Freedom, national; Slavery, sectional!

Table with columns for State, Complete Returns, and various counts for Adams, Allegheny, Armstrong, etc.

Latest returns look favorable to Bell in Virginia, and to Douglas in Missouri.

120,000 votes polled in California, leave Lincoln 2000 ahead of Douglas, who is far ahead of Breck, and Bell far behind Breck.

From the returns of the Popular Vote throughout the Union, we conclude that Lincoln has nearly Two Million of votes—a handsome plurality over each of the other candidates—Douglas comes next—then Breckridge—next, Bell—Fusion succeeds—Smith follows—and Scattering ends the list. So that

Lincoln beats them all. Douglas beats Breck. Breck beats Bell. Bell beats Fusion. Fusion beats Smith. Smith beats Scattering—and Scattering beats Nobody, (as usual.) Each candidate can "crow" over some other—except that last chap, who has been "run" eighty years, and was never yet elected to any office!

The Republican vote grows handsomely in the Border Slave States: Delaware 1,856 Lincoln, 1,570 Maryland 2,200 " 2,200 Virginia 2,214 " 2,200 Kentucky 2,200 " 2,200 Missouri (Rep. voted) 1,856 " 1,570

Thousands upon thousands more in these States would have voted for Lincoln if they had dared to do so, or believed it of any use. Henceforth, Republicanism must increase in these States—which is the very thing the Nullifiers fear, and therefore they would push on Disunion so as not to give Lincoln a chance to show that he is a fair man.

"At Home"—Lincoln has 12,000 maj over Douglas in Illinois, and 5,000 maj over all his three opponents in that State!

Breckridge, Lane, Douglas, Johnson, and Everett, are all beaten at home—Lincoln, Hamlin, and Bell all carry their own States.

We like to see a man take a fair defeat good-naturedly. Democratic ZIEGLER, of the Sioux City Register, announces the result of the Presidential vote, in big capitals, philosophically, thus: "Old Abe is Tycoon! Let'er Rip! Our "Bosses" don't stand! The Jig is up—"Old Honest" is elected! Let us all—boo-hoo!"

Per contra, RAUCH, of the Mau. Chunk Gazette, feels slightly good, and (amongst some most "original cuts") gives vent to his joy, in Dutch and English, to wit: "Hurrah for Uncle Abe! Pop-bian, Freedom for Ever! Lincoln Elected President! Overwhelming Republican Majorities in the Free North! The Union Saving Hamburg Played Out! Breckridge and Lane Dejected! Douglas nowhere! Pennsylvania the Banner State! Little Carson the Banner Conny! "Old George," We Feast! Had Columbia, happy land! Three cheers for the Red, White and Blue! Yankee Doodle come to town! Virtue, Liberty and Independence! General Washington and the Fourth of July! GLORY! GLORY!! (We hope our friend Ed. will recover in time to start the House at Harrisburg in January.)

The traitors at the South—with the "aid and comfort" of those at the North who are making excuses for their treason—continue their agitation. It has resulted in a great financial pressure in South Carolina, their Bank paper being sent back, and credit often refused, (for who wants to trust those who breathe out repudiation of all compacts?) This may cause some trouble to Northern Banks, who should decline to furnish the sinews of war to those who set themselves up as a foreign people. (See a forcible expose of the question in article from the Tribune.) It is believed President Buchanan will take a true stand upon this "phase of Nullification, in his forthcoming Message to Congress.

Pennsylvania—Complete.

Table with columns for County, Lincoln, Fusion, Douglas, Bell, and Total. Includes Adams, Allegheny, Armstrong, Berks, Bradford, Bucks, Cambria, Carbon, Centre, Chester, Clarion, Clearfield, Columbia, Crawford, Cumberland, Dauphin, Delaware, Elk, Erie, Fayette, Franklin, Fulton, Forest (est.), Greene, Huntingdon, Indiana, Jefferson, Juniata, Lancaster, Lawrence, Lebanon, Lehigh, Luzerne, Lycoming, McKean, Mercer, Mifflin, Monroe, Montgomery, Northampton, Northumberland, Perry, Philadelphia, Pike, Potter, Schuylkill, Somerset, Snyder, Sullivan, Susquehanna, Toga, Union, Venango, Warren, Washington, Wayne, Westmoreland, Wyoming, York.

Lincoln over all 63,527 " Fusion 93,632 " Bell 267,325

Pennsylvania is the Banner State—largest Plurality and largest Majority! Pennsylvania gives Lincoln a larger majority than she gave Old Hickory.

CLOSE CALCULATIONS.—The Lincoln men promised him 10,000 majority in Old ALLEGHENY, and they gave it—Lincoln having 16,725 votes, and Fusion 6,725—10,000 to a fraction!

Union county exceeded the 1000 hoped for. "WILMOT'S DISTRICT" nobly redeemed their pledge for 10,000 majority for LINCOLN, as follows:

Table with columns for County, Lincoln, Fusion, Douglas, Bell, and Total. Includes Bradford, Susquehanna, Tioga.

In 1852—before Douglas & Co. violated the Missouri Compromise—this same District gave Pierce 2,465 maj over SCOTT—a change of 12,708 votes in eight years!

POTTER COUNTY, Pennsylvania, towers up proudly in the Election Returns, giving 1545 votes for Lincoln and Liberty, 521 for Fusion, and 1 for Bell—1,023 maj over all! Pretty good for a county which, even in 1840, gave Harrison only 150 votes, to 363 for Van Buren—then, over 2 to 1 on the wrong side; and now, almost 3 to 1 on the right!

Their whole vote was 543 for President, twenty years since, and has since swelled to 2,067—as great a ratio of gain, if not greater, than exhibited by any other in the State. In the same period, the total population has increased from 3,235 to 11,507—a marked change indeed. Comprising a very large territory of upland extremely well adapted to grazing, with a railway near both its northern and southern borders, Potter is destined to become a rich and populous county. No longer controlled (as formerly alleged) by outlaws and villains, who found its remote wilds a sanctuary from law, it has become one of the most orderly and temperate counties in the State—thanks to every Journalist, MANN, BIRD, & instrumental in its moral, political and physical development and improvement! Keating Tp. in this county, polled but 6 votes, but they were all O. K. Four districts gave Fusion maj. of from 2 to 6 each, and 22 other districts gave Lincoln maj. ranging between 4 and 186.

Foreign News indicate the continued success of Garibaldi in making our confederate Government of Italy.

YOU are hereby notified to get your Exonerations of State and County Tax, by December Court.
