FOR GOVERNOR, ANDREW G. CURTIN, of Centre Co.
Union County Fair--Thurs to Sat., Oct. 4, 5, 6, 1860

Saturday, August 4th, (Two weeks from Saturday of this week)
is the day when the Republicans of Union County can choose for themselves--and not by deputy--who shall be the candidates for County Officers. Every vote counts in this way, and none can have a valid reason for not submitting to the decision of the majority thus obtained.

Several good men are suggested for the positions to be filled--most, or all of them, natives of the county, and well and favorably known to the citizens generally. It is universally conceded that the next Commissioner should be chosen from the West side of the county, and the Associate Judge from the East--and all the candidates for those two offices are so located accordingly. The other offices may be filled from any part of the county. There being, then, no local question involved, the choice has regard to fitness and worthiness alone.

Let every voter of our party--whether farmer, mechanic, or professional man--so arrange his work and business as to give the afternoon of the 4th August to this Primary Election. Speak to your neighbors, that may have forgotten, or may never have known of this popular mode of nominating, and get them out with you, that the expression of opinion may be decided and satisfactory.

BLANK RETURNS are prepared for the Nominating Election, and it is desired that the Standing Committeeman in each District obtain these blanks, and see to the organization of the Board in his own District. There are two returns to be filled out, signed by the Election Judge and Clerks--one to be kept at home by the Election Judge and the other sent in by the Return Judge chosen. A LIST OF VOTERS should be made out, also, one to be kept in the District and the other sent in to the meeting of the Return Judges.

As there is no law for administering oaths, the people must select honest and honorable Officers, who will decide upon admitting voters. If they doubt the word of a man who promises to vote with the Lincoln party this year, and the man has not been known as of our party, with their candor and discretion the matter rests.

There has been but little electioneering done thus far, as the candidates are generally known, and have only to leave their tickets with discreet and true friends, who will see that they are on the ground, and have fair play, on the day. Happily, but little excitement prevails. Any of the candidates may feel it no discredit to be outvoted by such respectable opponents as they have in the field--and all see by the results of last fall that it is unwise to urge matters too far, as a divided majority may lose the day. A fair field and a valid nomination thus won, however, can hardly fail of a triumphant success.

Douglas vs. Protection.
The Hon. F. W. Hughes, in his speech to the Democracy in the Court House, in Pottsville, declared that he could not vote for Douglas, because he was a Free Trader, and opposed to Protection. Mr. Douglas never gave a vote in favor of Protection in his life; and according to the following extract from the North American, he carries his opposition to Protection to the extreme point, even singling out Pennsylvania Iron to strike at:

"So far as Pennsylvania is concerned, everybody knows that Mr. Douglas, during his whole Congressional career, has consistently opposed her interests. All the votes he ever gave upon the Tariff, were on the side of the most radical Free Traders; and even went further than Mr. Hunter was willing to do, in proposing the admission of railroad iron free for five years. No argument or persuasion could induce him to concede a fraction of protection to the protected and suffering industry of our State. Mr. Johnson, his colleague on the ticket, belongs to the ultra school of Free Traders, and in that respect is a very proper associate for Mr. Douglas." Breckenridge and Lane are also Free Traders, and all four stand upon the Cincinnati Platform, which is undeniably and avowedly, for Free Trade, and against Protection. No true friend of a proper Tariff can vote for any of them.

John Sherman and Owen Lovejoy are nominated for Congress, by acclamation

Messrs. EDITORS.--With many thanks to the friends who have used my name in connection with the office of County Commissioner, I respectfully withdraw my name as a candidate for this year.

HERY K. SANDERS.
Limestone Tp., July 17, 1860

Associate Judge.
Seeing no one named for Associate Justice at the Oct. Election, I take the liberty of proposing MARTIN DREIBACH for that position. He is known to most of us as a gentleman of good judgment, who has spent the near sixty years of his life as a farmer in Union county, and it is intimatedly acquainted with all its wants. His integrity is proverbial, and he understands the German language to the first qualification. His present residence is at the County seat, where at least one Justice should reside, to be of service to the County. Judge Dreibach being near Harrisburg and New Berlin. This honor, conferred on Mr. Dreibach, would be only one of justice to the many. He is a man of high moral character, and his location in the County is highly desirable. He is a native of the County, and his residence in the County is highly desirable. He is a native of the County, and his residence in the County is highly desirable.

Messrs. EDITORS.--You will please announce the name of PHILIP RUHL as a candidate for re-election to the Office of "Associate Judge" of our county at the ensuing election. Col. Ruhl has made an excellent Judge, and the people can appreciate better than to re-elect him.--June 29, 1860

MANY VOTERS OF LEWISBURG.
Messrs. EDITORS.--Permit me to present to the consideration of the voters of Union Co. the name of JAMES SHIELDS for Associate Judge. Mr. Shields has long been an active member of the Whig and Republican party--is a hard laboring man, who has struggled for nearly sixty years to gain an honest livelihood in the same capacity as are again ardently desired. We hope the Republicans of Union county will place him in nomination at the approaching County Convention.

MANY REPUBLICANS.
West Buffalo, June 13, 1860.

Please state RICHARD V. LINCOLN of Hartley township as a candidate for the Assembly before the People on the 4th August. Mr. Lincoln is known to the whole county as a gentleman of ability and integrity, of good education, and able to take part in any debate--who has served the county long in thankless stations, and who would honor a higher one. It is many years since Old Hartley had a Representative in the Legislature, and we trust that the people of this county would suit both Union and Snyder if Junius's claim to a Member this year is conceded.

Register & Recorder.
THE undersigned will be a candidate for the office of Register and Recorder of Union county, subject to nomination to be made on the 4th of August next.
