Lewisburg, Pa.

FRIDAY MORNING, MAY 11, 1860

ADVERTISE!—Manufacturers, Merchants, Mechanics Public Officers in City and Country, Publishers—all who wish to buy or sell—would do well to employ the columns of the *Lewisburg Chronicle*, which has a large and increasing circulation in a community containing a large proportion of active, solvent producers, consumers and dealers, as any in the state.

☞ **See New Advertisements.**

☞ New Goods, &c. &c., at the Post Office. Mr. Crozier has also been appointed Agent for Kay & Bro's, Philada., celebrated Law Publications.

☞ Maj. W. B. Shriner, it is stated, has been awarded the contract for carrying the mail between this place and Spruce Creek.

☞ A "power" of rain fell last night. The Boom at Williamsport was broken, and the Susquehanna Boom Co. offers 12 cts. each for logs caught at Lewisburg.

☞ The Lewisburg Bank declared a dividend of 5 per cent. for the last six months, the Bank of Danville 5, the Bank of Northumberland 4, Lock Haven 4, and Jersey Shore 3½.

☞ D. Houston Roush, late of New Berlin, has become proprietor of the *Cedar Democrat*, Tipton, Iowa—(a town where there are several other Pennsylvanians.) Stick, Dav. and flourish!

☞ A gentleman in Northumberland county last week, renewing his subscription to our paper, said he had taken the *Star* for FORTY YEARS. (Another "stopped" the *Chronicle* some years ago and quite seriously asked us if it was still printed!)

☞ Hon. Thomas E. Cochran, and Gen. Wm. H. Keim, on the 1st inst. entered upon their duties as Auditor and Surveyor General, at Harrisburg. We rejoice to see, that, in conferring their patronage, they remember their party friends, so far as the public interests will permit.

DELAWARE.—The Republican's State Convention, at Dover, the Capital, 1st inst., was the largest ever held there—Court adjourned for the Convention, and Tom Corwin made a speech four hours in length. John Wales, late U.S.Senator, is appointed one of the Chicago Delegates.

☞ What a contrast between the warm Republican welcomings to Chicago, with the "latch-strings all out"...and the cold, repulsive, Democratic warning—by exorbitant charges, mutterings against "camp followers," and threats of "extra police" and locks—to deter visitors from going to Charleston!

☞ If the wealth of blossoms—the pale apple, plum, cherry, and the pink peach—are any evidence of fruit the coming season, we have it in plenty. Some trees appeared almost hidden in the rich fruit-leaves, and after a wind the blossoms lay like snow-wreaths in the paths. There seems to be a better promise of fruit than usual in late years.

VIRGINIA.—The Republican State Convention was largely attended, by persons representing many different counties in the State. Senator Caldwell and E.M.Norton of Ohio county, J.C.Underwood of Clark, and W.A.Gill of Montgomery, are chosen delegates to Chicago. Messrs Underwood, Wilson of Ind., and Blair of St. Louis, made addresses, which were enthusiastically received. The next Convention was appointed to be held in Richmond.

☞ Some joker says the late fight at Charleston—like that in Fanborough—was a drawn battle. Both sides claim the belt—but, if they had bruised each other much longer, both would have been licked like dunder! In both cases, one party left the field nearly blind, while the other sports a broken nose and carries an arm in a sling...and their ugly "mugs," charges of cheating, and unpious comments, are nowise delicious to see or hear!

MOUNTAIN TROUT.—The legal time has come for enticing from the cool brooks the innocent trout. We were reminded of the fact, by the reception of a basket-full of this delicious water-fruit—that hot day, last Monday—from the forest home of John M'Call & Sons, of the York Mills, in Hartley township. Various persons assure us there are "more where those came from," and that it is a delightful retreat in sultry weather. From the hotel of Charles Stees, in the Narrows, it will be of much easier approach by the new-laid out road. At present, the M'Calls are somewhat like Selkirk on his Island—"from the center all round to the sea" of mountains, they "are lords of the fowl and the brute" and the fish, but welcome the good man who in search of a pure breathing-place at any time may happen within their isolated but not enclosed parish.

☞ WM. CAMERON Jr. is elected assistant cashier in the Lewisburg Bank.

Archibald Maclay, D. D., a native of Scotland, over half a century a Baptist preacher in New York city, died there last week, over 80 years of age. Also died in that city, George Griffin, Esq., the Nestor of the New York bar. Sam'l Beardsley also died in Utica—Judge Tho's Sergeant in Philadelphia—and Ex Gov. Littleton Waller Tazewell in Norfolk, Va.

In a special election for Alderman in the 1st Ward, Freeport, Thomas Coltman was elected by 39 majority! over Dr. Robert Vanvalzah—a Republican gain of 80, giving them the control of the City affairs.

The Methodist Episcopal Church Bishops in session at Buffalo report a total membership of over 900,000, being an increase of 175,000, within four years, in the Free and Border Slave States.

Charles Valle, who escaped from his master in Virginia, was arrested near Troy in New York, was twice released, and has reached Canada. It is said the Trojans have since paid his market value.

County School Superintendent.

At the *first* Convention of Directors of Old Union, held at the Court House in New Berlin, June, 1854, 88 Directors attended—nearly three fifths of the whole. Mr. Whitman was elected at a salary of $300. Upon his retiring, Mr. Heckendorn was appointed, and served out the term for both Union and Snyder counties.

The *second* Convention, in Lewisburg, 1857, was attended by only 36 out of 78 Directors—less than half, who elected Mr. Heckendorn for Union county alone, at a salary of $600.

The *third* Convention, at our Court House on Monday last, was attended by 68 out of the 78 Directors—only 10 absent The day was very warm, and the farmers exceedingly busy. Yet, for the thankless service of Popular Education, the following Directors were found patriotic enough to sacrifice time or money by personal attendance:

Buffalo—Wm Steans, Jno I. Gearhart, H'y Hauck, Thomas Cornelius, James Mathers.
East Buffalo—Jno G Brown, Saml Dunkle, Ja Brown, Elias Riehl, Da Schrack, G Kreisher.
West Buffalo—Ab Everhart, S L Shoemaker, T V Harbison, Isaac Kauffman, Wm Beachler.
Hartley—Ab Marsion, R V B Lincoln, Solo Miller, Michael Schnure, John Church.
Hartleton—Daniel Long, Philip Whitmer, S C Wilt.
Kelly—Thos Comly, Wm P Dougal, John Criswell, Wm Nagle, John Heisley.
Lewisburg—James Hayes, Wm Leiser, J M Linn, Wm Jones, T G Evans, S Piefferderfer
Limestone—Michl Miller, S S Barber, Frk Bolender, Elias Hey, John Sayers.
Mifflinburg—Geo Mader, R T Barber, J D Forrey, Jno Badger, Hy Lebkicher.
New Berlin—A Swineford, S.Hermany, J.M. Baum, J.S.Heinbach, J.Swinehart, E.Wilson.
Union—Jno Youngman, Da Gross, Mi Oldt, Sami Walter, Chr'n Burns, Jno Hummel.
White Deer—DS Ruthrauff, E Noll, AW Smith, S Kostenbader, G Dieffenderfer, A Messinger.

John Youngman, Esq., of Union Tp., was chosen President, and Dr. Wm. Leiser, and Wm. Jones, Esq., of Lewisburg, Secretaries.

A. Swineford, Esq. moved to proceed first to the election of the Officer, that the salary may be adapted to the man, and as first named in the call.....S. S. Barber advocated the fixing of the salary first, that the candidates might be aware of the compensation, and govern themselves accordingly.....The motion of Mr. Swineford prevailed.

Mr. Swineford re-nominated Mr. Heckendorn of New Berlin, and stated his tried and admitted qualifications—his long and valuable experience—and his endorsement by three successive County Institutes.

Mr. Linn nominated Mr. Chamberlin of Lewisburg, and adverted to his acceptable services as a teacher in Centre county—to his legal and collegiate education—to his abilities and energy of character—and presented a commendatory letter from President Loomis of the University, which was read.

Mr. Harbison nominated Esq Ranck of Mifflinburg...Mr. Forrey nominated Mr. M'Alarney, also of Mifflinburg, noticing his superior education, his long experience in teaching both under the old and new systems, and his merits as a citizen.

Proceeded to select, viva voce, when

David Heckendorn	received	39 votes
James Chamberlin	"	22 "
John M. C. Ranck	"	5 "
John M'Alarney	"	2 "

Mr HECKENDORN was therefore re-elected for three years ensuing.

Proceeded to establish the Superintendent's salary, when three sums were named. After remarks from Messrs. Swineford, S. S. Barber, Wilt, and others,

35	Directors voted for	$500	salary
30	" "	600	"
1	" "	400	"

The sum of $500 per year was therefore fixed as his salary for the term.

Mr. Heckendorn thanked the Directors for this renewed expression of their confidence. He would endeavor to discharge his whole duty to the County—yet, he assured them, this reduction of compensation would prevent him from attending State and National Institutes, and in that respect hinder his own progress, and so far circumscribe his usefulness. He urged them, however, to remember, that neither Superintendent nor Teachers could do all in the elevation of Schools—it was absolutely requisite that Directors and Parents should co-operate with them in making the system most effective. He cautioned them against employing as teachers those who are not certified as qualified in the faculty of teaching, as well as competent in respect to their attainments.....The Convention then adjourned.

[The Convention of August, '57, agreed upon the standard of School Books for *five* years, instead of three, as some supposed.]

A man in Muskegon, Wis., being drunk, had both feet frozen. Struck with remorse, he resolved to starve himself to death. At the last accounts he seemed to be near his end, and, for all that appears to the contrary, the neighbors won't regret his absence.

"DEMOCRATIC" CHEAT.—The landlord of the Commercial House, Chicago, has sued the Democratic Committee for the board of eighteen men for one week, imported in the Third Ward to vote the Democratic ticket at the late charter election. The Democracy having been whipped, the committee refused to pay the bill. The case is not decided.

☞ The Opposition County Committee is requested to meet at the Buffalo House, Lewisburg, Monday, MAY 14, 1860, at 1 o'clock, P. M. to organize, and prepare for action. The Committee is composed of the following gentlemen:

WISTAR'S BALSAM OF WILD CHERRY.

This remedy has long been cherished by the community for its remarkable efficacy in relieving, healing and curing the most obstinate, painful and long standing cases of *Coughs, Colds, Influenza, Sore Throat, Bronchitis, Whooping Cough, Croup, Asthma, Inflammation of the Lungs*; while even Consumption itself has yielded to its magic influence when all other means have failed. Its whole history proves that the past has produced no remedy of equal value, as a cure for the numerous and dangerous pulmonary affections which prevail all over the land.

Read the following Letter from a highly respectable gentleman:

LEWISTOWN, Mountour Co., Pa., Oct. 22, 1858.

This is to certify that I was pronounced by several physicians as consumptive, and had all the symptoms of the disease in its worst form, such as coughing, severe pains in the chest, shortness of breath, nightsweats, and extreme weakness and lassitude in my whole system. My family nearly all having died of the disease, I had given up all hope of recovery, as nothing gave me relief; but through the persuasion of a friend I was induced to try *Dr. Wistar's Balsam of Wild Cherry*. The first bottle relieved me considerably, and the third bottle cured me entirely. I now feel as well as ever I did in my life, and am able to follow my occupation as farmer as fully as any one.

I also had a sister in a more advanced state of the disease, having been confined to her bed for over a year and pronounced beyond hope by our best physicians. She also was entirely cured by the Wild Cherry, but it required six or eight bottles, and she still takes it occasionally as a preventative, being naturally weak chested.

I would sincerely urge all who are similarly afflicted to try *Dr. Wistar's Balsam of Wild Cherry*, as I am satisfied that but for your own valuable remedy my sister and myself would not now be living. I will cheerfully answer any one who may address me on the subject and state our cases more fully. JACOB MILLER.

☞ *Caution to Purchasers.* The only genuine *Wistar's Balsam* has the written signature of "I. Butts" and the print-ed one of the Proprietors on the outer wrapper; all other is vile and worthless.

FOR Statesmen, Judges, Clergymen, Ladies, and Gentlemen, in all parts of the world, testify to the efficacy of Prof. O. J. Wood's HAIR RESTORATIVE, and gentlemen of the Press are unanimous in its praise. A few testimonials only can be here given. A circular 32 pages, will be sent to you for the asking.

47 Wall Street, New York, Dec. 29, 1858.

GENTLEMEN,—Your note of the 16th inst. has been received, saying that you had heard that I had been benefited by the use of Wood's Hair Restorative, and requesting my certificate of the fact if I had no objection to give it.

I award it to you cheerfully, because I think it due. My age is about 57 years. The color of my hair was once, and continued to be, a dark brown, and mixed with some gray, and the scalp on the crown of my head began to lose its sensibility and assumed a dry appearance. Each of these characteristics increased with time, and about four months since a fourth was added to them, by hair falling off the top of my head and the bleaching to make room for it.

In this unpleasant predicament, I was induced to try Wood's Hair Restorative, mainly to arrest the falling off of the hair, for I had really no expectation that gray hair would ever be restored to its original color except from dyes. I was, however, greatly surprised to find after the use of two bottles only, that not only was the falling off arrested, but the color was restored to the gray portion, so completely to the rich, and beautiful natural brown of my youth, very much to the gratification of my wife, at whose solicitation I was induced to try it.

For this, among the many unbought tributes I am to bestow, I strongly recommend all to whom the value the natural ornament of their heads is not duly appreciated, and to whom the appearance of gray hair is unpleasant, to give Wood's Hair Restorative a trial, and having worked constantly at his trade for the past nine years, he claims to be a Practical Paper Hanger.

Any person in Lewisburg or neighboring towns, or the country, intending to have their houses papered, are invited to examine his stock.
