"A MEAN ONE HORSE TOWN."—Dennis, alias Michael Brown, was found, (says the Boston Herald,) a few evenings since in the streets of that city, addressing an imaginary audience concerning the great principles now agitating the country. Mr. Brown, after coquetting with a bottle of whiskey, is usually taken in that way, and it was judged by the police that Mr. Brown would be benefitted by complaining of him as a common drunkard and sending him to the place where whiskey is unknown, except upon special occasions.

"May it plase the Court," said Mr. Brown, squaring his shoulders as though about to hold forth to one of his imaginary audiences, "would it make any difference, regarding my case, if the Court were informed of my politics?"

The Court looked at Mr. Brown in astonishment.

"Hurrah for the Little Giant!" shouted Mr. Brown, with a keen look at the Court to notice the effect of the announcement.

"Two months in the House of Industry," the Court said, mildly.

Mr. Brown thought he was on the wrong track. He changed instantly.

"Hurrah for Lincoln and Hamlin!" he shouted as loud as ever.

"Two months," repeated the Court, not moved the slightest by the cheer.

"Sold again," muttered Mr. Brown. "Only one more chance," and then he shouted: "Hurrah for Bell and Everett! and if I try again if we never have a President."

"Take him away," said the Court, and "stop his noise."

"This is a mean, one-horse town," muttered Mr. Brown. "One such yell as I gave would have set me free in New York, and the honor of drinking brandy with half-a-dozen of the aldermen. This is not the city for a man of genius."

AN "AWFUL" DISEASE.—The Pipsynipsy, a complaint peculiar to the Western country in summer season, has broken out among many of our citizens. A sudden depression of the colipsis lindix, a caving in of the spinality or backbonibus, and a feeling of slimness in the immediate vicinity of the cateroid canibus, may be regarded as proper indications that the complaint is coming on. The following prescription will afford instant relief:

"Spiritus Vini Otardi, z i.; Spiritus Vini Jamaicai, z ss.; Sugarum Whitum, q s.; Ieibus Finis, q r.; Sliecum Pineapplei, Strawberryii; Shakistis violeuter; Suckite duleiter cum strawum."

A friend at our elbow (a learned M. D.) remarks that he would not object to have the complaint for the sake of the remedy. —*Cleveland Plaindealer.*

THE DIGNITY OF BEING NIGGERS.—A slave's speech on the relative standing of the races, and the superiority of slavery to freedom, is reported by the Petersburg (Va.) *Express*, of a late date, in this wise: "In front of the Central Warehouse, a philosophical darkey, leaning lazily against one of the wheels of a dray, thus delivered himself to a brother Jehu, who was disposing of himself similarly: 'All niggers ought to feel de dignity of bein' niggers, 'cept free niggers, what dunno what dignity am; dis minute I'm wuff about fifteen hundred dollars,' and he gave a demonstrative gesture with his left forefinger, 'and a heap o' white folks can't say dat for *dyselves*. Now, dar,' and he pointed to a gentlemanly vagrant, 'is a white man; he couldn't turn hisself into money to save his life. More'n dat, he ain't wuff nuffin, he dunno nuffin, and he won't do nuffin. I feels de dignity ob de fack, and dats what makes me say what I do say.'"

TAR AND FEATHERS.—So early as the reign of Charles VI of France, (the time of Henry IV of England,) the French king (Charles) gave a masquerade, in which himself and five courtiers disguised their persons to imitate satyrs, by covering their naked bodies with close linen habits, which habits were then besmeared with rosin, on which down was stuck all all over. One of the company, in a frolic, touched one of these satyrs with a lighted torch, as they were dancing in a ring; the consequence was, all the six masques or satyrs were enveloped in flames simultaneously. Four of the six died immediately, and the king never recovered the fright and disorder occasioned by the accident.

INGENIOUS.—A prisoner in the Wisconsin penitentiary, last week, pretend to be sick, and was therefore allowed the privilege of walking in the yard. He then made a sort of an image, cut the hair from his own head, decorated the top of the image with it, deposited it carefully in his bunk, and then took his customary walk in the yard. At night, the watch looked in his cell and noticed him, as he supposed, reposing in his accustomed place. The next morning, his cell was visited; he was still somnolent, and on account of his sickness was further indulged. At noon, however, it was about time he had made some sign, and the watch proceeded to stir him up. But he wasn't there.

GREAT COUNTRY.—The London Times, in the course of an article glorifying England for what she has done in the last two hundred years says: "During the last two hundred years among the wonderful things we have done, we founded and threw off the United States."

DEMOCRATIC MOTTOES.—"We *Polked* in 1844; we *Pierced* in 1852; we *Buckeyed* in 1856; we're *Breckinging* now, and our slave is *Dug!*"

**PURIFY THE BLOOD!**

**MOFFAT'S Vegetable LIFE PILLS AND *Phœnix Bitters.***

THE high and envied celebrity which these pre-eminent Medicines have acquired for their invariable efficacy in all the diseases which they profess to cure, has rendered the usual practice of puffing not only unnecessary, but unworthy of them. They are known by their fruits: their good works testify for them, and they thrive not by the faith of the credulous.

IN ALL CASES OF ASTHMA, ACUTE AND CHRONIC RHEUMATISM, AFFECTIONS OF THE BLADDER AND KIDNEYS, BILIOUS FEVERS, AND LIVER COMPLAINTS.—In the South and West, where these diseases prevail, they will be found invaluable. Planters, Farmers, and others, who once use these Medicines, will never afterwards be without them.

DYSPEPSIA.—No person with this distressing disease should delay using these medicines immediately. ERUPTIONS OF THE SKIN, EBRIETIES, FLATULENCY, FEVER AND AGUE. For this scourge of the Western country, these medicines will be found a safe, speedy, and certain remedy. Other medicines leave the system subject to a return of the disease—a cure by these medicines is permanent. TRY THEM, BE SATISFIED, AND BE CURED.

MERCURIAL DISEASES.—Never fails to eradicate entirely all the effects of Mercury infinitely sooner than the most powerful preparation of Sarsaparilla.

NIGHT SWEATS, NERVOUS DEBILITY, NERVOUS COMPLAINTS OF ALL KINDS, ORGANIC AFFECTIONS, PALPITATION OF THE HEART, PAINTER'S COLIC.

PILES.—The original proprietor of these medicines was cured of Piles of 25 years' standing by the use of these Life Medicines alone. WORMS of all kinds are effectually expelled by these Medicines. Parents will do well to administer them whenever their existence is suspected. Relief will be certain.

THE LIFE PILLS AND PHŒNIX BITTERS Purify the blood, and thus remove all diseases from the system. A single trial will place the LIFE PILLS and PHŒNIX BITTERS beyond the reach of competition in the estimation of every patient.

☞Prepared by DR. WILLIAM B MOFFAT, 335 Broadway, corner Worth St. New York, and sold by all Druggists.

**SPRING PURIFIER.**

THE warm spring weather succeeding the bracing atmosphere of winter, relaxes the entire muscular system, including that great muscle, the heart; the circulation of the blood becomes sluggish and irregular, not being propelled as actively as nature requires, through the lungs, there to exhale or cast off its impurities and become oxidized and purified: a fulness of the blood-vessels ensues, attended with dull, drowsy, languid feelings, and frequently dizziness and vertigo; the blood becomes loaded with corruptions, which sometimes finds a partial vent in humors and eruptions of the skin, and the liver partakes of the general inactivity of the system. Dr. DAVIS' DEPURATIVE quickens and equalizes the circulation of the blood, cleanses it of all morbific matter, stimulates the liver to healthy action, gives tone to the organs of digestion, and communicates remarkable energy to all the functions. One bottle of it, costing one dollar, will entirely prevent or remove all the above-described unpleasant symptoms, and, by strengthening and invigorating, as well as purifying the system, frequently be the means of preserving the health throughout the entire summer. Its effects as a *Spring Purifier of the Blood* are warranted and unfailing. For sale by

VITRIFIED Water and Heat Pipe for DRAINING or FORCING WATER, for VENTILATING, HEAT or SMOKE FLUES—recommended for their IMPERMEABILITY, NON-CORROSION, CYLINDRICAL FORM OF LASTING, and CHEAPNESS, (being less than a quarter the price of Lead or Iron.)

They have been tested in Europe for centuries, and are now used in immense quantities there.

We have all the sizes, from 2 inch to 12 inch bore, made in lengths of three feet, beside the socket, which is 2 inch—with all the Bends, Elbows, double and single connections, T S and Running Traps, Hoppers, &c. We make the best article known in every respect for Culverts and Drains of all kinds, (their non-corrosive quality especially adapting them for Water Closets.) Already we have them laid in nearly 60 places for complete satisfaction, some as high as 70 feet, and will warrant the small sizes for 150 feet—supplying Houses with Running Water, giving it as pure at discharge as at the Fountain—Heating Houses, giving a better heat than coils, lasting longer, and not setting fire to surrounding wood work)—Smoke Pipes, &c.

We are constantly prepared, and are now shipping them to all parts of the Union. No packing required. We have sent them safely to Wisconsin, Iowa, Texas, and other States, and never packed them.

VITRIFIED CHIMNEY TOPS.

This is an article to which every Builder's attention should be particularly directed. At this moment, from any roof in our large cities, you can count thousands of brick chimneys so completely eaten by the foul gas that Weather as to demand immediate removal—to do which seldom costs less than $5 at once, showing the necessity of some article that will not decay or be eaten by gas &c. This we now offer in our ornamental and Plain Chimney Tops. They are found harder than stone, or fire perfectly vitrified, and are superseding to the old style
