Taggart & Farr's Patent

### Advent of the Musquito.

Again the guant musquito comes, That brigand of the night! With all his starving family, To put my dreams to flight. And try and settle his small bill, And take a draft at sight !

I hear again the dreadful sound That tells me who is near ; I hear him wind his herrid horn, And whet his poisoned spear ; e sounds the battle-blast, and ah ! He s I feel that he is here!

I beat the air, I seem to wage With friends an idle fend ; My hopes, like poor Ophelia's, Are blasted in the bud;

I'm v: n juished in a single round, And he attains "first blood !"

In vain the rank cigar I smoke, Quite wild and desperate grown ; I try in vain to drive him out, And shut the window down ;

For still I hear those tranquil pipes, Monotonou ly drone!

Like Cook among the cannibals, Tis useless to appeal, Or like a mummy wind myself In sheets from head to heel; The hungry wretch has picked me out

To make himself a meal ! His sucker, like a burglar's drill, Vouid pierce an iron door ! He loves, as Alexander did,

To wade in human gore ! Like Everett, he is always dry, Like Cobb, a perfect bore.

But yet, his faults may not suffice

All merit to efface; For sinner never yet was born

Without some spark of grace; His failing is philanthropy-He loves the human race!

He comes by night as angels do, To chant his southing hymn ; He hovereth o'er the baby's couch Jast like the cherubim; By day, he wadeth in the swamp;

His legs are long and slim. Oh ! bear me to some frozen waste,

Where polar tempests blow! On train oil I will gaze unmoved, Or Greenland's cliffs of snow, And be content to pass my days Among the Esquimaus !

This term evidently misled Johny Bull, who looked for a moment a good deal puzzled, but his face suddenly brightened, and seizing the hand of Mr. Corwin, he expressed his happiness at making his acquaintance, then kindly inquired whether his tribe was at peace with the whites! An explanation and some merriment followed.

# SPRING PURIFIER.

THE warm spring weather succeeding the bracing atmosphere of winter, relaxes the entire muscular system, including that great nuscle, the heart ; the circulation of the bl becomes sluggish and irregular, not being propeiled as actively as nature requires through the lungs, there to exhale or cast off its impurities and become exidized and puri-fied : a fulness of the blood-vessels ensues, attended with doll, drowsy, languid feelings, and frequently dizziness and vertigo; the blood becomes loaded with corruptions, which sometimes finds a partial vent in humors and Union Co, Pa eruptions of the skin, and the liver partakes of the general inactivity of the system. Dr DAVIS' DEPURATIVE quickens and equal-izes the circulation of the blood, cleanses it of all morbific matter, stimulates the liver to healthy action, gives tone to the organs of digestion, and communicates remarkable energy to all the functions. One bottle of it.

costing one dollar, will entirely prevent or re move all the above-described unpleasant symptoms, and, by strengthening and invigo rating, as well as purifying the system, fre quenity be the means of preserving the health throughout the entire summer. Its effects as a Spring Purifer of the Blood are warranted and unfailing. For sale by 3m841 J. BAKER & CO., Lewisburg
