"Brevities."

Potatoes are rotting badly in New York. "All owing to Lincoln's election!"

A damaging flood prevailed in the South of France. "Because the Republicans triumphed in the United States."

Diptheria and other fatal diseases are reported in various parts of the country. "All owing to Old Abe."

"A green bug is devastating the cotton fields of Florida. "Just because Lincoln is elected."

The boiler of a steamboat on the lower Mississippi, burst the other day. Cause—"Lincoln's election," of course.

Senator Douglas was very ill at some place in Mississippi—*unquestionably* "owing to Lincoln's election!"

A large soap and candle factory was burned in St. Louis, the 14th inst. The owners charge it to "sectionalism!"

Democratic editors are making asses of themselves—"because Lincoln is elected"—though the disease was chronic, with some of them, before!

Kansas is in want of food and clothing. No rain has fallen there this season, and crops failed. "All owing to the election of a sectional President."

A farmer in Ohio has a ewe that bro't forth three black lambs the very day after the Presidential election. "We told you it would be so if you elected that long, black, gaunt Lincoln!"

A respectable, wealthy, white woman in Maryland, who did not like her husband, ran away with one of her big black fellows, passing him off as her servant, but was arrested by the Telegraph at Philadelphia, and both sent home. This was the "legitimate fruit of the Black Republican triumph."

A sectional storm along the coast of the Mexican Gulf, did much damage to the shipping, and damaged the cotton. "The hand of the Rail Splitter was distinctly visible in the whole agair."

The small pox is raging with unprecedented violence in some streets of Philadelphia. "'Twould not have been so if Fusion had been elected President."

Many Banks have stopped paying out specie, and many negro-breeders and women-whippers are talking Treason and making themselves liable to the use of the rope that hung John Brown. "Such things were never heard of until the people chose Abraham for their Tycoon!"

To be continued.

A Bad Bargain.

Just before the last election in the State of Wisconsin, it happened that one Col. W., a good Democrat, a farmer, and a candidate for the Legislature, had lost a number of hogs, mysteriously; and after patiently investigating the matter, he at length discovered that they had been stolen by another Democrat, one Joe J., a fellow of some notoriety, and a little political influence, in the neighborhood. The Colonel thought the matter over, and then went to see Joe upon the subject.

"Now Joe," said he, "I could have you indicted, and put in prison, for this; but, seeing as how you are a good Democrat, and for the success of the ticket, and harmony in the party, if you promise you wont steal any more of my hogs, I'll let you off, and what's more, I'll give you a thousand pounds of pork every year."

Joe scratched his head, reflectively, for a moment, and then said: "To tell you the truth, Colonel, I don't like to make the agreement, no-how; but seeing we are both Democrats, and for the sake of the ticket, and harmony in the party, I'll do it; but, darn me, if I don't lose hog's meat by the operation!"

Mr. J. T. Tieman, of New York, attended a Coroner's inquest upon an unknown person, and identified the body as that of his father. He ordered a coffin for it, returned home, and found his father eating his dinner.

Local items are very scarce, also money, rich printers, young ladies that don't want to get married, and ugly babies.

THE ONLY PREPARATION

HAVING PROOFS SO STRONG AND DIRECT

As to Expel the Doubts of All.

STATESMEN, Judges, Editors, Physicians of the oldest schools, as well as new give it their unqualified sanction, and recommend it for all cases of eruptions, and diseases of the scalp and brain; but all who have used it, unite in testifying that it will preserve the hair from being grey, and in failing to any age, as well as restore. Read the following:

OAK GROVE, S. C., June 24, 1859.

PROF. O. J. WOOD: Dear Sir—Your Hair Restorative is rapidly gaining popularity in this community. I have had occasion to lay prejudice aside, and give your Hair Restorative a perfect test.

During the year 1854, I was so unfortunate as to be thrown from my sulkey against a rock near the roadside, from which my head received a most terrible blow, causing a great deal of irritation, which communicated to the brain and external surface of the head, from the effects of which my hair was finally destroyed over the entire surface of the head. From the time I first discovered its dropping, however, up to the time of its total disappearance, I employed everything I could think of, being a professional man myself, and, as I thought, understanding the nature of the disease, but was finally defeated in every prescription attempted.

These and no other circumstances induced me to resort to your worthy Hair Restorative, which I have every reason to believe, promised a very happy result: two months after the first application, I had as beautiful a head of young hair as I ever saw, for which I certainly owe you my most sincere thanks. Rest assured, dear sir, I shall recommend your remedy to all inquirers; moreover, I shall use my influence, which I flatter myself to say, is not a little.

You can publish this if you think proper.

Yours, very respectfully, M. J. WRIGHT, M.D.

OFFICE OF JAYNESVILLE, PARTHIA, Va., Dec 12, '58.

DEAR SIR: I feel it my duty as well as my pleasure, to state to you the following circumstance, which you can use as you think proper. A gentleman of this place, (a lawyer,) has been bald ever since his early youth; so much so, that he was compelled to wear a wig. He was induced to use a bottle of your "Hair Restorative" which he likes very much; and after using some two or three bottles his hair grew out quite luxuriantly, and he now has a handsome head of hair. The gentleman's name is Bradford, and as he is very well known in our adjoining counties, many persons can testify to the truth of this statement; I give it to you at the request of Mr. Bradford. You can sell a great deal of your Hair Restorative in this and the adjoining counties if you have the proper agents. Yours, &c.,

THOMPSON SURGHNOR.

DR. WOOD—Dear Sir: Permit me to express the obligations I am under for the extra restoration of my hair to its original colors about the time of my arrival in the United States, it was rapidly becoming grey, but upon the application of your "Hair Restorative" it soon recovered its original hue. I consider your Restorative a very wonderful invention, quite efficacious as well as agreeable. S. THALBERG.

The Restorative is put up in bottles of three sizes, viz large, medium, and small; the small holds ½ a pint, and retails for one dollar per bottle; the medium holds at least 20 per cent. more in proportion than the small, retails for two dollars per bottle; the large holds a quart, 40 per cent more in proportion, and retails for $3.

DR. O. PHELPS BROWN'S ACACIAN BALSAM

FOR THE PERMANENT CURE OF CONSUMPTION, BRONCHITIS, ASTHMA, COUGHS, COLDS, GENERAL DEBILITY, &C.

THIS remedy is offered as affording a means of speedy cure for the large number that die annually in our land of that foul scourge, Consumption, to which, unfortunately, so many predisposing causes exist. Youth and age are alike subject to its ravages.

EVERY PERSON

on name one or more of his acquaintances who is each year to some form of lung or throat complaint, which if not attended to in season, inevitably consigns the sufferer to a premature grave. To such, help is at hand! Here will find themselves of it, and hope—nellie last danger of brighter days—may be awakened without fear of chilling disappointment. Dr. O. PHELPS BROWN'S ACACIAN BALSAM does just what is claimed for it, and may be relied upon by the sick as being the most successful in curing lung and throat disorders, of any remedy known at the present day. The many pleasing testimonials of thousands justifies the appreciation of those who have reason to fear its approach, either from constitutional or hereditary tendencies.

While the discoverer of this remedy does not believe that people should be constantly doing themselves with medicines

TO PREVENT SICKNESS,

there are many cases where disease is too long allowed to remain unchecked in the system, and a slight cough, regarded at first as simply an annoyance, ceases with the life of the patient. An impure state of the blood through debilitation of the lungs, fills the system with morbid humor, and pulmonic ulcerations forble or more lay ated to a feverish infinity—the heart, liver and kidneys, separately performing functions of vital necessity to our well being, are impeded in their regular action—the digestive organs falter in their task, and refuse to perform the process of separating the nutritious elements from food, and the whole mental being is well nigh ready to sink under the burden of life. The patient so ailicted, accounts his case a combination of disorders, and often refuses to resort to medication, from his thorough disbelief in any prospect of cure. To such

TASK THE TRIAL

of the ACACIAN BALSAM, as thoroughly worthy the confidence of all. Every symptom of consumption is surely and permanently eradicated by its use. Its effects are none other but strengthening and renovating to the entire system. Bronchitis, Coughs, Colds, and General Debility are effectually cured by its use. Night Sweats, Loss of Flesh, and Wasting away of the Muscles, Loss of Appetite, Soreness of the Throat, Chest, and Lungs, Liver Complaint, Palpitation of the Heart, Difficulty of Breathing—all these affections disappear in an incredible short time after using Dr. O. Phelps Brown's Acacian Balsam.

It nourishes and strengthens the patient who is too much reduced to partake of ordinary food. It heals all internal sores, tubercles and inflammation. It strengthens, braces, and revitalizes the brain, and is without a rival as a tonic, supplying electricity or magnetic force to every part of the enfeebled and prostrate body. It needs no lengthy trial to convince any that the Acacian Balsam is truly the greatest remedy of the day, as its beneficial qualities are fully apparent in eight and forty hours after trial.

Let the invalid then, no longer delay, but make the trial, and the result will surely be of the most gratifying character.

The Acacian Balsam is prepared with the greatest care, and the best materials. No pains or expense are spared to make it what it is—the best known remedy of the age. It may be taken by either sex, of all ages, and at all seasons, with perfect safety; and it is none the less powerful in conquering those diseases which sap the foundation and bereave the lives of so many in our midst. Every family should have it, and regard it as a household treasure.
