Wolfe's Pure Scotch and Irish Whiskey

ALL IN BOTTLES.—I beg leave to call the attention of the citizens of the U. S. to the above WINES and LIQUORS, imported by UDOLPHO WOLFE of New York, whose name is familiar in every part of this country for the purity of his celebrated SCHIEDAM SCHNAPPS. Mr. Wolfe, in his letter to me, speaking of the purity of his Wines and Liquors, says:

"I will stake my reputation as a man, my standing as a merchant of over thirty years' residence in the City of New York, that all the Brandy and Wines which I bottle are pure as imported, and of the best quality, and can be relied upon by every purchaser."

Every bottle has the Proprietor's name on the wax and a fac-simile of his signature on the certificate. The public are respectfully invited to call and examine for themselves. For sale at RETAIL by all Apothecaries and Grocers in Philadelphia.

[Read the following from the N. Y. *Courier*:]

ENORMOUS BUSINESS FOR ONE NEW YORK MERCHANT.—We are happy to inform our fellow-citizens that there is one place in our city where the physician, apothecary, and country merchant, can go and purchase pure Wines and Liquors, as pure as imported, and of the best quality. We do not intend to give an elaborate description of this merchant's extensive business, although it will well repay any stranger or citizen to visit Udolpho Wolfe's extensive warehouses, Nos. 18, 20 and 22, Beaver St., and 17, 19 and 21, Marketfield St. His stock of schnapps on hand ready for shipment could not have been less than 30,000 cases; the Brandy, some 10,000 cases—Vintages of 1856 to 1858; and 10,000 cases of Madeira, Sherry and Port Wine, Scotch and Irish Whisky, Jamaica and St. Croix Rum, some very old and equal to any in this country. He had also three large cellars filled with Brandy Wine, &c., in casks, under Custom-House key, ready for bottling. Mr. Wolfe's sales of Schnapps last year amounted to 180,000 dozen, and we hope in less than two years he may be equally successful with his Brandies and Wines.

His business merits the patronage of every lover of his species. Private families who wish pure Wines and Liquors for medical use, should send their orders direct to Mr. Wolfe, until every Apothecary in the land make up their minds to discard the poisonous stuff from their shelves, and replace it with Wolfe's pure Wines and Liquors.

We understand Mr. Wolfe, for the accommodation of small dealers in the country, puts up assorted cases of Wines and Liquors. Such a man, and such a merchant, should be sustained against his tens of thousands of opponents in the United States, who sell nothing but imitations, ruinous alike to human health and happiness.
