The ty, where the labor of the slave has long People of Maryland, pardon, I pray you pardon, a faithful son, and none the less sets of candidates were presented by it. in a year or two, of necessity, cease to be lier allegiance to his country, if he has The Republican party made its nomina- slave owners? And what would be your ventured in this address beyond the modtions also. It stood as a unit, while its condition, as a free State, in alliance with est proprieties of his humble station. If he dared hope that any word of his would give fresh resolution to any loyal American heart, or revive in fresher colors that leave the answer to your caim and deliber- true strength of a country-the patriotio at the close of the contest. What, then, must be the surprise and ate judgment. What, then, must be the surprise and There is another matter I feel bound to him now; and if it prove true, would be to him a blessing and s consolation to the state to you-although I doit with the deep- to him a blessing and a consolation to the est regret. I have the strongest conviction latest moment of his life.

WILLIAM H. COLLINS. Baltimore, Dec. 20, 1860.

INCIDENT OF TRADE .- The Newsrk (N. J.) Mercury parrate the following :

A Southern dealer visited a carriage terrible traffic. This, they well know, manufactory in Rahway some time since, would never be agreed to by North Caro- with a view of purchasing a lot of carrisor Douglas. It seems she preferred the nessee and Missouri. I repeat, they well chanced to observe shother factory across know that the re opening of the slave trade the way, and remarked that he would step would be resisted to the last extremity by across and take a look at its stock. "But, the Grain-growing States I have named. said the manufacturer, (a Democrat, of The dreams of the Seceders of the Cotton course.) "that is a Black Republican States look to far richer acquisitions and house." "Indeed," said the customer; associations, to be formed out of the prov. then, after a pause, "well, it wont do any inces of Mexico and Central America, and barm to look ;" and with that, passing perchance of some of the West India Is. over to the rival establishment, he inspeclands, to be cultivated by hundreds of ted the stock, finding out very soon that thousands of freshly and energy imported he could buy more cheaply than at the

slaves from the coast of Africa. The first place visited. He expressed his sat-Grain-growing States of the South would isfaction, but, turning to the proprietor, be more valuable to them as a friendly inquired, "What is your politics barrier against the North, as Mr. Yancey reply was prompt : "We sell carriages, has frankly admitted in his famous letter sir, not principles." "Well," said the to Slaughter. This is the true service to Southerner, "that is plain and square, as be rendered by the Grain-growing States any rate." He at once ordered a the despotism of a pro-slavery Adminis-ons to Secretary Case. The letter over-and a deficient revenue. These are the South into which you are supposed to have yond this, the Cotton States have interests dollars, and went away perfectly satisfied. and plans meensistent with their union with Honesty and mapliness are not always Look at the map of your State-you will you-unless you submit to terms distated | detrimental, even to men in Southern
