Packer has no such as no one within our knowledge has served less than three years, unless a change of parties intervened. The following, as from the Governor of Ohio, and the U.S. Treasurers, elected under the Constitution, tlemen : but it is probably true that Gov. since 1790 :

So it seems that in every case-except shall spread no further. when a change of parties occurred-the State Treasurer has sorved at least three years in succession. There is a chance to make a change every year, if the public interests demanded it : but if an incumbent does well, he is continued. The three years' term applies to all the Departments at Harrisburg-to the Governor, Attorney General, Surveyor General, Auditor General, Adjutant General, School audacions pastine of making a Wae man Superintendent, and to all those appointed mad. A most ridiculous letter has been pubby them : and why not, also, to the head Wise's sanction, assuring him of a secret soof the Treasury Department? Unless ciety of Abolitionists, sworn in, armed with some cause can be shown, "the usage of revolvers, who are about to drop in, one by rotation" can not oust Col. Slifer, who is erate Brown. The letter is all a hoax, from his duties with an ability and integrity inlage were like Lord Byron, the other mora-ing, astonished on waking up to find themunsurpassed, and who is the only one, once selves so famous. There is no "Capiain voted out by a change of parties, who has as for "Limber Jim," he too is altogether a been complimented by a re-election.
