Lewisburg, Pa.

FRIDAY MORNING, FEB. 24, 1860.

ADVERTIZE!—Manufacturers, Merchants, Mechanics, Public Officers in City and Country, Politicians—all who wish to buy or sell—should do well in employing the columns of the *Lewisburg Chronicle*, which has a large and increasing circulation in a community containing a large proportion of active, recent producers, consumers and dealers, as any in the State.

☞ **See New Advertisements.**

Job Printing—Notice.

Any one desirous of having Job printing done at our Office this or the coming week, will especially oblige us by coming *as early as possible*, as our press will be almost continually occupied by the Daily during the session of Conference.

☞Our next week's issue will be on *Tuesday*, in order that we may commence the DAILY RECORD on *Wednesday*. Please send in Notices and Advertisements on or before *Monday*. ☜

☞Last Friday, some 200 Members of the Legislature and others visited the first Normal Institute in Pennsylvania, at Millersville, near Lancaster. The visitors generally were exceedingly gratified with their reception, and with the Institute. In particular, the teacher of Elocution, a young lady from Boston, is complimented most highly.

☞Friday of last week, John Walls & Co. of Lewisburg, took in and paid the money for 1800 bushels of grain, (exclusive of clover seed) brought in by 56 teams from Brush, Sugar, and Buffaloe Vallies, in Clinton, Centre and Union counties. *Good old times!*

☞Enough money came in at the end of our second week's Court, to enable Mr. Laird (Union County Treasurer) to pay off the Traverse Jury of that week with money instead of orders. Those of the first week, and the Grand Jury, would have been served the same way if the means had been furnished by the Collectors and tax-payers. Our County Officers hope to be able to pay Jurors in Cash hereafter, as heretofore. "Good old times" again.

SELF-RULING ENVELOPES.—Many persons desire to have their letter envelopes ruled, in order to write straight, and to place their directions in the proper place. There is a style of envelopes now for sale at the Post Office which gives distinct lines before the letter is put in, but the letter conceals the lines, and the end is gained without the betrayal of any lines to the eye.

☞The Fair held by the Ladies of the M. E. Church, in this place, last week, passed off with harmony and profit. We learn that the receipts amounted to some four hundred dollars, leaving a nett profit of about three hundred.

THE 22D IN LEWISBURG.—The 128th Anniversary of Washington's Birth Day was observed with some animation. We were visited by the Cameron Infantry, of Mifflinburg, commanded by Capt. G. H. Hassenplug, and accompanied by the Mifflinburg Brass Band and martial music. They were escorted into town by Capt. G W. Forrest and the Valiant Fire Company, of Lewisburg. The day was one of the most disagreeable of the season, yet the two companies paraded our streets with true patriotism, although their uniforms suffered a complete soaking. Held's Cornet Band also turned out in the afternoon.

ABOUT VAMOSED.—The snow which fell during the latter part of last week, (the heaviest of the season) is just about gone—at least the sleighing part is completely used up. The heavy rain of Wednesday liquified it, and sent it in torrents to the streams. A heavy flood is anticipated.

☞Yesterday was observed as a day of Prayer for institutions of learning throughout the United States.

COURT—(concluded.)—The case of Aurands vs. Schaffles, resulted in a verdict for Deft.

Musser & Reber vs Corporation of University, resulted in a special verdict for Piffs.

Crites vs. Shriner, verdict for Piff without defence.

Wm. Johnson was sentenced to two years and four months imprisonment in the Eastern Penitentiary, on three indictments of burglary and larceny.

An Argument court on Tuesday the 13th of March, and a special Court on Monday the 23d of April were appointed.

☞At the Annual Election last week of the Union County Agricultural Society, the following officers were chosen:

JACOB GUNDY, President; Levi Sterner, John Zellers, Michael Brown, Wm. T. Linn, A. G. Boop, D. B. Kurst, Isaac Eyer, Thos. Comly, Vice Presidents; R H. Laird, Treasurer; J. A. Mertz, Rec. Sec.; Thos. Howard, Cor. Sec.; Francis Wilson, Librarian; Sam'l L. Beck, Chemist; Daniel Rangler, Jr., Geologist.

☞The Harrisburg *Patriot* gives the religious prepossessions and occupations of the 33 State Senators, as follows:

O. S. Presbyterian, 10; N. S. Presbyterian, 2; Methodist 4; Lutheran, 4; Baptist, 3; Unitarian, 2; Universalist, 1; United Presbyterian, 1; Quaker, 1.

Attorneys, 17; farmers, 4; physicians, 2; merchants, 2; druggist, 1; iron master, 1; clerk, 1; dealer in real estate, 1; lumberman, 1; gentleman, 1; clergyman, 1; surveyor, 1.

☞The Editorial Convention which was held in Harrisburg, last week, is pronounced a complete failure, by those who attended it. About forty establishments were represented. It proved a very pleasant, sociable way of doing nothing at all, at their own expense.

Opposition State Convention.

This body was organized on Wednesday last. Ex-Gov. Pollock, President of the Convention. The result of their deliberations is briefly announced in the following telegraphic despatch, which was received just as we were going to press:

HARRISBURG, Feb. 23, 1860.

The Convention has gone for Gen. Cameron for President by a vote of 89 to 39—50 majority.

Curtin received the nomination for Governor on the second ballot.

☞From an official published List of his appointments, we regret to see that Mr. Snyder is not one of the assistants employed by Col. Forney, the Clerk of the House at Washington. He has retained *eight*, (principally Lecompton Democrats, but worthy and useful men.) Of his new appointees, there is *one* American, *ten* Anti-Lecompton Democrats, and *fifteen* Republicans. There are *five* from the Slave States and some whose residence is not stated. Thus it will be seen that Mr Forney has been quite "National" in his selections. Independent as he now stands of all existing parties, he has doubtless sought principally to get the best men to do the most service, and at the same time to reward his friends as far as the public interests will admit.

☞Attention is directed to the advertisement of Harvey Filley, Silver Plater, in another column.

☞Speaker Lawrence of Harrisburg, is reported convalescent, his physician thinks he will be able to resume his official post in the course of a few days.

WEST BRANCH CANAL COMPANY.—A meeting of the stockholders was held at Jersey Shore, when the following officers were elected for the ensuing year:

President—John A. Gamble.
Managers—Oliver Watson, A. C. Neves, L. A. Mackey, Jas. Gamble, Jas Duffey.
Secretary—F. T. Carpenter.

The Board of Managers met. The Collectors were all re-appointed, as follows:

Dunnsburg—Wm. A. Parker.
Williamsport—John Platt.
Northumberland—M. J. D. Withington.
Liverpool—J. A. Blattenberger.

The affairs of the Company are in a highly satisfactory condition. The correctness of the policy of separating the canals from the State, is thus demonstrated. Under private management, the public have been as well, if not better accommodated, and the owners have received a respectable profit; while, under State management the Canals were a burden on the tax-payers.

At a Borough election in Jersey Shore, last Friday, John B. Carothers, the Opposition candidate for Burgess, was elected by a majority of 75. Last year they elected a Locofoco Burgess by a small majority.

Judge Smelly is now in Charleston making arrangements for the meeting of the Democratic National Committee. The resident Committee in the city are already engaged in preparing for the Presidential campaign and sending out political documents. [We had not heard of any "Smelly" before, since "Captain Jim Smelly" was in Lewisburg drilling *that* five hundred men for the rescue of John Brown!

News Items from Other Counties.

FIRE.—On Tuesday last, about noon, the smoke-house of Mrs. Moore, on the lower part of Fawn street, was discovered to be on fire, and before a general alarm was given the fire was extinguished by the neighbors. Our fire companies, who are always prompt in case of fire, were soon on the ground, but fortunately their services were not required. Mrs. Moore, who is a poor widow woman, lost all her winter's meat, which she was smoking, and a lot of corn which was in the smoke-house at the time.—*Sunbury American.*

His little daughter, seven years old, was with him at the time, and endeavored to get him off the track in time, but could not. The man was instantly killed.

In regard to the Democratic State Convention, which is shortly to assemble at Reading (says the Harrisburg *State Sentinel*,) the questions have been narrowed down to these: Will the delegates coming from the people, make a nomination for the people? or will the authorities at Washington make a nomination for the delegates?

A box containing the leg and two feet of a human body were found in a ravine, near the railroad depot, at Scranton, Pa., on Wednesday evening. Upon examination, as we learn from the *Scranton Republican*, they proved to be the remains of a couple of amputated limbs, which had been thrown into the town Gulph by the physicians who had performed the operation.

The *Inquirer*, of a recent date, says: "The price asked for pigs is enormously high; some not larger than cats were sold a few days since for $2,50 per head. On last Thursday we purchased two quarts of pigs, for which we had to pay $5 per quart."

The Clarion Democrat states that Mr. P. Kerr, of St. Charles Furnace, has discovered a system for making iron from raw bituminous coal, which is spoken of highly by those acquainted with its merits. He states that the iron thus made is fully equal to the best charcoal manufactured iron, while it costs some six or eight dollars less.
