Lewisburg, Pa.

FRIDAY MORNING, MAR. 1, 1861.

A DVERTISE.—Manufacturers, Merchants, Mechanics and Professional men in City and Country, Publishers—all those who have any thing to sell—should do well to employ the columns of the Lewisburg Chronicle, which has a large and increasing circulation in a community containing a large proportion of active, solvent producers, consumers and dealers, as any in the State.

☞See New Advertisements.

☞Tuesday, March 12—Auction on John Zellers' Farm (G. Klingler's) in East Buffalo Tp.

☞Persons desiring to subscribe for Pamphlet Laws for 1861, can do so by calling on R. H. Laird, at Lewisburg.

☞A new invention—Isinglass Globes for Lamps—advertised in our columns, is for sale at Schiffl's and Harris & Duncan's.

☞We hear of more chicken-stealing in town, and would suggest to persons buying to be sure they know what they buy!

☞"Veni Amici," and a dozen other anonymous correspondents, are again informed, for the 999th time, that they must send their names with their articles before they can be published.

☞It is calculated that there are Sixty Millions of Dollars, now due from the South to the North, and withheld, thus causing Northern merchants &c., to suffer and in many cases to break.

☞John A. Geist, Engineer of the "Crusader," after a week's visit at home, (following eighteen months' absence,) yesterday morning returned for New York to begin, which is still in commission. He will give our readers such news as come under his observation.

☞Notwithstanding the Democracy of Union county recently approved the "peace" of the Peace Convention a week ago Monday, yet, at last accounts, said Convention had not agreed upon anything—much less had they made any "Report" whatever!

☞With far more money and provisions in the U.S. than at any former period, whence do we say that any financial or other present difficulties are simply the result of a politicians' panic—tyrants, defeated at the ballot-box, now threaten to Rule or Ruin!

☞The Democracy "re-constructed the Union on Democratic principles" last week at Harrisburg, by a dull and uninfluential Convention, which adopted the usual servile resolutions of that party, and appointed 30 or 40 men to take them on to Washington—where they are only lost in the fog!

☞Probably the 22d of February was never so generally observed as this year. Even the Secessionists did not quite forget it, while the Unionists in all quarters made it specially memorable. At home, the only public demonstration was a turn out of the Valiant Fire Company, with music, and their engine decorated and newly painted.

☞Two grey-headed old Jurors in attendance last week, told us they had never been before a County Court as Plaintiff or Defendant—yet each had paid hundreds of dollars in taxes to support the Court. How would it do to enroll a list of exempts from County taxation, composed of all men and women who had paid taxes for say forty or fifty years without ever having a suit in Court? Would it not work well?

☞About dusk, last Saturday evening, a young couple were riding over the Canal Bridge at David Marr's, near Milton, when the horse became choked by a too-tight throat-latch, and fell against the railing of the Bridge. The railing giving way, the buggy was precipitated, with its occupants, about twenty feet, to the bottom of the Canal, which was covered with mud and ice, fracturing the lady somewhat, and wrecking the buggy, but the young man, (from Lewisburg,) happily escaping any damage. The horse fell to the tow-path, and arose uninjured. It was truly a wonderful escape.

☞We see the *Argus* styles Wendell Phillips, "the great leader of the Republican party in Massachusetts." It is generally known—we supposed all intelligent men knew—that Wendell is an ultra Garrisonian Abolitionist—not a Republican, but a hater and denouncer of Republican men and Republican measures. Is it not time that the circulation of such falsehoods should stop? We had hoped the new Editors of the Argus would abstain from a course which sinks the dignity and detracts from the influence of the Press. The people generally know better, and the hoodwinking of a few fools with such notorious falsehoods will not make up for the number—much less for the influence—of the honest men who are thereby repelled.

☞The passage of the Tariff Bill will be hailed with joy. It is not all that its friends desired, but is for specific duties, increases the rates on iron, and is a decided movement in the right direction, much preferable to waiting until another Congress, which may not be as friendly as the present. The Senate put a small duty on tea and coffee, which the House struck out. The New York city influence was so strong that the Senate insisted upon retaining the warehousing feature, which is detrimental to our true interests. From first to last, the passage of this improved Tariff has been resisted by the Slaveocracy en masse, and by almost the entire Democracy! The arranging of the details was very difficult, and caused the loss of three Republican votes in the House—but every Republican Senator voted for the bill on its final passage. Which is the Tariff party?

County Court (concluded.)—In Ejectment case, Eason vs Begentreiss, Jury found for Defts.

T Church & Co. vs Wm H Kleckner, Replevin for wagon. Verdict, $72 42 for Plff.

Lanson Burrows vs Chs D Mowrer, Ejectment. Verdict for Plff.

Com'th vs Levi Herbst, indicted as Street Commissioner of Lewisburg for not keeping certain highways in repair. It appearing he had not been directed by the Town Council to make the particular repairs desired, Jury found for Defi—the County for costs.

Peter Berry was sentenced to pay the usual costs, nominal fine, and 50 cents per week for the child for seven years—and in default of bail was committed.

—An Argument Court was appointed for Tuesday, 12th March.

Union and Lycoming.—The Williamsport *Democrat* asks the CHRONICLE to "explain" whether Mr. Armstrong would not naturally be better fitted to represent the people of Brady township, his own county, than Members from other parts of the State would be! It may so seem, as a general rule—and yet Mr. A. is a young man, whose time was studiously employed at home, and whose well improved opportunities for travel make him perhaps as well acquainted with portions of the Old World as of his own District, which he will hereafter more study and comprehend. As a matter of *fact* in this particular case, Mr. Hayes of Union, Mr. Huhn of Schulkill, Bisel, Gordon, Duncan, and others, more truly represent that Township than a nominal Member who tramples upon their petition and thwarts their interest as far as he can. This is proven by their written requests, recorded for three years in succession—by their votes, the 15th ult.—and by the fact that their lifetime neighbor, Mr. Hayes, *is by themselves selected as their organ* in the Legislature.—And in reply we ask if the people of Brady do not probably *know their own wants and interests* better than any gentleman in Williamsport!

The Democrat attempts to alarm the people of that Township by assuming that smaller counties are comparatively more burdensome than larger. That depends upon so many considerations, that no absolute decision can be arrived at. We know of no small counties that desire to be receded, while many larger counties are constantly seeking to be (and are being) divided. In the point at issue, we will make the comparisons between Lycoming and Union, demanded by the argument.

Population of Lycoming, 1860	37,369
do Union do	14,340
More in Lycoming by	23,029
Lycoming has over 2½ to Union 1.	
State Tax of Lycoming, 1861	$11,492
do Union do	2 492
Excess of Lycoming only	$2,000
Lycoming $11 to Union $9. Lycoming 30½ and Union 66 cts per head.	
COUNTY EXPENSES Lycoming, Statement '61,	$25,005
Deduct as pd on ave Court House	21,000
Leaves for ordinary expenditures	$4,005
COUNTY EXPENSES Union, Statement 1861	$3,119
More in Lycoming by	$1,886

Lycoming almost $1 to Union $1 for County purposes. Lycoming 80 and Union 56 cents per head.

By this *general* comparison, it seems to be about one-fourth most onerous in County Taxes (in proportion to population) in Lycoming. We give some *specimens* of superior economy in the smaller organization:

	Lycoming	Union	Difference
Election expenses	$2,712	$704	$1,008
Jurors	2,007	1,257	750
State costs	1,283	152	1,131
Sheriff (in part)	1,264	305	959
Commissioners and Clk	1,234	672	562
District Attorney	425	82	343
County Counsel	157	25	132
Assessors and Auditors	308	134	174
Penitentiary	522	101	421
Stationery	189	63	126
Printing	362	123	239

Roads and road damages, Bridges, &c., vary from year to year. But in these and all other incidental expenses, (leaving out the $50,000 or $60,000 Lycoming Court House to be paid for, for which "bonds" are issued in part payment) the larger, broken, new territory included in Lycoming, with her transient, partly alien, and growing population, will in all probability continue to be more expensive than the small, settled, stable, homogeneous, and gradually improving county of Union. Williamsport itself will soon be as expensive to Lycoming, as our whole county is to itself.

There may be some discrepancies in stating accounts, by the Commissioners and Auditors—as there are some unusual expenditures this year—in both counties. Allow one fourth margin for errors, and all of them to favor Lycoming, still it would only put the counties upon an equal footing. But then *the ability to pay* is largest with Union, which is rated at $3,749,907. State valuation, and Lycoming at only $1,563,763—not one fifth more than Union. For County purposes, it is rumored that Lycoming may this year levy *Six Mills on the Dollar*, while Union is only *Two Mills on the Dollar*—a vast difference indeed!

Most of the time, the Lewisburg Jail is tenantless. Last regular Court there was not a bill before the Grand Jury. With an active, self-reliant Judge, we might (as in Juniata, Montour, &c.) get along with four weeks of Court in a year. But in Lycoming, even under as good a Judge as Jordan, such is the pressure of litigation that they are seeking to be made a separate Judicial District, when they might have Court perhaps half the time—thus doubling or trebling all the County costs in that direction.

The Democrat styles Union county "only a decent calf-patch," and intimates that the re-annexation of Brady is all the work of a few men in Lewisburg. We let both these compliments pass at their full value—only considering their interested origin. There has not, to our knowledge, been a borer or a petition sent to Harrisburg from Lewisburg—which is what Williamsport can by no means say. The project, as far as we know and believe, is wholly the conception and work of the honest and intelligent citizens of that township, who know their rights and interests quite as well as anybody in Williamsport, or Lewisburg, and who will secure them. Better let them come, neighbor. You do not win any good will by your attempted tyranny over them. You will not feel their absence as much as we will their presence, and "the greatest good of the greatest number concerned," is the true Democratic doctrine—the golden political rule. "Compromise," then, and Huzza for "the Union!"

PUZZLE.

A boy on his way to school bought some lozenges. At recess, he showed them to his schoolmates, intending to give them some, but three of them got hold and robbed him of nearly all. The first boy took half the lozenges, but returned five. The second then took half of what he had left, and returned five. The third boy took two thirds of the remainder, and returned one. The poor little fellow had only six left. How many had he at first?

WISTAR'S BALSAM OF WILD CHERRY.

For the cure of Coughs, Colds, Hoarseness, Asthma, Influenza, Croup, Whooping Cough, Bronchitis, Pulmonic Affections, &c., &c.

This great remedy is too well known and is performing too much good to make it necessary to point to an elaborate dissemination of merits. Suffice it to say that it still maintains its supremacy in curing diseases of the most obstinate character, and that all who suffer from the above complaints, after having tested this remedy, need not have occasion to resort to other appliances to insure a perfect restoration to health.

FROM MR. DAVID SLIFER.

LEWISBURG, Pa., May 7, 1859.

SETH W. FOWLE & Co.—Gentlemen: I have used Dr. WISTAR'S BALSAM OF WILD CHERRY, and believe it to be an excellent remedy for coughs, colds, and inflammations of the lungs, and I recommend it most cheerfully.

DAVID SLIFER.

FROM MR. J. SCOTT.

LEWISBURG, Pa., May 7, 1859.

Messrs. SETH W. FOWLE & Co.—Gentlemen: I have used your valuable medicine, Dr. WISTAR'S BALSAM OF WILD CHERRY, for coughs, colds, and throat and lung complaints, and have found it an excellent remedy in my own case. I have also used it in my family with the happiest results. J. SCOTT.

FROM JESSE SMITH, ESQ.,

President of the Mifflin county Bank, and who is well known and much esteemed throughout New Jersey.

SMITHVILLE, Burlington Co., N. J., Jan. 9, 1860.

Messrs. SETH W. FOWLE & Co.—Dear Sirs: Having used Dr. Wistar's Balsam of Wild Cherry for about fifteen years, and having realized its beneficial results in my family, it affords me great pleasure in recommending it to the public as a valuable remedy in cases of worn coughs, colds, croups, &c., and a remedy which I consider to be entirely innocent, and may be taken with perfect safety by the most delicate in health.

Yours, very respectfully, JESSE SMITH.

☞Caution to Purchasers. The only genuine Wistar's Balsam has the written signature of "I. BUTTS" and the printed one of the proprietors on the outer wrapper; all others to vile and worthless.

Prepared by SETH W. FOWLE & CO., Boston, and for sale by Harris & Duncan, and J. Wells & Co., Lewisburg.

A FEW TRUTHS FOR SICK PEOPLE.—It is a fact, well evident, wherever tried, that DR. O. CHASE'S BLOOD & LIVER PILLS are gaining more favor than any remedy hitherto known, in curing all cases of Consumption, Bronchitis, Asthma, Coughs, Colds, and General Debility. It is a purely vegetable and simple pill both in its ingredients and operation. Under the operation of these pills the poisonous matter in the blood is carried off, and the system left pure and healthy. The peculiar properties of the ACTIVE PRINCIPLE are varied and admirable. It has a peculiar action on the liver. It does not operate as a mercurial emetic; but yet subdues the jaundice with positive certainty. Under the mercurial. It is plain and predictable. It soothes and gently stimulates. It gives vigor and strength to every weakened part. It imparts, to be brief, an electric influence to the system, already assimilated to its nature, and by this means excites, not only the lungs, but the nerves, the heart, the brain, the stomach, and the liver. It supplies them directly with that vital force, which is necessary to throw off diseases, and the patient, unknowingly, soon finds himself growing strong, healthy, ruddy and thoroughly well.

DR. O. CHASE'S BLOOD & LIVER PILLS price $2 per large bottle may be obtained of J. BAKER & CO., Lewisburg, Sole Agents, who has also a number of specimen bottles, price 25 cents, that all may have the opportunity to test.

COMMENDATIONS.

From Hon. Lewis D. Campbell, M. C., Ohio.

My family and friends all concur in the opinion that the (Newell) Picture is more like than any thing that ever took. My children look at it, delighted. Taken by different Artists in various ways, but I have never yet had one which presents so true to nature, all the features and expressions of countenance as does.

From Hon. E. Joy Morris, late Minister to Italy.

The exquisite finish, beauty and softness of your portraits, combined with their durability of color and faithfulness as likenesses, can not fail to commend them to the attention and patronage of all who appreciate true art.

From Col. James Page.

Having occasion for a portrait, I procured one from Mr. Robert Newell, of the city of Philadelphia, a gentleman in the Oil Colors, under the most favorable circumstances and take great pleasure in expressing the satisfaction given me, not only by the accuracy of the likeness, but its artistic touch in all respects, and recommend him to the patronage of those disposed to encourage the beautiful art. 8-2m6 JAMES PAGE.

REITMEYER again before the People for the Fall Trade, with the most extensive assortment of BOOTS and SHOES ever yet offered to this community, which are all fresh from our Eastern Markets, and have been selected with great care, so that he is prepared to offer greater inducements than ever, and having experienced the advantage for the last six months in selling cheap for cash, he has become convinced that it is the only safe rule, for without money it is found impossible to do much now, and there is no other means by which we possibly can sell goods below a regular profit. He again invites the special attention of his old friends, far and near, who would be pleased to have him call, and examine the large stock of Boots & Shoes, GAITERS, TASSELS, GAITER BOOTS, Morocco and Kip, FRENCH CALF SKINS, &c. &c., from which he will fit you out with anything to his taste, at as low a figure as any one in the town. Whether you go to Reitmeyer's for cheap Boots or Shoes?

Thankful for past favors from all quarters, he hopes by strict attention to business, and a desire to please all, to receive a continuance of the same.
