CHUTTETTATE. Dr. Hollowbelly-Dear Sir: 1 kicked the bucket last night, but while the undertaker was placing me in the coffin, a vial of your Essential Oil burst in his pocket, and streamed down into my face -I opened my eyes, sneezed, and then arose. The shroud baving received a pertion of oil, instantly took root in the floor and expanded into beautiful cotton ; stalks, each fieled with bursting pods; the coffin rese on end, spronted forth shoots, and grew into a magnificent mahegany tree, which burst off the roof of my house and wafted into the evening breeze its luxuriant branches, smid which the monkeys chattered and the parrots fluttered their fanning wings.
