Lewisburg, Pa.

FRIDAY MORNING, OCT. 26, 1860.

ADVERTISING.—Manufacturers, Merchants, Mechanics & Professional men in City and Country, Publishers—and all others who want to buy or sell—would do well to employ the columns of the Lewisburg Chronicle, which has a large and increasing circulation in a community containing a large number of active, solvent producers, consumers and capitalists, as any in the State.

☞ see New Advertisements.

☞ John H. Stover, Esq., was on hand last week to fulfil his appointment, but the rain prevented any formal meeting.

☞ Messrs. HARRIS & DUNCAN, whose card appears in our columns to-day, come well recommended from Bellefonte as reliable business young men.

☞ The culture of the Dwarf Pear is becoming more general in our region. Charles Summers, a mechanic of this Borough, gave us one of his raising which weighed a big pound and tasted as delicious as the October election returns.

☞ No one has yet ordered us to print Electoral Tickets for Union county—a thing which we have done too often without pay. The Lincoln party is too numerous, proud, rich and "saucy" enough, just now, to "pay the printer" for the votes they use to win the day. Will the County Committee meet, say at the Buffalo House, Lewisburg, Monday next, at 2 P. M., and see about supplying Union county?

GIT ASSESSED.—Assessors are authorized to assess all persons who have neglected this important duty any time up to within 10 days of the Presidential Election. Look to this matter without delay! Saturday, the 27th of October, is the last day assessments can be made.

☞ John Edminster, pastor of the Baptist church in Camanche, Ill., is in this region, obtaining means to alleviate losses caused there by the terrible tornado of last July. In Lewisburg, Sunday last, he gave a vivid picture of the disaster, intensified by the particulars of the wounds and escapes of all his own family.

☞ Forty five or fifty Wide-Awakes on horseback from Winfield, with music, visited Lewisburg last Friday evening, and paraded with our own Companies.

Last (Thursday) evening, at Winfield, Frank Round was to speak, followed by a Grand Wide-Awake Parade.

Oregon, all hail!—*Joe Lane, Republican at Home!*—The Oregon Legislature in the 24 inst. elected Col. E. D. BAKER, an old-line Illinois Whig and firm friend of Lincoln, to be U. S. Senator for (a vacancy) five years, and J. W. NESMITH, a strong Douglasite, in place of Jo Lane.....This victory will greatly aid the Republicans in Oregon and California!

The Republicans of Mifflinburg and vicinity held a large and enthusiastic ratification meeting or jubilee, *last Friday* evening, at the public house of Wm. Inhoff. Addresses were delivered by Messrs. John Rishel, F. Gutelius, and John Bilger. A sumptuous repast was prepared by Mr. Inhoff, of which about 125 partook.—*Press.*

Daniel C. Seebold and George W. Benfer, of New Berlin, who had been in the "gold diggings" for almost five years, arrived safe home last week.—*Press.*

Sheriff Waldron of Milton, Northumberland county, has appointed John P. Parsel, of Sunbury, his Deputy.

Jacob Leisenring of Northumberland, has been appointed Notary Public at that place by Gov. Packer.

The Clover Mill, Carding Mill and Fulling Works of J. W. Girton of Valley township, Montour county, were consumed on Monday morning, by fire supposed to have originated from lightning. Insured for $2,000 in the Lycoming Insurance Company.

Barkley Thompson was convicted in the U. S. Court, at Williamsport, for purloining the mail keys belonging to the Mill Creek P. O., and sentenced to five years in the Western Penitentiary.

On Monday last the locomotive and car on the Treverton Railroad, conveying Mr. Mowton the Superintendent, run off the track into an adjoining field. Mr. Mowton was slightly injured, but the injuries of the engineer are such as to endanger his life.

The Jersey Shore *Republican* establishment is removed to Williamsport, and continued as the "*West Branch Democrat*," a Breckinridge paper, under the charge of Charles T. Huston, Esq., who gives it quite an improved appearance. Williamsport now almost rivals ancient New Berlin in the newspaper line, having five in operation.

On Saturday week, J. B. Trevor, (former cashier of the Philad. Bank) while reading in the Philadelphia Library, fell dead in his chair, aged 67 years. Trevorton in Northumberland county was named from him.

Ele Bowen of Lancaster, has sued somebody for slander in saying that he (a Bell man) had sold himself to the Democrats and assisted Foster.

There are one hundred and forty-six papers in Pennsylvania now supporting the Republican candidates, most of which opposed the Republican party in '56.

The Democratic leaders assured their dupes that Foster's majority would be just 83,199 or thereabouts! It is said the amount of money lost by the Fosterites is "neither few nor small."

Gov. Curtin was prostrated with neuralgia last week, in Philad.—a consequence of his arduous efforts in the campaign just closed. He has since gone for a brief rest to New England, but we hope will be able to talk a little in New York and New Jersey before election.

Some of the Lokey papers try to keep up the courage of their readers by assuring them that "Fusion" will be elected, after all. Like the old chap in Noah's day, they "don't think there will be much of a shower!"

Dry leaves are an excellent material for packing apples, and perhaps other fruit.

"FATHER, I AM NOT AFRAID TO DIE."*

BY JULES JANIN, JR.

Low words were spoken, and while tearful eyes
Gazed sadly on the form of beauty dying,
The voice of prayer was hushed with heaving sighs
That broke in anguish on the moments flying.
Earth turned her mourne to its sweetest strains,
And morning glowing in all its brightest light
Fitted was and lent their hues and their plains,
With love of living, and with life's delight.

Amid this scene of grieving and of beauty,
A messenger of peace came flying from on high,
Unseen, invisible, touching them a duty,
In words of "Father, I am not afraid to die!"
Unseen, angelic feets were waiting there,
Pausing to hear the last farewell then spoken,
Or joining humbly in the imploring prayer
To heal the hearts that there by death were broken.

Fearful to die! or pass through Jordan's waters,
Washing our robes in purity and whiteness—
Afraid to pass, where passed the loveliest daughters,
Whitening his hair light with smiles of purest brightness.
Then welcome death, though parting here is sorrow,
And stark and dreary is the silent tomb—
We part to-day, to meet in love to-morrow,
Where winds blow gently and flowers fit ever bloom!

Earth hath no vision like to that now rising
In the dim distance of that beauteous land,
No sound of mourning no sweet surprising—
No love eternal or no angelic band.
Hark! even now, I hear those angel voices
Whispering their welcomes to the azure sky—
And, while my soul with rapture now rejoices,
Oh! FATHER, I AM NOT AFRAID TO DIE!

Harrisburg, Oct. 1860.

*The last words of the late ALICE JANE CASEY.

☞ The following from the *Williamsport Press* the week before election, is one of the neatest and most palpable hits of the campaign:

"GEN. FLEMING.—This gentleman is running as a Democratic candidate for Congress in this district. His competitor seems to be old JOE RITNER. It is thought that Fleming will get several more votes than Ritner, while HALE will have about two thousand majority over both."

Hale has 1664 maj. It is understood that "General Bob's" splurges were quite amusing to those who put him upon the track only to get him out of the way of Jno W Maynard for President Judge!

(Correspondence of the Star & Chronicle.)

JEFFERSON, Wisc., Oct. 3, 1860.

As regards times here in the Badger State, everything begins to look up. Farmers have had good crops and fair prices, and are beginning to see their way through. The weather is beautiful at present, although we had a light squall of snow on the 30th ult. The markets are as follows: Wheat, 80; Oats, 20; Corn, 30; Rye, 75; Flour, $2.60 per hundred; Beans, $1.50 per bushel; Butter, 12; Eggs, 7; Potatoes, 25. Concerning politics, I have nothing to say, as it is hard to decide which way the Badgers will go. But, as I am a Douglas man, of course my opinion is in his favor as regards this State. W. G.

[See here, friend, we don't bet—but if Douglas carries Wisconsin, we offer all our subscribers there the paper next year gratis—provided, each agrees to raise a Club of 4 for $5 if Lincoln carries it. A bargain?]

"DESTINY" WALKER having met his long-deserved felon's doom, the "K. G. C." and other fillibusters are represented as getting discouraged, and retreating homeward, disgusted, ragged, and morose. It is quite a change—Walker dining at the White House, followed by ten balls in his breast, or a rope-noose. Let "Destiny" Douglas take warning.

Lincoln will tolerate no Fillibustering.

BOSTON, Oct. 17.—A slight shock of earthquake was felt all over Canada to-day. The same shock was also felt severely at Saco, Maine, accompanied by a loud report, and the rocking of buildings, etc.

Sullivan county elects a Rep. Auditor, (good for you, Ackley!) and a Dem. for Commissioner by *one* maj. only.

AUGUSTA, Oct. 17.—A heavy frost occurred here this morning. The thermometer was down to the freezing point, and thin ice was made in the neighborhood of the city.

Little Wyoming elects Republican Sheriff, Prothonotary, Register & Recorder and Treasurer—all, good old soldiers in the cause—and Dem. Commissioner and Auditor by a small vote.

LOUISVILLE, Oct. 16.—Hon. Andrew Ewing and Hon. Mills Bram, of Tennessee, passed through this city this afternoon, *en route* for New York, to stump that State in favor of the fusion movement against Lincoln.

The official vote of Clinton county elects the Dem. candidates for County Officers by small majorities.

The Republicans of California have canvassed nearly 39,000 votes, and say that the success of the Republicans in Pennsylvania, &c., would almost insure California for Lincoln. The news from Pennsylvania will reach the Gold State in time to be generally known.

Cold Spring, in Lebanon county, gave an unanimous vote for Curtin and his party. Only 26 votes were polled—it being the site of a deserted iron establishment.

Rev. J. Green Miles has removed from Harrisburg to take charge of the White Deer and Union Baptist churches. Post Office—White Deer, Lycoming Co., Pa.

R. O. Shaut has assumed the interest of Daniel Bower in the Williamsport Daily Times.

Clearfield county gave Gen. Patton (Rep.) 64 maj for Congress. He is an extensive and esteemed business man in Curwensville, and has over 1000 maj. in the Wild-Cat District.

Who shot Bickhard's dog? that's the question.

A very damaging series of proofs from Kansas and other Democratic politicians is published, stating that Douglas was privy to and connived at the particularly fraudulent, unfair and deceptive mode in which Calhoun and his co-conspirators pretended to "submit" the infamous Lecompton Constitution to the people of Kansas. Douglas denies the charge as vehemently as he once advocated the Missouri Compromise Line.

Adam J. Greer has retired from the new *True Democrat* at Mifflintown. No reasons given.

The Oregon Legislature proving to have a maj. of Union men—friends of Lincoln and Douglas—the Breckinridge Members run away, hid themselves and for a time prevented any business. The "seceders" were hunted and brought in by the Sergeant-at-Arms—one of them being precious Joe Lane's son-in law!

Sec. Cobb, at the U. S. Treasury, last week received proposals for a loan of $10,000,000 at a higher premium than was offered in May last. So it seems the prospect of a Republican administration has actually advanced confidence in National finances. Haven't these moneyed men yet learned that the Union is all smashed?

☞ Mr. AIKEN'S Lecture—"A Night at Valley Forge"—will be delivered in Independent Hall, Lewisburg, Saturday evening next, (Oct. 27,) at 7, P. M. Doors open at 6½ P. M. THE OXYGENATED BITTERS.

Nature, in her great laboratory, has stored some remedy adapted to every disease which "flesh is heir to." But it requires the investigation and research of the philosopher to discover and apply this remedy. Such research and investigation has succeeded in discovering a remedy for that most afflictive dispensation, the

DYSPEPSIA!

With all its lesser and numerous evils; and it may be safely asserted that until the appearance of the *Oxygenated Bitters* a case of Dyspepsia cured was a rare experience in medical practice. Now under the influence of these Bitters the rule is to cure, the rare exception, failure to cure.

Read the following, which the subscriber requests us to publish for the benefit of the afflicted:

An Obdurate and Inveterate Case of Dyspepsia Cured by the Oxygenated Bitters.

FARIS, N. Y., Nov. 24, 1859.

Messrs. S. W. FOWLE & Co., Boston: For seven years past I have been afflicted, most of the time severely, with Dyspepsia. It assumed the form of *Heartburn, Heartburn, and Oppression after Eating*, accompanied with severe Pains in the stomach and constipation of the bowels. I tried many popular remedies without avail, when, about eighteen months since, having heard the *Oxygenated Bitters* spoken of in high terms, I was induced to give the medicine a trial, if indeed it could be called a trial, for it required but one or two doses to give immediate relief. For weeks after I would suffer no inconvenience from my old enemy, when another attack would give occasion for a small dose of the Bitters, and by the use of less than one bottle, I find myself entirely cured.

I recommend it to all Dyspeptics with confidence, believing that if a fair trial of it is made a permanent cure will be the result.

You are at liberty to use this certificate in any way which will promote the sale of your excellent remedy.

Yours, truly, H. A. HUMPHUS.

Prepared by SETH W. FOWLE & CO., Boston, and for sale by P. S. Caldwell, and J. Wallis & Co., Lewisburg.

DYSPEPSIA.—What is it? how cured? This question is fully answered in the pamphlet issued by Dr. O. PARKER HARRIS, and to be obtained of his advertising agents. It is a plain, straightforward, instructive little essay, in itself, of use, health, and interest. Dr. O. PARKER HARRIS also prepares a remedy which is unexampled in its efficacy. The ACADIAN BALSAM. In cases of Consumption, Asthma, Bronchitis, Coughs, Colds, and Nervous Debility where death seems the manifest destiny of the sufferer, the world can show no parallel to the effects produced by the ACADIAN BALSAM. Each organ of the body feels its beneficial influence. From pain and LASSITUDE, the patient springs up to a cheerful enjoyment of life, and a final cause of soundness is effected. The ACADIAN BALSAM is sold at $2 per large bottle by J. BAKER & CO., Lewisburg. Sole Agents, who has also a small number of trial bottles, price 25 cents each, as the proprietor wishes to introduce this remarkable remedy in such a manner as to preclude all doubts of its being a genuine article.

A number of specimen bottles, price 25 cents each may be obtained, as above, if speedily applied for.

LINDSEY'S Improved BLOOD SEARCHER,

A STANDARD MEDICINE

For the speedy, radical and effectual cure of ALL diseases arising from IMPURITY OF THE BLOOD.

THIS medicine has wrought the most miraculous cures in desperate cases of

Scrofula,	Cancerous formations,
Cutaneous diseases,	Erysipelas, Boils,
Pimples on the face,	Sore Eyes, Scald Head,
Old, stubborn Ulcers,	Rheumatic disorders,
Tetter affections,	Goitre cases,
Dyspepsia, Jaundice,	Salt Rheum,
Neuralgic diseases,	General debility,
Liver Complaint,	Loss of Appetite,
Low Spirits,	Foul Stomach,

Female Complaints—and all diseases having their origin in an impure state of the Blood.

The above is a portrait of David M'Creary, of Napier p.o.shp, on the 31st day of August, 1858, made affidavit before Justice Conley that he was treated for the cure of Cancer by three physicians of Bedford county, and by Dr. Newton of the Bedford Springs Hotel, for a period of nearly eight months, notwithstanding which he *lingered*, and a portion of his left cheek more entirely eaten away! He had given up all hope, when he heard of the "Blood Searcher," and was induced to try it. Four bottles cured him, and (although sadly disfigured) there is no question but this invaluable medicine saved his life. The full particulars of this remarkable case may be seen in a Circular to be had of any of the Agents.

We also refer to Jesse Hall & Son, Blacksmith, of Elderton, Armstrong Co., Pa., cured of SCROFULA after being unable to get out of bed for three years.

To the case of a lady in Anonville, Clearfield Co., who was also afflicted with scrofula in its worst form.

To the case of George Meisel, residing in Carrolltown, Cambria Co., Pa., who was badly afflicted with Cancer that it eat his entire nose off, and his case was worse, if possible, than M'Creary's.

The particulars of these cases—every one of which was cured by the use of the "Blood Searcher"—may also be found in a Circular to be had of any of the Agents.

REITMEYER again before the People for the **Fall Trade**, with the most extensive assortment of BOOTS and SHOE ever yet offered to this community, which are all fresh from our Eastern Markets, and have been selected with great care, so that he is prepared to offer greater inducements than ever, and having experienced the advantage for the last six months in selling cheap for cash, he has become convinced that it is the only safe rule, for without money it is hard to make—so bear now, and there is no other system that will justify a man in selling goods below regular per cents. He again invites the special attention of all cash buyers, for next year, who will be pleased to favor him with a call, and examine his large stock of Ladies' GAITERS, TRUNKS, CARPET BAGS, MOROCCO SKINS, FRENCH CALF SKINS, &c., &c., from which he will be enabled with anything in the line of goods that can be found in the market, and at prices that will astonish the natives. A CARD.

AS much interest is manifested at present in Reaping and Mowing Machines, we desire to inform the public that we are the exclusive owners of O. Hussey's Patents, for "the combination of the open slatted guard finger, and scalloped cutter" for eleven counties in the State of Pa.

All Reaping and Mowing Machines with an open slatted guard and scallop knife are infringements on Hussey's Patents, for the truth of which we refer any one interested to the decision of the U. S Court, at Chicago, Sept. 19, 1858, delivered by Hon. John McLean, and noticed in the *Scientific American* of May 1st 1859, page 225.

Having purchased the exclusive rights of O. Hussey's Patents for this certain portion of the State, we shall insist upon having our rights respected. JAS. S. MARSH & C
