Disgraceful and Revolutionary !

Again-on the very FIRST day of the session of Congress-and in norm branches-the Slavery question has been forced into debate !

In the House, where the Opposition have a clear majority, the Administration have conspired to prevent an organization, boldly declaring that president-Ed Mearoe, a white-headed they are under no rules and that they | Canadian-is a "gentleman from Africa !" will talk as long as they choose ! Hiving nominated a Virginia Pro-Slav- Thirty-Sizth Congress ... 1st Session. ery Democratic Disunionist for Speaker, they determine he-although the minority candidate-shall be elected, or no one shall. The true language of all their threats, their fillioustering and frivolous motions is, that the majority shall not rule. They hope by roll-call. agitation and delay to thwart the pochair in the people's branch of the National Legislature !

We hope all true opponents of this corrupt, unscrupulous, and frenzied Administration will stand firm against this attempt to intimidate or defraud them. If they continue to force Shvery issues upon you, meet them at the proper time and place. In the less disorganizers at last.
