Lewisburg, Pa.

FRIDAY MORNING, NOV. 16, 1860.

ADVERTISE!—Manufacturers, Merchants, Mechanics and Professional men in City and Country, Publishers—all who want to buy or sell—would do well to employ the columns of the Lewisburg Chronicle, which has a large and increasing circulation in a community containing a large proportion of active, solvent producers, consumers and dealers, as any in the State.

☞ See New Advertisements.

MR. KING, in White Deer township, is opening an assortment of Goods on the true principle—"Small Profits and Prompt Pay."

☞ Rev. Jacob W. E. Ker, late Pastor of the Lewisburg (Pa.) Presbyterian church, has accepted a pastoral call to Mobile, in Alabama.

☞ John K. M'Kinty, of Reading (a relative of the late John M'Kinty of Lewisburg) is chosen to Congress from Berks county, to fill the unexpired term of the late John Swartz.

☞ The Lewisburg Debating Society meet on Tuesday evenings. Next question: "Is the South justifiable in her present political attitude?" (meaning, we suppose, the noisy Nullifiers who assume to be "the South.")

FIRE.—On Friday night last, about 1 o'clock, the cry of fire was heard in the streets of Mifflinburg. A small building, belonging to Benjamin Miller, burnt to the ground. Some oats, potatoes, pork, &c., were consumed. The fire originated in some hot ashes that were deposited in it the day previous.

DIVIDENDS.—The Bank of Danville declared a dividend of 5 per cent. for the last six months; the Banks of Northumberland, Lewisburg, and the Milton Savings Bank, 4 per cent; the Shamokin Bank, 2½ per cent., payable on demand; and the Milton Bridge Company, a dividend of $1.25 per share.

☞ Let it be remembered that Thursday, 29th November, is the day recommended by Gov. Packer, and by the Executives of numerous other States, as a day of Thanksgiving and Prayer. The afflicted Christians in Syria, and the sufferers in Kansas, are both suitable objects for contributions that day. Let it be observed, everywhere!

☞ We hope "THE SIZE OF THE MAJORITY," in Pennsylvania and elsewhere, where the ballot-box is really free to legal voters, is *satisfactory* to our Slaveholding brethren who threatened and fumed so terribly under the mistaken impression that we are really bondmen instead of freemen. The "mudsills" and "small fisted farmers" can DOUBLE "the size of the majority" if the causes which induced this *revolution continue to operate.*

☞ John M. Butler has the Certificate of the Return Judges, declaring his election to Congress, but Governor Packer has issued a Proclamation, declaring Wm. E. Lehman elected, (a brother Douglas man.) Here is a conflict—each man with his proof of a right to a seat. It strikes us that this is a new claim which the Governor puts in. We were not aware that our Constitution or Laws give the Governor any power whatever over disputed Congressional elections—that power resting with the Return Judges first, and then with Congress. Suppose Gov. Banks should step in, and on proof satisfactory to him of the frauds perpetrated against Bottingame, declare him elected by Proclamation? A new power, this, must decidedly—a Governor undertaking to overturn the decision of the proper officers! He receives almost if not unqualified condemnation for this unheard-of and dangerous precedent.

THE NEGRO ACT.—In all the counties in Maryland, from which we have received returns, in which the act for the enslavement of free negroes was submitted to the people, the voters have emphatically and signally denounced that unjust and unchristian law. The question has been met and decided without any reference to party politics, and the law is defeated by majorities amounting almost to unanimity. The result is greatly creditable to the counties in which the vote was taken, and honorable to the State at large.—*Baltimore American.*

LEAVENWORTH, Nov. 12.—Complete returns from the Kansas Territorial election for members of the House of Representatives show a large Republican majority.

The Hon. Marcus J. Parrott addressed a large and enthusiastic crowd last evening, assembled in honor of Lincoln's election. The streets were illuminated and salutes fired, and the Wide-Awakes paraded with full ranks.

Byerly, a Judge of Elections in Philadelphia, who was convicted of substituting forged returns of the election in the First Congressional District of Pennsylvania against the Douglas candidate, Mr. William E. Lehman, has been sentenced to two and a half years imprisonment and the payment of a fine of $300.

A special agent of the Government has arrested John A. M'Connell, assistant postmaster at Newry, Blair county, Penna., on a charge of robbing the mail. M'Connell was committed in default of bail to await his trial at the next term of the U. S. District Court for Western Penna.

Hon. Lafayette S. Foster, U. S. Senator for Connecticut, was married on Thursday week, to Miss Martha P. Lyman, of Boston. Ten of the brides brothers and sisters, all married, were present at the ceremony, with their families.

IYRICA, Ind., Nov. 3.—Fox, who murdered Colonel Davenport at Rock Island about fourteen years ago, was arrested here this afternoon.

The Shamokin Furnace has again been put in blast, and is said to be now making from 12 to 14 tons of iron a day.

The Daily Tribune, the morning after Election, sold 72,000 copies.

Curtin's maj. 781. Lincoln 1018 over Fusion.

Lincoln 1057 over all.

The above is the *correct* and *complete* vote for Union county—but not the *official*. Hartleton Borough was rejected by the majority of the Board of Return Judges, for two reasons: 1st. Neither the Judge nor an Inspector of the Election appeared with the Returns, but they were sent in by some one to whom an Election Officer (who was taken sick) entrusted them. 2d. The regular Return paper was not received by the Prothonotary, who had only the Tally paper (itself a complete form of return,) and the List of Voters. No one doubted but it was a true account of the vote polled, although not in form or by the proper person. It was rejected. Old Abe can get along without that 15 majority, but if a Sheriff or Prothonotary depended upon that undoubted vote, the irregularities could somehow be overlooked. As it was, the Commissioners had paid the expenses of the Election Board before their work was pronounced invalid. So nobody suffers, only Hartleton has no share in Father Abraham's Administration! Well, be more careful hereafter—find how Elections should be conducted, and then conform thereto.

—Where all have done so well, it may be delicate to discriminate. But we will remark that Lewisburg, which 20 years ago gave a *tie vote* between Harrison and Van Buren, now gives Lincoln more than 3 to 1 over all—East Buffaloe also 3 to 1 against Fusion—and, Kelly, is 9 to 1! Old Buffaloe and Union are over 2 to 1 on the right side, New Berlin just 2 to 1 over Fusion, and White Deer almost 2 to 1. Old Hartley together gave more than 2 to 1—while Limestone and Mifflinburg have a reliable majority, and West Buffaloe falls but a trifle behind. Let us keep united—circulate well those papers, which speak throughout for the Right, and our county will continue to grow stronger.

THE HUNDREDS.—Union county has six election boxes, adjoining each other, which gave their vote against the swindler Fusion in three figures each—viz.:

South Ward, North Ward,	Lewisburg	159, 144	303
Kelly		126	
White Deer		108	
Buffaloe		107	
East Buffaloe		100	
Total			744 maj.

In these same Districts we circulate about **625** copies of the *Star & Chronicle*, and the N. Y. *Tribune* has about **250** subscribers. Lincoln's vote is 1083 in the six boxes, and Fusion's is 339—over 3 to 1 for Ab.! Who wouldn't love to live (and print) in such an orthodox neighborhood!

The *Phœnixville Guardian* aptly says, in an able article on the late election:

And now, let all who counsel or threaten Disunion "stand from under." The will of the People, fairly expressed, is the fountain of all perfect liberty. That expression has been made, definitely, emphatically, overwhelmingly; and the man who would resist it forcibly, to the detriment of the public weal, let him be Anathema Maranatha—let him die the death of a traitor. Come, then, fellow citizens! Republicans, Democrats, Americans—the battle is over, the Union is safe, and now

"Firm, united, let us be,
Rallying 'round our Liberty;
As a band of brothers joined,
Peace and safety we shall find."

On Monday night a bold robbery was committed in the Eagle Hotel, Milton. The thief entered one of the rear windows of the Hotel, and unbarred the front Hall door so as to make an easy escape in case of being followed. He then went up stairs and tried several rooms, when he came to one occupied by Mr. Joseph Bird, of Shamokin, who unfortunately had neglected locking his door before retiring. A gold watch and about $75 in money, including a safe key and valuable papers, were stolen from Mr. B. After leaving his room, the thief went on the third storey, and entered the room of one of the gas workmen in the employ of Mr. Helme, who in some manner awoke and gave chase after the scoundrel down stairs, but failed of catching him.

On Sunday afternoon, about 2 o'clock, the family of Geo Zimmerman, in Upper Augusta township, about 3½ miles from Sunbury, discovered the entire upstairs of the kitchen attached to their dwelling, to be on fire. The flames originated from the pipe of the cook-stove, which communicated sparks to the roof. Mr. Zimmerman made an attempt to save the contents of his house, and with the assistance of his neighbors he succeeded in getting the furniture out of some of the rooms, but a greater portion of his household goods was consumed with the house. All their clothing except what the family had on their backs was also consumed.

Saturday night week at about 8 o'clock, the Steam Saw Mill, belonging to Follmer & Hollopeter, at Watsontown, was destroyed by fire. It is supposed by those who were earliest at the fire that it was caused by an incendiary. In addition to the mill, a large quantity of shingles, paling and lumber was destroyed—loss about $7,000, insured in the Lycoming for $2,500, and York $2,000. We understand arrangements are being made to rebuild the mill at once.

PROTESTED BILLS.—William Kelly for Governor, William C. Crain for Lieut. Governor, William W. Wright for Canal Commissioner, and William C. Rhodes for State Prison Inspector, have all been protested by the People of New York by some 50,000 majority.

"Heads, I Win: Tails, you Lose."

This is the principle the Slaveocracy acted upon in the National Democratic Convention. If Breckinridge and the Slave Code had the nomination, all well, and the Douglas men and Free States must submit: if not, then the South would "bolt," and break up the Democratic party!

And just so in the Presidential Election. On the 6th of November, South Carolina, Georgia, Alabama, &c., went with New York, Massachusetts, Illinois, &c., into a Presidential Election—thus, virtually and in good faith, agreeing to abide by the decision thus sought under our laws and Constitution. If we had been defeated, they would have required our acquiescence. But, the moment the Slaveocracy found they were not successful with their bolter Breckinridge and the Slave Code, they "bolt" again, and threaten to tear in sunder the Union!

The selfishness and the faithlessness of Slavery, is completely illustrated in these two facts.

The *Richmond* (Va.) *Whig*, which estimates the Disunion bluster at its true value, has the audacity to say:

"We venture to predict that not one in a thousand of the Democratic office-holders in the South will decline to continue in office in the event of Lincoln's election."

The same paper, noticing a recent disturbance among the negroes near Mount Sterling, Kentucky, remarks:

"When we take into consideration the character of the speeches *made by Democrats, daily in the presence of slaves*, it is surprising that this sort are not of frequent occurrence."

DR. WISTAR'S BALSAM OF WILD CHERRY.

Where this article is known it is a work of supererogation to say one word in its favor, as well is it established as an unfailing remedy for *Coughs, Colds, Bronchitis, Croup, Whooping Cough, Asthma, Quinsy, Phthisic, diseases of the Throat, Chest, and Lungs*, as well as that most dreaded of all diseases, *Consumption*, which high medical authority has pronounced to be a curable disease. Those who have used this remedy know its value; those who have not have but to make a single trial to be satisfied that of all others it is the remedy.

From WM. VANGEZER, Esq.

LAWRENCE, Union Co., Pa., May 7, 1860.

This certifies that my wife has been afflicted with Consumption for the last four years, and had become so reduced that she was unable to walk across the room, and a good part of the time unable to be out of bed. She would be seized with violent attacks of coughing, until she would be almost exhausted and helpless. She received the attendance of as good physicians as could be found in the city of Philadelphia and the country, but to no effect. I was at last induced to try Dr. Wistar's Balsam of Wild Cherry, and the effect for the better was truly astonishing. Before she had taken two bottles she felt and appeared almost as well as ever, so much so that it is seldom necessary for her to use any now, except occasionally from having caught cold from exposure, or from sudden and unfavorable change of weather. I have always been opposed to Patent Medicines, and pronounced them humbugs; but I must say that Dr. Wistar's Balsam of Wild Cherry is an exception. I unhesitatingly recommend it to the public as decidedly the best and most efficacious remedy in cases of Consumption. WM. VANGEZER.

☞ *Caution to Purchasers.* The only genuine *Wistar's Balsam* has the *written* signature of "I. BUTTS" and the printed one of the proprietors on the outer wrapper; all other is vile and worthless.

Prepared by SETH W. FOWLE & CO., Boston, and for sale by F. S. Caldwell, and J. Walls & Co., Lewisburg.

DYSPEPSIA.—What is it? how cured? This question is fully answered in the pamphlet issued by DR. O. PHELPS BROWN, and to be obtained of his authorized agents. It is a plain, straightforward, incontrovertible essay, in itself, of life, health, and disease! DR. O. PHELPS BROWN also prepares a remedy which is unexampled in its efficacy. THE ACADIAN BALSAM. In cases of Consumption, Asthma, Bronchitis, Coughs, Colds, and Nervous Debility where death seems the manifest destiny of the sufferer, this world has now no parallel to the efforts produced by the ACADIAN BALSAM. Each organ of the body feels its beneficial influence. From pain and feebleness, the patient springs up to a cheerful enjoyment of life and a powerful sense of solid restoration. The ACADIAN BALSAM is sold at $1 per large bottle by J. BAKER & CO., Lewisburg, Sole Agents, who has also a small number of trial bottles, price 25 cents each, as the proprietor wishes to introduce this remarkable remedy in such a manner as to preclude all doubts of its being a genuine article.

A number of specimen bottles, price 25 cents may be obtained, as above, if speedily applied for.

"Buckeye was again the Victor!

was awarded to the Buckeye Reaper & Mower, over all competitors.

Buckeye was again the Victor!

And so also at nearly all the field trials and exhibitions in 1858, '59 and '60, when it was a competitor. At a number of exhibitions it received the First Premium as a Mower, First Premium as a Reaper and First Premium as a Combined Machine. These numerous awards prove conclusively the correctness of the decision at Syracuse.

The combined opposition of the manufacturers of Mowing and Reaping Machines and their efforts to crush and to bring into disrepute the Buckeye, only served to prove its SUPERIORITY; and the fears they entertained of its final success and triumph were evidences of the real worth and merit of the machine.

The Machine has now passed through four harvests, and during the last three over Nine Thousand have been built and sold—and the farmer may judge of its reputation by the numerous awards made by committees both at field trials and at State and County Exhibitions, as well as from the numerous demands, which the manufacturers have never yet been able to supply.

LINDSEY'S Improved

☞ BLOOD SEARCHER,☜

A STANDARD MEDICINE

For the speedy, radical and effectual cure of ALL diseases arising from IMPURITY OF THE BLOOD!

THIS medicine has wrought the most miraculous cures in desperate cases of

Scrofula,	Cancerous formations,
Cutaneous diseases,	Erysipelas,
Pimples on the face,	Sore Eyes, Scald Head,
Old, stubborn Ulcers,	Rheumatic disorders,
Tetter affections,	Costiveness,
Dyspepsia, Jaundice,	Salt Rheum,
Mercurial diseases,	General debility,
Liver Complaint,	Loss of Appetite,
Low Spirits,	Foul Stomach,
Female Complaints—and all diseases having their origin in an impure state of the Blood.	

The above is a portrait of David M'Creary, of Napier Twp., who on the 31st day of August, 1858, made affidavit before Justice Gorley that he was treated for the cure of CANCER by three physicians of Bedford county, and by Dr. Newton, of the Eclectic College, Cincinnati, for a period of nearly eight months, notwithstanding which *his lip, nose, and a portion of his left cheek were entirely eaten away!* He had given up all hope, when he heard of the "Blood Searcher," and was induced to try it. Four bottles cured him, and (although sadly disfigured) there is no question but this invaluable medicine saved his life. The full particulars of this remarkable case may be seen in a Circular to be had of any of the Agents.

We also refer to a case of Nancy Bleakney, of Elderton, Armstrong Co., Pa., cured of SCROFULA after being unable to get out of bed for three years.

To the case of a lady in Ansonville, Clearfield Co., who was also afflicted with Scrofula in its worst form.

To the case of George Meisel, residing in Carrolltown, Cambria Co., Pa., who was so badly afflicted with Cancer that it eat his entire nose off, and his case was worse, if possible, than M'Creary's.

The particulars of these cases—every one of which was cured by the use of the "Blood Searcher"—may also be found in a Circular to be had of any of the Agents.

REITMEYER again before the People for the **Fall Trade**, with the most extensive assortment of BOOTS and SHOES ever yet offered to this community, which are all fresh from our Eastern Markets, and have been selected with great care, so that he is prepared to offer greater inducements than ever, and having experienced the advantage for the last six months in selling cheap for cash, he has become convinced that it is the only safe rule, for without money it is hard to do a successful business, and there is no other system that will justify a man in selling goods below a regular percentage. He again invites the special attention of all cash buyers, far and near, who would be pleased to favor him with a call, and examine his large stock of BOOTS, SHOES, GAITERS, TRUNKS, CARPET BAGS, MOROCCO SKINS, FRENCH CALF SKINS, &c., &c., from which he will fit you out with anything in his line at prices that are again singing "down, down, down, We still go to Reitmeyer's for cheap Boots & Shoes."

Thankful for past favors from all quarters, he hopes, by strict attention to business and a disposition to please all, to receive a continuance of the same.
