# Lewisburg, Pa.

FRIDAY MORNING, APRIL 19, 1861.

ADVERTISE—Manufacturers, Merchants, Mechanics and Public Officers in City and Country. Public Sales—all who wish to buy or sell—would do well to consider the columns of the *Lewisburg Chronicle*, which has a large and increasing circulation in a community containing a large proportion of active, solvent producers, consumers and dealers, as any in the State.

**S.W. Snodgrass,** Millinburg, offers for sale two superior Horses, Wagons and Harness. (See handbills.)

**A. Ammons** will buy Peach Stones.

**Ritter & Lindig,** superior workmen, advertise their Marble Works, at RITTER'S old stand.

**Charles Ruhl** notifies the Pennsylvania Troop to meet at Hartleton.

**John B. Miller,** the stand by Tailor, advertises the Spring Styles.

**Solomon Ritter** records his Agency for the Insurance Company at Muncy.

**A Caution** is given gratuitously by Beaver & Kremer.

**Sheriff Crossgrove** advertizes several additional Sales.

**New Goods** by Kremer, M'Clure & Co.

☞We clip the following compliments to our new Postmaster from neighboring journals who know him well:

Good—We learn with pleasure that our former townsman, Capt. Geo. W. Forrest, has been appointed Post Master at Lewisburg. He will be a faithful and popular officer. His numerous friends here are rejoicing over his success.—*Juniata American.*

Captain G. W. Forrest has been appointed Post Master at Lewisburg. This is considered a good appointment, by all except the defeated candidates and their friends. We congratulate the Captain on his success.—*Miltonian.*

We learn that Capt. G. W. Forrest has been appointed Post Master at Lewisburg, Union Co. This is an an excellent selection. The Captain is a No. 1 man, and we are quite sure will render general satisfaction.—*Middleburg Tribune.*

[Per contra, the *Argus* and *Press* don't approve the appointment, and are trying to make a little capital out of it.]

### Boat Building in Lewisburg.---

About 1847, Messrs. Frick & Sitler commenced repairing boats on a very small scale, just over the river from town. Being prospered, they removed to the mouth of Buffalo Creek, on this side, made suitable wharves, &c., and under the firm-names of Frick & Sitler, Frick, Sitler & Co., and Wm. Frick & Co., obtained large contracts for boat building, causing the disbursement of many tens of thousands yearly, until the last Company was dissolved, last summer. The new firm (Messrs. Henry Frick, Philip Billmeyer & Co.) we see have begun business, again, by repairing and building—and we wish them entire success in their enterprise. We find in the *Argus* the annexed detailed account of their first efforts in this line:

FRICK, BILLMEYER & Co., boat builders and lumber merchants of this place, went before last launched and sent down the river the two first boats built by them since the organization of the firm in July last. They were built for the Pennsylvania Coal Company, and are to be delivered in New York by the middle of May. They are each 14 feet beam, and 90 feet long, with a capacity to carry 120 tons, and have been pronounced by competent judges to be the best boats of the kind ever built in Lewisburg. The firm have on the stocks another large boat, for the same destination, of the following dimensions—17½ feet beam, 100 feet long, with a capacity to carry 200 tons. It is being built in the best possible manner. These boats are a credit to the firm, and doubtless will be the means of extending their business. We also learn that they have cut 2½ millions feet of lumber since the first of July last.

☞Lewis K. Evans, of the *Republican* (late of the University at Lewisburg,) is appointed P. M. at Waynesburg, Green Co. Pa.....Wm. H. Buckhouse, another of our graduates, is doing a good business in the line of the Medical profession, at Georgetown, North'd Co.....M. A. S. Walls, M. D., of Lewisburg, has settled at M'Kees' in the practice of Medicine.....Thos. J. Galbraith, Esq., is appointed Sioux Agent at Yellow Medicine, Minn., and Stephen Miller, Esq., Receiver at St Cloud—both, late from Penn'a.....Sam'l E. Harris, (Rep., late of this place) has 295 maj. as Supervisor of Freeport, Ill.

☞The city of Chicago, at the present time, it is said, contains within a fraction of Forty Million Bushels of Grain...And the city of New York has Forty Millions of Dollars in Specie laying idle...With so much bread, and so much money, why should there be any suffering on a general scale—why indeed, but for the attempts of the Slave Oligarchy to trample all Government under foot!

☞While Lincoln's neighbors in Springfield, Ill., were selling and giving grain to feed needy people in *Mississippi*, *Jeff Davis*, of *Mississippi*, was refusing bread to Maj. Anderson and his men in Sumter, and preparing engines of death for the latter!....O, but "modern chivalry" is a contemptible thing.

☞The Nesbit farm of 50 acres was sold last Saturday by the Sheriff to John S. Schrack for $7,602—$50.68 per acre. Fichthorn's, of 60 acres, brought $4,405—$73.41 per acre. Very good prices for large tracts of land at vendue—but good lands, lying near town.

☞The Lewistown *Democrat* states that the Post Office in that place was offered to George Frysinger, the old line Whig and Republican editor of the *Gazette* who declined it for private reasons. It takes Editors to be patriotic!

☞Rev. Mr. Long, agent of the Philad. Union Sunday schools, spoke in the Presb. Ch. in Lewisburg last Sunday afternoon... Rev. Mr. Furey held Protestant Episcopal service, at the same time, in Independent Hall.

☞Ex-Gov. Pollock and Senator Gregg, who have been on the sick list, are recovering their health.

☞Rafts are moving on the West Branch, this week...Cold, rainy weather.

☞Read 2d column, 1st page.

T. Hood M'Cormick, Esq., has been appointed to a Second Lieutenancy in the United States Army, Cavalry service.

Late accounts report Fort Pickens as reinforced, and the port of Charleston blockaded.

The combined vote of the Union candidates for Mayor, at the recent municipal election in Louisville, Kentucky, was 5,650—the other candidates, "Southern Rights," "Independent," and "Ultra Secession," polled 742. A maj. of 5,000 out of 6,500 votes, will do.

The wife of Jeff. Davis invites her friends to call on her at the White House in Washington, in about two months hence. She of course gets her impressions from Davis and his confederates.

M'Dougal is elected U. S. Senator from California—certain—having 77 votes, it being the full Republican and most of the Douglas strength. We believe he is claimed mostly as a Union man.

Gen. M'Culloch has been ordered to take charge of the Pacific Division of the U. S. Army immediately. He supersedes Col. Johnson, against whom rumors of a most extraordinary character have reached the Administration.

Accounts from New Mexico indicate that the Union sentiment is uppermost. A portion of Arizona—including "Sheriff Jones," of Kansas infamy—has "seceded."

The imports at New York last week, under the new tariff bill, exceed the corresponding week of last year more than a million of dollars.

The Great Eastern leaves England on the first of next month for a second trip to New York, to return on the 24th of May.

Col. Lamon (former law partner of the President) is appointed Marshal of the District of Columbia.

### Starting of our Soldiers.

We stop the press to give our home subscribers some account of the exit of EIGHTY OR NINETY citizens of Union county to defend their country's honor and the rights of humanity. They rendezvoused at their temporary Armory in Chamberlin's Block, at an early hour, and—preceded by the Republican and the Democratic flags of the last campaign side by side—proceeded about 8½ A. M. to the Railway Depot on foot. Intelligence received last evening from Harrisburg, that they would have to fight their way through Baltimore, led to the securing, during the night, at Mifflinburg and at Hartleton, by the active and energetic advice and persuasion of Maj. Simonton and Capt. Forrest—63 minnie rifled muskets, adapted to modern warfare, belonging to the Companies in that vicinity. About 1500 men, women, and children were assembled at the Depot, where Rev. Thomas M. Reese, (of the M. E. church, a native of Maryland) on invitation addressed the military and the citizens in most eloquent, manly and patriotic terms. We wish we could give it in detail. It was well received, and enthusiastic cheers given for the Speaker, for the flags, acting Capt. M'Daniel, for Capt. Forrest of the citizens, &c. &c. Mustering in line, awaiting for the arrival of the cars, we noticed the Volunteers composed men of every profession, trade, and party—the flower of the youth and the young married men of Lewisburg and vicinity conspicuous—and many hardy sons of toil whose grip is strong and whose heart is right.

On the approach of the train, about ten o'clock, acting Lieut. J. Wesley Chamberlin, on behalf of the Company, called for and gave stout, hearty cheers for "The Ladies of Lewisburg—our sweethearts—our wives, and our daughters." They at once departed amid the waving of hats and handkerchiefs from men and women—and many a stern as well as gentle eye was wet with tears, and many throats choked with emotion—in view of the possible or perhaps probable dangers our friends and defenders may encounter. There is good material in that Company—"God send them success, and a safe deliverance!"

☞A report was brought from Harrisburg, last night, that Virginia had seceded and the John Brown No. 2's had taken Harper's Ferry. The Danville operator says to-day, *the report is contradicted.*

SUNBURY.—James Cameron's despatch rec'd this morning says Virginia has gone and has taken Harper's Ferry—troops got through Balto. with difficulty—may have to go by sea to Washington.

A deplorable example of the demoralization of the public mind in the South has recently come to light. In his hastily opening one of the mail bags from Virginia, a small box was thrown upon the floor and broken, from which escaped two venomous snakes. It was addressed to the President of the United States, and but for this accident probably would have been sent to him and opened according to the design of the cowardly wretches who conceived this infamous plot. Being free, there was no post-mark by which it might be traced.

Developements are made which prove that the designs upon Cuba, under Buchanan's Administration, had reference to the then hatching treason of the Gulf States. They intended to saddle the Government with a new debt of one hundred millions, and then secede! Buchanan himself was either a party to this treason, or the dupe of Davis, Cobb, Toombs, &c.

PROVIDENCE, April 13.—Gov. Sprague, of Rhode Island, has tendered to the Government the service of the Marine Artillery and 1000 infantry, and offers to accompany them himself. The offer was accepted. [This is the Gov. Sprague who was claimed by the Secessionists! The land of Roger Williams, of Nathaniel Greene, and of Oliver Hazard Perry, never was a Tory State.]

A few years ago, Democrats were loudest in praise of the Germans, Irish, &c., who now number hundreds of thousands in this country, and are mostly Union men and Republicans. The same so-called Democracy now abuse the Administration for appointing a few adopted citizens like Carl Schurz to good offices.

The deceased was during the earlier part of his life, a partner of the firm of M'Carty & Davis, an extensive Book and Publishing house in Philad. In 1842, he published, in three volumes, a collection of American Patriotic Songs—and about 1850, issued a Prospectus for a History of old Northumberland county, which we suppose he never finished, but for which he doubtless made some collections. He possessed a well-stored mind, acquired by extensive reading and observation—his private library being probably one of the largest and most valuable in this region. His illness was lingering and protracted, having suffered the past four years from paralysis, which rendered him a helpless invalid, but was well cared for by a devoted family, and buried with Masonic honors.
