Lewisburg, Pa.

FRIDAY MORNING, SEPT. 14, 1860.

☞ See New Advertisements.

☞NEXT WEEK, Thursday, re-open the several departments of the University at Lewisburg. See Advertisement in another column.

The LEWISBURG ACADEMY re-opens on Monday next. (See Advt.)

☞It is expected that a Republican meeting will be held in Lewisburg NEXT (Court) WEEK—but we are not authorized to announce the exact time, nor the speaker or speakers.

☞We have some good Speeches, &c., for distribution at this office. Call—read—and circulate.

☞The Fair at Lewisburg, 4th to 6th Oct., will be the first exhibition of a new Steam Horse, the invention of two poor but worthy and thorough young mechanics of the place. Their machine works so satisfactory, and they are so intent upon having its full trial successful, that the public need not fear a failure. The power may be so applied as to travel, plow, saw, drill, and do "heaps of work." Come and see its first general exhibition.

☞Capt. Forrest organized a Wide-Awake Club in East Buffalo, on the 6th inst. A handsome number joined.

The Republicans of the same township, assisted by Sil. Lewisburg Wide-Awakes, raised a beautiful hickory pole, in Smicksburg, on the evening of the 11th inst. Short addresses were delivered by James Chamberlin and S. H. Orwig, Esq.

ANTHONY KLEINER, born in Union county in 1795, died, on the 1st inst. at his home in Sugar Valley. He had been Commissioner in both Center and Clinton counties, and was Associate Judge of the latter at his death. Gov. Packer appointed Wm. Parsons, of Lock Haven, to fill the vacancy thus created.

☞Amos R. Boughter, who was the Democratic candidate for Congress against Chief Kunkel, is now the Republican nominee for Senate in the Lebanon and Dauphin district. Jacob Weidel, who ran for Congress against John W. Killinger, ten years ago, lately presided over a Bell meeting. So they drop away.

☞A Lincoln Mass Meeting will be held at Middleburg, Tuesday, 25th Sept. Wagenseller, Middleswarth, Gutelius, Young, Hower, of Snyder, and Ingram of Mifflin, are on the stump in Snyder county. The Tribune says Reuben Keller is a Democrat.

☞The Republicans of Stephenson county, Illinois, have adopted the Direct System of Nominating Candidates, instead of by Conventions. J. Wilson Shaffer is their candidate for County Clerk.

☞An Elyria (O.) paper says LaMar K. Hayhurst has been appointed Deputy Surveyor of Lorain county in place of C. G. Cole, dec'd. "Mr Hayhurst is a young man well qualified for the post."

☞Slight frosts have been seen on the West Branch this week, and much Corn we learn was nipped by it in some of the Northern counties.

☞Hon. John W. Killinger is detained from visiting Union county this week, on account of the dangerous illness of his aged father.

☞It seems that GEORGE GROSS, Douglas, is on the new Electoral Ticket, in opposition to SAMUEL S. BARNES, Breckinridge, of Union county.

Bayard Taylor presided over an immense Republican meeting on the Brandywine battle field, at the recent anniversary of that struggle. There were hundreds there from Delaware and from Maryland. John Sherman spoke two hours; other distinguished speakers also addressed the crowd; and the utmost enthusiasm prevailed.

NOVEL DEMONSTRATION.—A few evenings ago one hundred and fifty Republican young men of Williamsport, just arrived at the age of voters, assembled on the common, formed a procession, and headed by a brass band marched into town, taking the citizens by surprise, and creating quite a sensation.

Senator Douglas, at Concord, said: "I do not intend, as a general thing, to enter into the political discussions of the year." This remark was made in the course of about the thirtieth political speech he has made within two months.

The progress of Col. Curtin through the north-eastern part of the State has been a perfect ovation of enthusiasm and popular demonstration of devotion to the Republican cause.

John Hickman is again up for Congress, and the District is united upon him. Mr. Serrill, of Delaware, is the nominee for Senator, in the district, of our party.

The McGregor *Times* remarks, "Mr. Douglas seems to have a triumphal march through the country." So did Burgoyne, just before he arrived at Saratoga.

Ex-Gov. Wickliffe, of Kentucky, was in Cincinnati, a few days ago, with his body-servant, Bob. Wickliffe chose to return to Kentucky, but Bob didn't!

Senator Seward delivered a powerful speech on the political questions of the day, at Detroit, on Tuesday last.

Dauphin county, Gen. Cameron's home, stands pledged for 1500 maj. for Honest Abe Lincoln.

Breckinridge has taken the stump, and retorts upon Douglas in true Kilkenny-cat fashion.

Garibaldi is still making progress in Italy.

"WIDE-AWAKE" CONVENTION.—The Wide-Awakes of Muncy, propose having a grand Wide Awake Convention and procession, at that place, on Thursday evening of next week, Sept. 20. Invitations have been issued to the Clubs at Williamsport, Lock Haven, Milton, Lewisburg, Danville, &c., and it is expected that several hundred Wide-Awakes will be in attendance. Speeches will be delivered by Wm. H. Armstrong, Esq., of Williamsport, and others.

Stumping for the Presidency don't pay. Van Buren tried it in 1848, and was badly beaten. Gen. Scott next attempted it in '52, to better result. Douglas, Breckinridge, Lane & Co., will find it equally unprofitable in 1860. Old Abe is at home, taking his ease, and laughing at them all.

J. V. Criswell, the able and efficient Railroad contractor has obtained the contract for building fifty-five new piers, for the better security of the Susquehanna Boom, at Williamsport. The new piers will be twenty-five feet high, and erected between the present ones, so as to render entire safety hereafter.

The Lady Elgin, a Canadian steamer passing up Lake Michigan one night last week, was run into by another vessel, and sunk, causing a loss of over 200 lives—among them Mr. Lumsden and family, of the N.Y. Picayune.

In Lancaster and some other counties of Pennsylvania, the Democrats make no nominations—either wont vote, or sustain some "sore-headed" Republican.

The new name which Mr. Douglas has given himself, "The Little Sucker," explains the anxiety he has for some weeks past displayed in search of his mother.

The Fond du Lac Press says there is not "a buggy load of Breckinridge men in the State." Perhaps not, but there will be a "sulky" load of Douglas men after the election.

A flourishing Lincoln Club has been formed at Ironton, Mo., in a place where two years ago there was not an avowed Republican, but which now will give 200 votes to Lincoln.

John Covode in his speech in Lebanon showed that *Henry D. Foster*, the Loco candidate for Governor, was one of the recipients of the immense sums squandered from Washington!

Ninety cent postage stamps have been issued, the denominations are now one, three, ten, twelve, twenty-four, thirty, and ninety-cents.

☞*Union County Court at Lewisburg meets NEXT Week. THE CHRONICLE will be sent from Court Week until the Presidential Election, for 20 cents.*

A good Sewing Machine in a family is a treasure. Have you seen the much re-called "Eric?" If not, we advise some of our readers who may not have all the work they can attend to, to write to Mr. J. N. Bailey, at Milan, Ohio, and get the Company's confidential terms to agents.

A number of woodcuts for letter press of sorts each may be obtained, as above, if speedily applied for.

DR. WISTAR'S BALSAM OF WILD CHERRY.

In the whole history of Medical Discoveries no remedy has performed so many or such remarkable cures of the numerous affections of the Throat, Lungs and Chest—as Coughs, Colds, Influenza, Whooping Cough, Croup, Asthma, and Consumption itself, to this far famed, long tried and justly celebrated Balsam. So generally acknowledged is the superior excellence of this remedy that but few of the many who have tried it in vain by experience fail to keep it at hand as a speedy and certain cure for sudden attacks of disease—fully believing that its remedial powers are complete to cure enough to embrace every form of disease from the slightest cold to the most dangerous symptom of pulmonary complaint.

From Mr. J. C. Smith.

Lewisburg, Pa., May 7, 1860.

Some eight years since I was attacked with a very severe cough, the long continuance of which alarmed me very much, and brought me to look for some remedy to remove me from the condition in which I found myself. I applied to different physicians, but received no benefit. Wistar's Balsam of Wild Cherry was recommended. I gave it a trial, and was relieved of the cough before using half a bottle. I kept on using it until permanently cured. I would always say that several of my friends have used the Balsam with astonishing results.

Yours truly, J. C. SMITH.

CAUTION to Purchasers. The only genuine Wistar's Balsam has the written signature of "I. Butts" and the printed one of the proprietors on the outer wrapper; all others be wise and avoid them.

Prepared by SETH W. FOWLE & CO., Boston, and for sale by F. S. Caldwell, and J. Wade & Co., Lewisburg.
