Democratic Doctrine.

Bent. H. BREWSTER, a leading Democratic lawyer of Philadelphia,

in a public speech made a few days ago, gave the following opinion of human slavery: "Then, I say again that which I have before said, this institution of domestic servitude is a great political,

social and commercial necessity; and

I will also add that I firmly believe it to be politically right, socially right and morally right. It is the law of God, as well as the law of man. It requires no defense." We have not seen this doctrine disavowed in any Democratic paper, sustaining no material injury himself, but mendation in many of them. We

A GENTINE POEM.

Who shall judge a man from manners? Who shall know him by his dress ! Panpers may be fit for princess,

Princess at for something less, Crompled shirt and driv jacket May be both the golden ore Of the deepest thoughts and feelings-

Satia vesta could do no more. Ever swelling out of stone; There are purple tools and golden Hobben crushed and evergrown.

God who counts by souls, not dresses, Loves and prospers you and me. Whole he values thrones the highest But as probles in the sea.

Man, upraised above his fellows, Off forgets his fellows then; Masters embry bods, remember That your meanest hools are men!

Men by labor, men by ferling, Men by thought and men by fame, Claiming equal rights to sunshine In a man's employing name.

There are foun emblodered occurs,
There are followed-clad riffs,
There are feeled much-high suplings,
There are colors on the hills; God, who counts by souls, not stations, Loves and prospers you and me; Por to him all care distinctions Are as perbles on the sea.

Toding hands alone are builders Of a nation's wealth and fame;

Tailed lazaness is pensioned.
Fed and fattened on the same.
By the sweat of others' faceheads.
Living only to repore.
While the poor man's outraged freedom.

Value lineth up his voice.
Thirh and tustice are elemal.
Born with leveliness and light;
Secret wrongs shall never prosper.
While there is a sunny night; God, whose world-heard voice is singing

Sinks appression with its titles, As the publies on the sea-The First Kind Word.

"Was your lesson difficult?" kindly enquired a young teacher of a ragged, uncouth looking lad of about ten years, who was one of a class which had just finished a recitation,

-"was your lesson difficult, my boy" The boy thus addressed, raised his large gray eyes with enquiring look as if to satisfy himself that word breathed in so sweet a tone, were in An interesting little girl, daughter of a tended for him ; but, as he met his Mr. Norcross, of Phila, was drowned in a tencher's gentle gaze, they fell and, drooping his head, he forebore to reply. His teacher perceiving that he felt the rebuke, and deeming it sufficient, said no more, and dismissed the class. This lad, Johnny by name, was the son of poor parents, both of whom were habituated to the use of ardent spirits, and, of course, grossly neglected their children, beating and abusing them, as their excited passions prompted; seldom, and perhaps never let from their lips a word of kindly

interest even, much less of love. Johnny being of a mischievous temhe was sent to "be out of the way." This was the first day he had been under the care of the present teacher, whom I will call Miss Almer. John himself could stand at the head of his
