Lewisburg, Pa.

FRIDAY MORNING, APRIL 27, 1860

APPETITE.—Mountebanks, Mountains, Mushrooms, Public rejoices in [illegible] and Gospels. Pull Liberty all who wish to buy [illegible] which have a large columns of the [illegible] and [illegible] and [illegible] large proportion of [illegible] and dealers, would do [illegible].

☞ See New Advertisements.

Advertise.—An exchange says, now that the spring trade is at hand, *advertise*. Do not let your goods moulder on your shelves. Bring in the customers, and turn your nimble sixpences. Advertise in the papers—advertise by posters—advertise by circulars—advertise by cards. If you will prosper, *advertise*, liberally, and all the time.

☞ Our Merchants, &c., are not always first in the market, but right and sure when they do come. See Advt's.

☞ Messrs Kleckner's have sold their store in New Berlin, to Charles Cawley, who will continue the business.

☞ On Monday night or Tuesday morning last, the Auction Room of F. A. Donehower, in Lewisburg, was burglariously entered, and $100 of property stolen.

☞ A gentleman who made some purchases in Iowa with the design of removing there, being deterred from going, wishes to sell or exchange his investment there. (See Real Estate Advt's.)

☞ Mr. Eshbaugh, of the Lockport (N. Y.) Nursery, is delivering Fruit Trees in this region, assisted by the agent, J. Henry Brown. We are glad to see yearly, an increasing attention to this interest.

THE AMERICAN AGRICULTURIST.—We are indebted to Mr. Judd, the editor and proprietor of this valuable and excellent journal, published in New York, for a variety of seeds which he is distributing over the land.

☞ The owners of the Gas Stock in our Borough offer to part with the controlling power of it to any persons, citizens or otherwise, who wish to make an investment. We believe it will be in a short time, better than Bridge or Bank stock.

☞ At the meeting of the Northumberland Presbytery, in Muncy last week, the following were appointed Delegates to the O. S. General Assembly. Ministers—Dr. Yeomans of Danville, and Jos. Stevens of Jersey Shore. Elders—Robert H. Laird of Lewisburg, and —— Melick.

☞ The Harrisburg Telegraph recently complained bitterly that the New York Tribune admitted not commendations of Gen. Cameron for President. Certainly, there have been many, as we have noticed since the Telegraph drew attention to the matter—but how many who read the latter journal would have supposed there was more than one strong candidate? It has been the most narrow, "one-ideal" paper, we ever saw for a State organ, unless its "Sentinel" neighbor be excepted.

☞ The Philad. *Ledger* comes out pretty plainly for the Democratic ticket, claiming that they must elect it to please the South and preserve the integrity of the Union. It is not often that that Jesuitical paper takes such a decided stand, but its course indicates a most desperate effort to win Philada. at all hazards and any sacrifice of manhood or candor. The People's Party is also somewhat awaked, but if they calculate to win an easy victory are awfully mistaken.

☞ Last week, Rev. J. Q. A. ROTHER paid our place a farewell visit, preparatory to entering upon his contemplated mission to Japan. He is the first graduate of the University at Lewisburg who has undertaken the work of the Gospel Ministry among the distant heathen, and bears with him the best wishes of very many friends in this region. Should he have leisure, we anticipate that our readers may sometimes hear from him through our columns. On Sabbath, Mr. R. preached in the Baptist house, and also addressed the Society for Inquiry.

☞ There has been but a slim attendance, and very little interest, in the Union County Adjourned Court, now in session, thus far. We report—

Daniel Rengler Jr. vs. Chamberlin and Stout. Verdict for Deft., (Stout.) but judgment against J. D. Chamberlin.

Samuel H. Orwig vs. Henry W. Crotzer. Settled by the parties before going to trial.

Dr. S. L. Beck vs. Dietrick and Sheckler. After commencing trial, Plff. took nonsuit.

Scotts Presbyterian Church vs. John M'Call. Verdict for Plff., $100.

S. B Paulding vs. Samuel Showers et. al On trial, Thursday afternoon.

☞ Is'n't it provoking to receive a paper from a distance, in a strange handwriting, containing no marked article or anything else of special interest, *and can't tell who it is from, or what it means?* We get them frequently, and own that it is somewhat provocative of wonder mingled with indignation. A *marked* line, or word, or article, or initial, indicating the sender, of his or her design, would be lawful, would relieve much anxiety, and afford perhaps many pleasant thoughts it not more substantial benefit.

"L'EPOQUE—*Journal Politique et Litteraire*," is issued by E. Farrene, 175 Broadway, New York. It is a weekly French paper, Republican in its politics, issued at $2.50 per year. If any of our readers want a French newspaper, we advise them to take "*L'Epoque*"—and that we suppose is the reason why we received a No. of it.

It is stated that Wm. Preston, U. S. Minister to Spain, has concluded a Treaty, perfectly satisfactory to both Governments.

☞ We see it stated that Dr. Horlacher writes from Ohio that he was not "tarred and feathered" at Atlanta, but was "arrested on a charge of selling Helper's book in disguise, and discharged on trial." The Democratic Atlanta paper said, "The old Abolition reprobate was *stripped* of his borrowed plumage, TREATED TO A COAT OF BLACK," was "mouthed to Horace Greeley, Tribune Office, right side up with care," and "*thus paravelled*, he *left* for New York," &c. With *both* accounts before them, our readers will judge whether the Editor and Doctor do not together make out the case completely—one supplying the facts the other omitted. What his "coat of black" was, we do not know—he says it was not "tar." It seems certain that the Dr. did not finish up his contemplated visit to Florida and the Charleston Convention!

☞ We are informed that for the office of County School Superintendent, the following gentlemen are talked of—Mr. Heckendorn of New Berlin, the present officer; Mr. James Chamberlin of Lewisburg; and Messrs. J. M. C. Rauck and J. M'Alarney of Mifflinburg....The question has again been raised, whether the salary of the officer does not come out of the School Fund for each county as would appear from the 69th section of the act of 1854. This is not the case. There is a certain sum divided absolutely among all the School Districts, without regard to the Superintendent. There is another sum from which the Superintendents are paid. One fund does not infringe in the least upon the other. This is the construction and the practice of the State Superintendent, confirmed by the Legislature and sanctioned by the Auditor General and State Treasurers. (See School Journal for April.)

☞ The *Millenium* attempts to raise a cry of "little importance," "egregiousness," "stratagem," against the managers of the Literary Association of Lewisburg, for accepting 25 cents for the best position in the Hall, on the occasion of Mr. Greeley's Lecture, after advertising for 10 cents. We are assured that no one, who asked admission for 10 cents, was refused—so there was no fraud, no "flat burglary," in the case. But, by the request and advice of many, both citizens and strangers, they did submit and receive 25 cents for tickets for reserved seats, to ensure ample remuneration all around. Hereafter, to avoid all misconception or chance for cavil, let there be a distinct and full announcement of terms. We should prefer the smaller sum, uniformly—as dimes are much plentier than quarters—and believe in the long run it will pay better, please the speakers most, and confer the greatest benefits.

"They did not advertise Mr. Greeley as a "show," caricature him as an outlandish oddity, or send free tickets all over the country for the sake of getting up a crowd—suppressing the price of admission, then letting in many for nothing, while charging a quarter to those perhaps least able to pay it!

WASHINGTON, April 21.—Despatches to this city from friends of Douglas, at Charleston, regard the vote on the adoption of the rule proposed by the Committee on Organization, as giving promise of his nomination.

Prominent Republicans predict the nomination of Judge M'Lean at Chicago.

A friend of Mr. Guthrie telegraphs as follows from Charleston: "Douglas holds his own. Guthrie rising. Hunter at a stand. Breckenridge's prospects not improving."

I am informed that Gov. Wise said, today, that no prominent person named as a candidate at Charleston would be nominated, and whoever was nominated would be defeated.

Major David Lynch, of Pittsburg, Pa., died last night at the Infirmary, here.

LOUISVILLE, Ky., April 20.—The Memphis Enquirer, of the 17th inst., reports that the town of Lewisburg, Conway county, Arkansas, was entirely destroyed by fire several days since. No particulars are as yet received....The Lawrenceburg Bank of Tennessee has suspended. The cashier says it will be right again in a few days.

The proposition for a State Government in Nebraska, proves to have been voted down by 300 majority.

BALTIMORE, April 20.—The new police force appointed by the Police Commissioners, entered on their duty to-day, superceding the police appointed by the Mayor.

PROVIDENCE, R. I. April 20.—The schooner Alpaeker, from Port Ewen for this port, loaded with coal, foundered on Tuesday last off Thimble Island. All hands perished.

An additional $100,000 having been raised, it is said that the Great Eastern, under command of Mark F. Lay, will undertake a trip to America this season.

A very bad storm passed over Carlinsville in Illinois last week—destroying many houses, and doing much damage.

The revelations of political corruption made before Mr. Covode's Investigating Committee, are stirring up our Democratic friends awfully. Their cries are pitiful, and their scoldings comical.

The *Albany Journal* says of New York: "The Spring Elections throughout the State show that nothing but the "skin and bones" of the Democratic party are left. Through these, the March and April winds played requiums. Returns show heavy Republican gains.

Beverly L. Clarke, a U. S. Minister to Central America, is dead. His two predecessors also died in that sickly land.

The Baltimore "Clipper," the organ of the Cowboy or "Third Party" is trying to frown down the Republican State Convention called to meet in that city. It invokes the popular wrath.

Wm. Cost Johnson, one of the most talented Whig friends of Henry Clay, has died, in Maryland, a victim to intemperance.

On the first of May, the General Conference of the Methodist Episcopal church of the United States will hold its quadrennial session in the city of Buffaloe.

The "spiritual mediums" have been consulted as to the pugilistic fight in England. One said Heenan was whipped, and the other said Sayers was!

Whereas, In the providence of God it has pleased Him to remove from us by death, our brother and classmate S. LAWRIE WOLFE.—Therefore

Resolved, That in this sad dispensation, we feel that we have lost not only a faithful classmate, but an ardent and devoted Christian; and while we mourn the loss we have sustained, we bow with submission in his death the hand of Him who is "too wise to err, too good to be unkind."

Resolved, That in this token of regard, we tender our heartfelt sympathies to the bereaved family, and relations of the deceased, earnestly praying that the God who has thus afflicted them, may also sanctify this sad dispensation to their spiritual good, and enable them to feel that what is their loss is his gain.

Resolved, That by his decease we feel that he has been removed from the troubles and trials of this earth, to enter upon a more happy sphere of existence in the world beyond, and from his spirit we hear a voice bidding us to meet him in "the happy land."

Resolved, That a copy of these resolutions be presented to the family of the deceased, and also be printed in the Lewisburg papers and Union Christian.

SMALL FRUITS

HAVING for many years paid especial attention to the cultivation of small fruit, we are now prepared to furnish, in large or small quantities, these valuable varieties—

STRAWBERRIES,

over one hundred varieties, embracing nearly all the Native and Foreign kinds of any merit. The most universally popular of these is undoubtedly the

Wilson's Albany Seedling,

of which we have on hand the largest stock in cultivation, which we offer at 25 cents per dozen, $2 per 100, $5 per 1,000, and upwards.

It is unnecessary to say anything in praise of this fruit, as any one at all conversant with strawberry culture for the last two years, must have supplied themselves with plants of this favorite variety. Some cultivate, and the consequence is that they are unable to supply the demand, while those that have, are realizing from it a handsome profit. A writer in the Country Gentleman says it succeeds well on almost any soil, and that it can say it succeeds well on almost any soil, and that it has produced with him at the rate of 500 bushels to the acre.

Other varieties proportionately low, and great inducements offered to those wanting large quantities.

RASPBERRIES.

Brinckle's Orange, $2.50 per dozen, $7 per 100. Fastolff, Hyson's Large Purple Monthly, Knevett's Giant, Red and Yellow Antwerp, $1 per dozen, $3 per 100.

BLACKBERRIES.

New Rochelle, or Lawton:
$1 per dozen, $5 per 100, and $40 per 1,000.
Dorchester and Newman's Thornless:
$2 per 100 and $25 per 1,000.

Wholesale purchasers and dealers allowed a liberal discount.

Plants by Mail.

For $1 we will send to any Post Office in the country except Oregon and California, post paid, and carefully put up in cotton and oiled silk so as to carry safely, 40 Wilson's Albany Seedling Strawberry Plants; or the same number of plants of any other variety in our catalogue. Dozen at 25 cents per dozen. Those at 50 cents per dozen half the number. For $5 we will also send our New Hyperbolic Black Cherry Plants.

Printed instructions for cultivation will accompany plants.

Catalogues sent on application, enclosing a stamp.
