Lewisburg, Pa.

FRIDAY MORNING, FEB. 3, 1860.

ADVERTISE!—Manufacturers, Merchants, Mechanics Public Officers in City and Country, Publishers—all who wish to buy or sell—would do well to employ the columns of the *Lewisburg Chronicle*, which has a large and increasing circulation in a community containing a large proportion of active, solvent producers, consumers and dealers, as any in the State.

☞ **See New Advertisements.**

☞NEXT WEEK is appointed for *Court in Union County*—a convenient time to send in subscriptions for the STAR & CHRONICLE. Until the end of Feb. Court, additions to Clubs may still be made, at $1 each. After that, $1.50 for all single subscriptions. Now is the time—Congress is organized, business will go on, and the coming year every man in the county will want its best newspaper!

☞By the night mails via Cattawissa and Milton to Williamsport, and the morning mails from Williamsport down, half a days earlier news is had in Lewisburg from Philadelphia and New York.

☞The protracted meeting of the Lewisburg Lutheran church closed on Monday evening last. There have been 66 additions to their church during their revival, embracing persons from 14 to 70 years of age.

☞Attention is requested to the advertisement of Mr. E. Anthony of New York, whose Instantaneous Stereoscopic Views and Stereoscopic Instruments are said to be unequalled. Mr. A. has brought the art to such perfection, that views can be taken in a fraction of a second of time.

☞A bill has passed both branches of the Nebraska Legislature, and is approved by Gov. Black, appointing a Convention to frame a State Constitution. We should not wonder to see the Democracy trying to bring in Nebraska—with not half the population of Kansas—before, or perhaps at the same time, as Kansas!

☞The Lectures on Agriculture, commencing to-day at New Haven, Ct., cover the week-days from 1st to 25th, and include sixty-six lectures from twenty-nine gentlemen. It will doubtless be a rich treat for those who can attend, and the results in book form we anticipate for the benefit of those who are absent.

☞The Union Seminary, New Berlin, re-commenced its Course of Lectures, Tuesday evening of this week. Notwithstanding the snow and cold of the evening, their Chapel was two-thirds full of students and others to listen to a discourse on History.....The revival continues in the Evangelical church.....A Sab. School Concert will be held, 4th inst. in the Presbyterian house—admission, 10 cents.

☞The Evangelical Association (sometimes called "Albright Methodists") now number 40,000 members, according to their *Messenger* of the 26th ult. The paper also contains a notice of the late John Seybert, for twenty years an estimable Bishop of the church, who died last month. He was born in Lancaster county, in 1791. His first ministry was on the Union circuit, where he had many friends. He never married—died on the field of toil—and left $5,000 to two Societies of the Association, and various bequests to other parties. When he united with the denomination, it numbered but 426 members, served by 5 itinerant preachers.

☞We are informed that the Beaver Furnace, near Middleburg in Snyder county, is about to suspend operations for a general settlement.

Mrs. Hannah Jordan's town property was struck off to Mr. John Walls at $1800.

SHARP PRACTICE.—Pending the discussion of a bill granting a divorce in the Nebraska Legislature, one of the members related an instance of sharp practice of a couple resident in that Territory. They applied to the Legislature and obtained a divorce, and immediately the man and wife pre-empted one hundred and sixty acres of lands apiece, and having proved their title thereto, were married the next day, after securing one hundred and sixty acres of land by the operation.

CLEVELAND, Ohio, Jan. 28.—The steamer A. D. Tyler, with a cargo of 500 tons, from Cincinnati, bound to New Orleans, sunk yesterday, in thirteen feet of water, near Cincinnati. The vessel was valued at $25,000 and insured for $15,000. The loss on the cargo was heavy.

BALTIMORE, Jan. 28.—The State Senate to-day passed all of the Baltimore police bills. Their passage in the House will doubtless be consummated early next week.

HARD CASE.—The free negroes recently expelled from Arkansas, have published an appeal to the Christian world to protect them. They say Indiana shuts her doors upon them. Illinois denies prairie homes to them. Oregon will not receive them, and Minnesota is debating whether or not she shall admit them. They complain of being forced into a cold climate suddenly from a warm one, and present a sad picture of the distress that they suffer.

CHARLESTON, Jan. 29.—Francis Mitchell, the porter of the steamship Warrior, was yesterday sentenced to be hung on the 2d of March, for assisting a slave in an attempt to leave the State on board the steamer.

A bill has been introduced into the Texas Legislature to imprison all Northern preachers, teachers and "drummers" found in the State. Gov. Houston's Message dissents completely from the sentiments expressed in the resolutions of the South Carolina Legislature.

VALUABLE DEPOSITS.—The new Treasurer of the State of Minnesota, in taking possession of that department, found therein two three-cent pieces, and $1,014 in bills of broken and worthless banks, left by his Democratic predecessor.

ALBANY, JAN. 27.—Gov. Morgan has sent a communication to the State Legislature, suggesting an invitation to the State Legislatures of Kentucky and Tennessee, (then visiting the Capital of Ohio) to visit Albany. A resolution in accordance with this suggestion passed both Houses, and the invitation will be transmitted to the Legislatures of Kentucky and Tennessee forthwith.

ALBANY, N. Y. Jan. 31.—Joshua R. Giddings passed through here to night *en route* for Washington, to testify before the Harper's Ferry Committee.

ALBANY, Jan. 31.—The Republican State Convention will meet at Syracuse on the 19th of April, to choose Delegates to the National Convention.

It is stated that Father Chiniquy and about two-thirds of his congregation have associated with the O. S. Presbyterians and the remaining third with the Baptists.

Rev. Dr. Nelson, of the First Presbyterian Church, St. Louis, Mo., preached on Thank-giving Day, an able and eloquent sermon in behalf of emancipation in that State. He also had the manliness to say a few words of generous humanity, in behalf of the slaves as being human beings, and having souls to be saved.

The Boston *Journal* states that it has the original affidavit made by the blood thirsty Mrs. Doyle in regard to the Pottawattomie murders, and that in it she does not even refer to Brown as in any manner connected with the affair!

In one of the counties of Georgia, as many as two hundred and seventy-five lashes upon the bare back have been administered to persons charged with entertaining opinions hostile to slavery.

POST OFFICE ROBBER SENTENCED.—Joseph Sweitzer, convicted of robbing the Post Office at Delaware city, Del., has been sentenced to three years' imprisonment, at hard labor.

By the explosion of a camphene lamp, in New York, last week, a house was fired. This is another warning that should deter everybody against using this dangerous stuff.

Dr. Livingstone writes from Africa that he "has discovered a real highland region, where the inhabitants cultivate cotton very extensively," and that every one spins and weaves it.

BOSTON, Jan. 18.—The birthday of Franklin was commemorated last evening by the Franklin Typographical Society. Mr. Everett's address opened with a beautiful and feeling allusion to the Lawrence disaster, and also to the death of Macaulay.

The New York *Tribune* (Greeley,) and New York *Independent* (Beecher,) are increasing their subscription lists by the thousand this month. This is no small indication of the swell of the popular wave against Slavery Extension.

Clark B. Cochrane, M. C. (a relative of Gerrit Smith) has been taken to the Asylum at Utica, and it is believed that prompt treatment has prevented his insanity.

The Opposition members of the Tennessee Legislature have nominated John Bell, as a Candidate for the Presidency.

Senator Mason appears in the Senate Chamber clothed in a gray suit of homespun cloths. The white and black mixture has been selected, we presume, as appropriate to the sectional principles of his party.

The N. Y. *Independent* says that three preachers sent out by the American Missionary Society, have been expelled from Jackson county, (Ky.,) with shaved heads and tarred faces. Their names are, Rev's. Geo. Gandee, Wm. Kendrick, and Robert Jones.

On the 8th Oct. last, the American ship Flora Temple, of Baltimore, was wrecked in the China Sea, and—horrible to relate!—850 Chinese and 18 Europeans were left (by the Captain and a few men in boat-,) and undoubtedly perished.

Rev. Dr. Robert J. Breckenridge has addressed a letter to his nephew, the Vice President, in which he says the slavery question can never divide this Union.

The Cincinnati *Enquicer* says that if Douglas is to be killed off for entertaining such views as he does, the entire Northern Democracy must, for entertaining the same views, be killed off too. Oh, well, we are not going to distress ourselves to death about that.—*Louisville Journal.*

Hon. Oliver C. Comstock, M. D., while serving as a Member of Congress in Washington City, about 1820, was converted, and united with the Baptist church, in which he was an able preacher and pastor until his death, last month, at the good old age of 76 years.

YANKEE CLOCKMAKERS.—The clock business, previously transacted by Chauncey Jerome & Co., is now done by the New Haven Clock Company. In 1857, the company began to make castings. Then it was thought wonderful that it turned out 75,000 clocks. In 1859, the company turned out 150,000 complete clocks, 176,000 finished movements.

VALUABLE PATENT.—Our townsmen Messrs Wm. Patton and Wm. Moyer, have obtained a patent for an 'Improved Air-tight Stopper, for Preserve Jars," which is the best thing of the kind ever yet invented. By the use of this article all difficulties heretofore experienced by the housewives in keeping fresh and sweet the various fruits, are obviated. It is a most valuable invention, and must, from its simplicity and intrinsic merit, come into general use. Mr. Moyer is the proprietor of the celebrated Stone Ware Manufactory of this place, whose wares have already acquired a wide reputation.—*Harrisburg Sentinel.*

On the 10th of January, Simon Beck, of Snydertown, Nittany Valley, was engaged in threshing for Daniel Pealer of the same place. Whilst thus engaged, the unfortunate man observed that the strap was slipping off the pulley and made an attempt to put it aright with his hand, which was caught and drawn around the pulley, fracturing and mutilating the fore arm in a most shocking manner, the bones being broken in such a manner as to pass through his garments.
