Primary Election, Sat. Aug. 3

President Judge.

PRESIDENT JUDGE.—It is about time the people of Union county should begin to look about for some suitable person, possessing the proper legal qualifications, for the important office of President Judge of our District. Now, two important qualifications are, 1st. Being well "booked up" in the law; 2d. Business tact in imparting and executing such knowledge. We know of no man in our district possessing these qualifications so completely as GEO. F. MILLER, Esq., and we honestly believe it would be the interest of the taxpayers of the county to nominate and elect him as their President Judge at our next election. [896] THE UNION.

Associate Judge.

Fellow Citizens of Union county—I am a candidate for re-election to the office of Associate Judge—subject to the selection of the Union Convention of Aug. 3d. If nominated and elected, I will endeavor to serve with impartiality and fidelity.

JOHN W. SIMONTON

To the Voters of the 3d of August—Gentlemen: The upper end of Union county claims to have one Associate Judge. We therefore propose and recommend ROBERT CANDOR Esq., a man of integrity, who would discharge the duties of said office to the extent of his abilities. Subject to the choice of primary election. UPPER END

Messrs. Editors—The time is approaching when we are to make choice of a person to fill the office of Associate Judge. I know of no one better qualified for that position than the Hon JAMES MARSHALL, of White Deer. He served us in that capacity one term, to his credit and to the honor of the county. I would therefore cheerfully recommend him to the consideration of the voters.

June 11. A VOTER OF WEST BUFFALO.

Voters of Union county—I offer myself as a candidate for the Office of Associate Judge at the coming Election in October—subject to the decision of a ma[jority] of the votes polled at the Republican C[onvention] on 3d August next. Should I be nominated and elected, I pledge myself to discharge the duties of said office to the [best] of my abilities.

Kelly Tp. M[ay] JAMES SHIELDS.

Senate.

Please recommend JOHNSON WALLS of Lewisburg as a gentleman fit and competent for the station of Senator at the coming election—subject to the choice of the people on the 3d of Aug. WHITE DEER.

Messrs Editors—When the tax-payers look upon the floor of the State Senate and [see] more than half of them young men, lawyers perhaps, who never knew, by hard toils, the worth of money, it is no wonder that they [throw] away our money by millions. Without any consultation with him I venture to propose a man for our next Senator, who as Commissioner, Assemblyman and Associate Judge, it is well known can say *Not* extravagance or corruption—Col. PHILIP KUHL, the honest, popular Farmer of Buffalo Valley, who would make the People's interests all his own.

July 4, 1861 ECONOMY.

Assembly.

To the Voters of Union County. I am a candidate for the Assembly—subject to your choice at the Primary Election, 3d Aug. If nominated and elected, I will endeavor to discharge my duty with vigilance and fidelity to all concerned. JESSE BEAVER

Union Tp, July 11, 1861

For Assembly, RICH'D V. D. LINCOLN Esq. of Hartley township is heartily recommended. As a Magistrate, and twice elected Commissioner of Union county, he has manifested a sterling integrity and business talents of the first order. In politics, he has always stood with his honored kinsman, President Abraham Lincoln—a relationship that "went set him back any" just now. Let us join in HARMONY

Messrs. Editors: The time is approaching when we are to make choice of a suitable person to represent us in the Assembly. We know of no one better qualified to guard the true integrity and interests of Union county, than Mr. CHARLES C SHORKLEY, Lewisburg. He has the requisite capacities, and would at Harrisburg be a credit and honor to the District. We cheerfully recommend him to the voters as a proper selection of the Union convention of Aug 3. MANY VOTERS

of East Buffalo, Buffalo, Kelly, and Lewisburg

Messrs. Editors—Not having seen any one proposed for Assembly next October, I take the liberty (without his knowledge) of recommending Hon. DANIEL WITMER of Snyder county. Judge Witmer served one Term very acceptably, and his re-nomination would be satisfactory to men of all parties throughout the entire District. Please present his name.

June 3, 1861. MANY FRIENDS.

To the Voters of Union County—As it is a long time since our Township has had any important county officer, and as we think we have as good and deserving candidates as any other part, and as the important office of Commissioner belongs to our quarter this year, we recommend MICHAEL BROWN as a fellow citizen every way fit and worthy of that office, and we intend to elect him if nominated on the 3d Aug. Practical Proofs!

DRY VALLEY, UNION CO., June 25, 1861.

MESSRS Ja's S. Marsh & Co.—I tried your *Combined Reaping & Mowing Machine* today in my grass, and am willing to give the use of my experience and opinions of the same to any one. I think it as good a Mowing Machine as I have seen, and do not think by your *Self-Raking Attachment* it is made any the less perfect in grass than those made on purpose for mowing. The idea of the wheel running off the mown grass is a very important one, and I wouldn't like to use one with the wheel running on the hay. It will not choke, it doesn't get out of order, and I give you the following names of some of my neighbors who will cheerfully allow me to inform you they can for these and other good mowing merits recommend your Machine as a superior one. (signed) SAMUEL MOYER.

BEING present at the cutting of green Rye of largest growth, we cheerfully express our entire satisfaction with the operation of JA'S S. MARSH'S Patent *Automatic RAKE*, and think the cutting and raking of Rye which is to-day done by this machine a triumph in the art of labor-saving. Some stalks, measured, were from 7 feet to 7 feet 11 inches high. We candidly believe this machine to be of the most perfect and practical kind, and very willingly give any who may wish it the use of our experience in having seen the most difficult work done in a way acceptable to the most particular farmer. Fair Trial!

KELLY TP. June 25, 1861

I had in use on my farm yesterday an Improved Hussey manufactured by J. S. Marsh & Co., and a BUCKEYE Reaper manufactured by *Shiffer, Walls, Shriner & Co.* After trying both Reapers alternately, I am convinced that the Buckeye runs the lightest, cuts the easiest, is the handiest machine to take about a farm and appears to be the strongest, most durable machine and less liability to get out of order.

JACOB STOLTZFUS.

I was not present when the *Buckeye* mowed and did not say that the Hussey with Marsh's improvement made better work than Buckeye.

CHRISTIAN STOLTZFUS.

We the undersigned witnessed the trial above referred to, (being the same as published by Jas. S. Marsh & Co.) and certify that in our opinion the above is a fair representation of the real merits of the respective machines.

SAMUEL SWARTZLENDER,
JOHN ALEXANDER,
DAVID BUNNING.

This is to certify that I tried the Ball and the Hussey with all Marsh's Improvements, and the Buckeye on my farm to-day, and like the BUCKEYE the best in grass. It cuts wider than the Ball in grass.
