in one of your Champion Safes, were all preserved carefully. And well they may be called Champion, for during the whole conflagration there was one incessant pouring of flame directly upon the safe which contained them. And still, upon opening it, the inside was found to be scarcely warm, while the outside was most severely scorched.

Yours truly, N. A. McLURE.

Herring's Patent Champion Fire and Burglar-Proof Safes, with HALL'S PATENT POWDER PROOF LOCKS, afford the greatest security of any safe in the world. Also Side-board and Parlor safes, of elegant workmanship and finish, for plate, &c.

FARREL, HERRING & CO., have removed from 34 Walnut St., to their new store, No. 629 Chestnut St., (JAYNE'S HALL,) where the largest assortment of safes in the world can be found.

### THE OXYGENATED BITTERS.

For the cure of DYSPEPSIA or INDIGESTION, *Liver Complaint, Asthma, Costiveness, Loss of Appetite, Fever and Ague, Heart Burn, Water Brash, Acidity, Sea Sickness, Scurvy, Nausea, Headache, Ennui, and General Debility*, or any disease having its origin in *imperfect digestion*.

These *Bitters*, as all classes of our fellow citizens, including Members of Congress, Lawyers, Physicians, Clergymen, Planters, Farmers, and others testify, are the only *safe*, certain and *sovereign* SPECIFIC for the immediate relief and permanent cure of the many cruel complaints which in some phase or other of *Dyspepsia* afflict our race.

These *Bitters* were discovered by GEORGE B. GREEN, and in their formula differ entirely from that of any other preparation of medicine. Containing no alcohol—no mineral—no poison—no noxious drug—in their nature tonic, not stimulating,—retaining their virtues in any clime, they are "a combination and a form indeed" of Medicine which knows no rival in exterminating disease and restoring the system to its pristine vigor and health. No matter of how long standing, or however induced or chronic in its character the disease may be,—no matter that it has baffled the skill of the physician, and resisted the efforts of Medicine, a single trial of these Bitters will satisfy the sufferer that his disease is amenable to the proper remedy.

In testimony of the many cures effected by this Remedy reference is had to the written certificates from distinguished individuals known all over the land.

[An Obdurate and Inveterate Case of Dyspepsia Cured by the Bitters.]

The following from a gentleman well known in the region in which he lives ought to satisfy all those of little faith:

WATERTOWN, N. Y., July 28, 1858.

S. W. FOWLE & Co., Boston,—*Sirs*:—Nine years since I was attacked by that curse of all Diseases, *Dyspepsia*, which so affected me as to cause great oppression, fulness, and bloating of the bowels immediately after eating, accompanied with terrible pains in the stomach, often occasioning nausea, vomiting, debility, and headache, together with general debility and suffering, altogether rendering life a burthen.

After having tried every known remedy without effect, and despairing of ever regaining my lost health, I was induced to make use of the Oxygenated Bitters, the good effects of which were immediately visible on my health and system. Before using a whole bottle I was entirely cured; and I feel a pleasure in inducing all like sufferers as myself to make use of this remarkable remedy.
