# UNION COUNTY STAR & LEWISBURG CHRONICLE---MAY 18, 1860.

that feeling of loyalty, together with that not as a tree government." ness of this dark picture, so far as the Southern groups upon the canvas are con-ceraed, but I must be indulged in the opinion that I can pronounce as accurately concerning the Northern or Republican representatives here as any one. I know their public haunts and their private ways. We are not a hostile Republic, or repre-sentatives of one. We confer together, but only as the organs of every party do, but only as the organs of every party do, but only as the organs of every party do, but only as the organs of every party do, but only as the organs of every party do, but only as the organs of every party do, but only as the organs of every party do, but only as the organs of every party do, but only as the organs of every party do, but only as the organs of every party do, but only as the organs of every party do, but only as the organs of every party do, but only as the organs of every party do, but only as the organs of every party do, but only as the organs of every party do, but only as the organs of every party do, but only as the organs of every party do, but only as the organs of every party do, but only as the act sometimes as partisans, while it requires us always to be patriots while it requires us always to be patriots the people around us here, who, though in I know them now in the distantionist among the very center where the bolt of distation them all. I believe they will be as faithful to seemed never less disturbed than now, days when their ranks were full, and their We bear the same testimony for all the districts and States we represent. The people of the North are not enemies, but friends and brethren of the South, faithful and true as in the days when Death has will sustain no party that is not capable

We will not suffer ourselves here to dwell on any evidences of a different tem- the one vistne of logary to the Union, all its per in the South ; but we shall be content advantages will be unavailing ; and then obcan not provoke retaliation, is an anomaly

some respects more important, perhaps, than any since 1800, has recently begun. The House of Representatives was to be organized by a majority, while no party could cast more than a plurality of votes. The gloom of the late tragedy in Virginia rested on the Capitol from the day when Congress assembled. While the two great tween free labor and capital labor for the Territories to its proper solution, through the trials of the ballot, operating directly or indirectly on the various departments of the Government, a baud of exceptional men, contemptuous equally of that great question and of the parties to the controversy, and impatient of the constitutional system which confines the citizens of every State to political action by suffrage, in organized parties within their own borders, any error, or prevent any danger, under any inspired by an enthusiasm peculiar to circumstances. themselves, and exasperated by grievances and wrongs that some of them had suffered ! by inroads of armed propagandists of slavery tranzaction, not even in a new dispute. Our in Kansas, unlawful as their own retaliation by conspiracy, ambush, invasion, and force. The method we have adopted, of appealing to the reason and judgment of the people, to be The method we have adopted, of appealing to the reason and judgment of the people, to be pronounced by suffrage, is the only one by which free government can be maintained anywhere, and the only one as yet devised which is in marked harmony with the spirit of the Christian religion. While generous and charitable natures will probably concerte that John Brown and his associates acted on earnest though fatally erroneous convictions, there is the probably concerte yet all good citizens will nevertheless agree, when we shall have rested from our labors that this attempt to execute an unlawful par-pose in Virginia by invasion, involving ser-vile war, was an act of sedition and treason, and criminal in just the extent that it affected the units, ease we shall have rested from our labors. Sume among us preier for these columns a composite material; others the pure white marble. Our fathers and our predecessors differed in the same way, and on the same the public peace and was destructive of hu-man happiness and human life. It is a pain-mine in pronouncing on any statesman who man happiness and human life. It is a pain-ful reflection that, after so long an experience of the beneficent working of our system as we have contrast, where the system as we have enjoyed, we have had these new illustrations in Kansas and Virginia of the existence among us of a class of men so misguided and so desperate as to seek to enforce their peculiar principles by the sword, draw-ing after it a need for the further illustration I remain now in the opiniou I have un by their punishment of that great moral truth, formly expressed here and elsewhere, that especially applicable in a Republic, that they these hasty threats of disunion are so unnat who take up the sword as a weapon of contro-versy shall perish by the sword. In the latter case, the lamented deaths of so many citizens, slain from an ambush and by surprise-all the more lamentable because they were in- brings us into more intimate relations nocent victims of a frenzy kindled without each other than any other people however ho their agency, in far distant fires-the deaths eren of the offenders themselves, pitiable, al-though necessary and just, because they ac-inequine throughout, if one joint of our though necessary and just, because they ac-ted under delirium, which blinded their judg-eral frame is smitten; while it is certain that ments to the real nature of their criminal enterprise; the alarm and consternation naturally awakened throughout the country, exci-ting, for the moment, the fear that our whole ting, for the moment, the fear that our whole system, with all its securities for life and lib-congress, of any one article absolves all the erty, was coming to an end-a fear none the more endurable because continually argravated by new chimeras to which the great leading event lent an air of probability ; surely all these constituted a sum of public misery, which ought to have satisfied the most morbid appealte for social horrors. But, as in the case of the gunpowder plot, and the Salem witchcraft, and the New York colonial Salem witchcraft, and the New York colonial negro plot, so now; the original actors were swiftly followed by another and kindred class, who supply to prove the orbits of the orbits. Mankind have a natural right, a natural inwho sought to prolong and widen the public distress by attempting to direct the indignation which it had excited against parties guiltless equally of complicity and of sympathy with the offenders. Posterity will decide in all the recent cases where political responsibility for public dismust fall; and posterity will give litthe heed to our interested instructions. It was not until the gloomy reign of Domitian had ended, and liberty and virtue had found assured refuge under the sway of the milder Nerva, that the historian arose whose narrative of that period of tyranny and terror has been accepted by mankind ted against the charge of hostility to the South, which has been offered in excuse for the menaces of unconstitutional resistance in the event of its success, I feel assured that it ambtions, and their test hopes, equally the will sustain me in meeting them in the spirit high and the low, the rich and the post, the wise and the nuwise, the learned and the un-"Surely they that shall boast as we do to unored, even the good and the bad, to a Gov be a free nation, and having the power, shall not also have the courage to remove, consti-tutionally, every Governor, whether he be the supreme or subordinate, may please their fan cy win a ridicalous and painted freedom, fu to cozen babies, but are, indeed, under tyran-ny and servinde, as wanting that power, which is the root and source of all liberty, to the supreme or subordinate, may please their fan their opinions; and appeals to them all, indi-to cozen babies, but are, indeed, under tyran-ny and servinde, as wanting that power, which is the root and source of all liberty, to the supreme or any entry of the supressed con-terated of and economics in the land which is not compared and which is the root and source of all liberty. In the supressed con-terated of and economics in the land which dispose of and economise in the land which class you may, with commissions for your God hath given them, as members of family fatal service in one hand, and your bounty in their own home and free inheritance, Without which natural and essential power ces of silver in the other, a thousand resisters

ble loss of that spirit of brotherhood and intolerable, hangs on them as a lordly scourge, tains, among the fishermen on the Banks of Having formed a Partnership, at the old

love for a common country, which are at last the surest cement of the Union; so that, in the present unhappy condition of affairs, he is almost tempted to exclaim affairs, he is almost tempted to exclaim national life must perish, if that life itself sippi, among the voluntary citizens from evethat we are dissolving week by week and month by month; that the threads are gradually fretting themselves asunder; and a stranger might suppose that the Ex-ident of two hostile Republics. It is not for me to raise a doubt mon the correct. for me to raise a doubt upon the correct-ness of this dark picture, so far as the detent, in power as out of power, now and so mournfolly, and appeal to them to rise.

and statesmen. Differences of opinion, even on the subject of slavery, with us are po-thing and set senial differences of opinion, even in must rule by terror, instead of ruling through conceded public confidence, then it is vast, and regulating interests so various of litical, not social or personal, differences. There is not one disunionist or disloyalist among us all. We are altogether uncon-scious of any process of dissolution going scious of any process of dissolution going on among us or around us. We have nev-er been more patient, and never loved the through the action of its representatives, seem representatives of other sections more than now. We bear the same testimony for the people around us here, who, though in must fall first and with most fearful effect, the Union now as they were in the bygone it forms the central figure in the economy of challenge to the combat was always the war-cry of victory. But, if it shall prove otherwise. then the world will all the sconer know that every party in this country must stand on Union ground; that the American people dealt his arrows promisenously among them on common battle-fields of freedom. We will not suffer ourselves here to We will not suffer ourselves here to such traditional merit, yet, if it be lacking in
