Manufactured at the Lewisburg Foundry & Agricultural Works.

A Horse Power Machine adapted to cutting all kinds and conditions of Grass and Grain is what the Farmer wants upon ground adapted to any practical labor-saving machine of the kind. The LEWISBURG REAPER AND MOWER is warranted to

the kind. The LEWISBURG REAPER AND MOWER is warranted to cut Standing or Lodged Grass and Grain, wet or dry, requiring no Raker in Mowing. For cutting Grain, it is used for a rear or side delivery of sheaf as may be desired.

It combines in its operation all the advantages of a long experience and the very latest improvements. No other form of Reaper and Mower combined, yet introduced, has shown the same lightness of power and ease of draught.

We respectfully solicit a TRIAL, upon the above stated facts, and if we fail to give entire satisfaction we will consider it no sale. In short, we warrant our combined Reaper and Mower to be all we say it is.

and Mower to be all we say it is. Upon the policy of getting more merit for less money, greater advantages at home than abroad, who will buy elsewhere, before trying a plan by which money, time and trouble will be saved!
