The Trickery of the "Argus."

Some ways once took from the door of an honest turner, his sign, *"All kinds of turning and sawing done here,"* and put it on the house of a corrupt, swindling, office-continually-hunting politician. A similar sign would fitly adorn the so-called democratic organ of this county. It is well known that the Argus concern is not an individual, independent property, but is owned by *stockholders,"* whose agent or employee it is—to print, and from whom he must draw his support, or be discharged at pleasure. No "dividends," least are expected, but it seems to be a tacit understanding that the holder of every share in that "spite enterprise" is entitled to some office, some chance for an office, or some sickening, heartless "pull" at one or them. This fact also accounts for its "twisting and turning" somersets. In '56, last, it and its party defended all of Buchanan's Administration—denounced the Republicans but not the Secessionists—and declared "as Democrats we will not take up arms," &c. But, as soon as our government began to defend itself, the Argus claimed that the Democrats were fore all our fighting, and the Wide-Awakes none!—In our local politics, it first proclaimed no amalgamation with the traitors who brought on the War, but a clean Democratic ticket and victory from Sunup down. Since then, it advocated all kinds of coalitions and bargains—and at last goes for a batch of Independent candidates, "each running on the strength of his own bottom,"—or else a "Union Ticket," whereby the Democratic wire-pullers in secret caucus would use disappointed Republicans in electing more Democrats to county offices!

"Divide and Conquer," was the Tory cry of the Revolution, and was so successful as to prolong the war for years. In the manner, the Argus and its few secession allies in this county also work. Intending to be favorable to the Government in its death-struggle with Rebels, the Argus magnifies our expenses and woes, and seems to be doing everything public, which it dare, to discourage and prejudice our people and embarrass and thwart the Administration——Locally, it has used all its peculiarly little mean and sneaking artifices to excite our candidates to distrust each other—to make up a quarrel between the two independent papers that threaten the cause of the Government—and to divide our party by sectional antagonisms or imaginary differences of principle. One week, the Argus professedly is the organ of "oldline Whigs"—next week, of "Republicans"—and ever and anon of both and all parties—*anything to "divide and conquer."*

But the *Argus* manager is particularly great on *prophesying*. The old readers of the "Union Times" will recollect that he was the chosen medium to make known that "Col Ruhl's talking cow" proclaimed the destruction of the world 2 which did not happen. Then he declared a Wood-by no political rallying-cry, "No more Hay for Breyman's Cow!" which, however, did not starve. Anon, he lifted up his trumpet, and portrayed in brilliant colors the downfall and destruction of doomed Lewisburg! yet Lewisburg "still lives."

And, last of all, he undertakes to say who will get the most votes to-morrow, in order to make the defeated candidates think they have been defrauded by an *imaginary* central controlling power. The Argus says the Senator goes to Lewisburg—which, since the Hartley and Buffalo candidates have declined, and there are no candidates except in Lewisburg, is a very shrewd guess! but who of the two candidates would be most injured or benefited by an Argus prediction, does not appear. So of Treasurer—both candidates are in Lewisburg, and therefore this sagest of seers confidently asserts that Lewisburg will get it!" But which of the two, the deponent saith not—and yet, when the vote is counted, the Argus will say "I told you so," and he will tell the defeated candidate (no matter which it is) "the Abolition Clique killed you!"—The Associate Judge is given up by the Argus to White Deer—and yet, as White Deer has two candidates, we are no wiser than before the prophesy!—The Sheriff is bestowed on New Berlin—but, as there are two candidates there also, we are still in the dark as to who is the lucky man!—The Commissioner he guesses will be won by Union Tp—yet East Buffalo, Lewisburg and Kelly have equally worthy candidates.—The Assembly also is consigned to Winfield—and as long as there are three candidates at the western end, and but two at the east, the more harmonious may probably be the more successful.

No matter who is nominated—the Argus will say it is all unfair, and the work of a "clique"—no matter who is defeated, the Augusites will shed crocodile tears over them. Already, it bedimes all proposed candidates who have declined, as "good MATERIAL," while all the gentlemen who remain in the field it stigmatizes as "CAST-OFFS." Look at our list of candidates, and see who they are—Linn, Lawson and Woods; Candor, Marshall, Shields, and Simonton; Walls and Laird; Lincoln, Smith, Chambers, Moyer, and Beaver; Church, Klockner, Ames, the Rolands, Albright, Kauffman, Guldin, Straub, and Lawshe; Price, Noblit, Schoch, Brown, and Walter; Mertz and Hursh—all, according to the organ of the few Secessionists in Union county, are "CASTOFFS."—And yet, if the candidates now before us had withdrawn, they too would have been dubbed "good material," while if any who has declined were now in the field he too would be assailed as a "cast-off."

—We have thus hastily run thro' the "twistings and turnings" of that sheet in a summary way, to show the honest masses how cunning and how industrious the Rebel sympathizers are, in seeking to distract and divide the true supporters of the best Government ever enjoyed by man. Be not deceived. There can be but two parties now—one is for, and the other is AGAINST, the Government. To-morrow, in Union county, the Friends of the Government select their Local Officers. Each of our respectable candidates quite naturally secures all the friends he can—still, each man's VOTE is as good as another's; and there are 1200 or 1500 Independent Freemen who will each decide for himself upon the fitness and claims of every candidate for every office. Let all things be done honorably and fairly—unite as men should in these times—and a good and favorable Ticket may be formed. With you rests the power and the responsibility.

☞ Mahlon Breyman, S. W. M'Daniel, and Wm. Lesser decline being candidates at the primary election.

For President Judge, in addition to Mr Linn, Mr Lawson of Northumberland Co, and Mr Woods of Mifflin, are before the people of this district. We have not been desired formally to announce the last two gentlemen named, but state the fact of their candidacy that all may vote intelligently. McClenahen will be the Democratic candidate, under the title of "Union."

As no one seems inclined to incur the expense of running for Coroner or Auditor, it has been suggested that the second highest candidate for Sheriff be declared Coroner, and the second highest for Commissioner be declared Auditor. Coroners succeed Sheriffs in certain cases, and the Auditor oversees the Commissioner—so there is a fitness in the proposition. If no candidates are run, our Return Judges will make out the nomination.

"Can Democrats vote at the election to-morrow?" The Call is liberal as it has been for years past. The Officers chosen must decide—as they always have—whether a person, under the Call, is entitled to a vote; they must determine, as heretofore, whether to trust him or not. It would be well to take and preserve a List of all who offer to vote, so that if any try to be on both sides, the Democrats may, by having copies of lists, block that game.

We have been asked if a Commissioner could act as Clerk of the Board? No—the law requires a Clerk, who operates somewhat as a check upon the Comm'rs.

Select carefully, without prejudice or partiality, and vote independently.

MEN WANTED!—The recent repulse of the Union forces before Manassas, will not only encourage the Rebels, but call for more men to defend the Union, our Capital, our homes, and all the dearest interests involved in the contest. MORE FREEMEN are wanted in the Field. Hitherto, there has been no lack. If there be any men in Union or neighboring counties anxious or willing to enlist, *Lieut. Hassinger* at Mifflinburg, and *Capt. Chamberlin* at Lewisburg, will be glad to aid them. They expect to return within two weeks. *Capt. J. D. Brown* (who was expelled with several Lycoming and Union county men from Miller county, Missouri) is also raising a troop of Cavalry, between Lewisburg and Muney.

☞ A letter from Iberia, Mo., states that Moore, Tallman and Groff have returned to their farms. The Union men, armed, and organized in military style, number 700 or 800 of Home Guards, who scour the country, discover arms and ammunition hidden by the Secessionists and make the latter swear to support the U. S. Constitution or clear the coast. Good for the Union men of Missouri!

☞ The Missouri Convention has elected Hamilton R. Gamble, of St. Louis, Governor, and also Unionists for Lieut. Gov. and Secretary of State. They have entered upon the duties of their office.

☞ Lieut. Schaffl and Geo. M. Slifer, of the Slifer Guards, are on a visit to Lewisburg—the Guards, in Harrisburg.

Commencement Week—1861.

MONDAY—Afternoon, the following class of young ladies graduated, reading Essays in the intervals of Music by Heid's Cornet Band. The house was full, but not so uncomfortably crowded as it often is:

Essay—Intellectual Position—AGNES REILLY, West Pittston, Pa.
Essay—My Work is My Kingdom—MARION L. HOMER, Montoursville.
Essay—Death Knell of Slavery—FRANCES E. KELLY, Lewisburg.
Essay—Woman as the Mighty One!—MARY J PHILIPS, Pennsylvania.
Valedictory Address—AGNES REILLY, West Pittston, Pa.
Address to the Graduating Class—REV. D. V. R. BOWERS, Pastor of Lewisburg and Long Island.

The Lecture, in the evening, was before an audience filling two-thirds of the Hall, and the Speaker won a position in the front rank of platform orators. His subject was "The Old Fogy and Young America," both of which were graphically painted. The speaker hoped for the best for the Union, even under all its perils. Mr. Henson is pastor of the Broad St. Baptist church, Philad.

TUESDAY—The Board of Trustees, and the Board of Curators, met in the morning. In the afternoon, the meeting of the Elocution Society in the Baptist house, was addressed in an exceedingly interesting manner, by the President, (John P. Crozer, Esq.) Rev. Dr Brantley, and Rev. Dr. Sandrach.

Evening—About 30 of the Alumni, of many different professions and locations, convened, and had the services of the extra Band from Milton. After prayer by Rev. Robert Lowry, of Brooklyn city, the President, Lieut Linn, introduced the Orator, Rev Gen. A. Pelz of New York, who spoke an hour upon Truth—its nature, its field, its manner of triumph, and the incentives to labor in its behalf. The Oration was pronounced without a scrap of paper, not a word missed, and was listened to with profound interest by a full audience. Benediction by Rev. Mr. Henson of Philad.

WEDNESDAY—In the morning, the Theological Department held their Anniversary. Singing by a choir, and sound, practical Addresses were delivered as follows:

The Influence of Christianity on the Cultivation of the Mind—ADDISON CLARK, Lewisburg.
The Character of Jesus, proven from within—EDWIN H. HANNA, Westmoreland.
The progressive Nature of Christianity—MILES C. PARKER, Lewisburg.
The truly great Man—W. S. M'NEIL, Russellville, Pa.
Address to the Graduates—By Rev. D. V. R. BOWERS.
Conferring of Degrees by Rev. D. SANDRACH, Prest'

Mr. Pardue is under appointment by the East Baltimore Methodist Episcopal Conference, in the Northumberland District, and Mr. M'Neil has accepted the charge of the Falls of Schuylkill Baptist church, near Philadelphia.

Evening—The Hall was crowded for the first time, by spectators of the Societies' Festival. Both the Orator and Poet chosen, failed to respond to their engagements. Happily, Rev Wm. C. Richards—a gentleman of English birth, some time resident in Georgiana an Editor we believe, now pastor of a Baptist church in Providence, R. I.—was on his way to attend Commencement at his Alma Mater, Madison University, Hamilton, N. Y., where he had promised a Poem; he was invited to deliver it here, and thus filled the public want most satisfactorily. The Hall was ornamented with the American Flag from the walls on every side, and a large one was upon the rear of the stage. The Milton Band (now the best in the interior of the State) played all the National airs—and the Poet's theme, for about an hour, was the Stars and Stripes. He more than fulfilled general expectation, and his allusions to the banner of the free repeatedly elicited most tumultuous applause.

THURSDAY.—Commencement day proper dawned hot, dusty and oppressive as usual, but a north wind springing up tempered the fierceness of the sun's rays. A full, overflowing house, greeted the retiring students. The Milton Band again discoursed sweet music, and the following Programme was carried out:

Prayer, by the President.
Salutatory—WILLIAM H HARRISON, Philadelphia.
Education and Democracy—DAVID RUTH, Penn.
The American Student—JOSEPH SMITH, Sunbury.
A Dialogue on Roman affairs—JUDAH K WEAVER, Hollidaysburg.
The progress of correct principles—WILLIAM H. HARRISON, Philadelphia.
The French Revolution—O. WELLINGTON SPRATT, Lewisburg.
Reality—WILLIAM H BUNTON, Millington, N. J.
The Nationality of Literature—THOMAS M. SHANAFELT, Clarion.
Valedictory Address—DAVID RUTH, Penn.
Conferring of Degrees and Baccalaureate Address, by PRES. DAVIES.
The Master's Oration—THEODORE LEWIS, Esq., Wilkes-Barre.

In concluding, the Band played Old Hundred in a manner which made people on the outside of the building suppose the congregation were singing the Doxology to that tune.

—All the exercises of the week have been of the most interesting character, and the varied discourses well heard and considered.

The degree of A. M. in course was conferred on Messrs. Peltz, Wynn, Lewis and Opp, and the honorary degree of A.M on Rev. A. H. Taylor, of Hollidaysburg.

There was a noble band of Alumni present—young, hearty men, mostly in professional life, and therein exerting a wide influence among their fellow men. Those absent, were most cordially remembered, in thoughts and in prayers.

No changes were made in the Board of Trustees. To the Curators, Rev. Messrs. Dickson, Fink and Mirick of Lewisburg, Shanafelt of Berwick, Sembower of Altoona, and Murphy, of Salem, N. J., were added.

There was probably not half the usual attendance of persons from abroad, yet there were many visiters, who, like the venerable Thomas Wattson, have these dozen years annually exhibited by their presence, their deep interest in the University enterprise. With many, necessarily, but a hurried word, if any, could be exchanged—yet even the sight of a friend is often cheering and most pleasant.

Our University has suffered as little as any other from the times, and offers high advantages to all seeking literary attainments. The next Session opens Thursday, Sept. 26th.

—In the afternoon, a parade of Firemen, a Zouave, and an "Invincible" Artillery Company!

☞ The following was the Order of Exercises, on Friday, 26th ult, at the close of the Summer Term of the Lewisburg Academy under the care of Mr. Randolph, (in addition to examination of classes in English Grammar, Latin Translations, Chemistry, and Geometry:)

Music—Trio—Instrumental—Robert Yarnall.

PENNSYLVANIA STATE TEACHERS' ASSOCIATION.

The next annual meeting of this Association will be held at Lewisburg, Union county, on the 6th, 7th and 8th of August, 1861—Tuesday to Thursday—in the University Hall.

Primary Election, Sat. Aug. 3

The Republicans of Union county, and all those who sustain the National Administration in its efforts to suppress treason and rebellion, and to maintain the Constitution and the Union as our fathers bequeathed them to us, are hereby invited to meet at their usual places of holding Elections, on SATURDAY the 3d day of August 1861, between the hours of 3 and 7 o'clock, in the afternoon—and, after choosing a Judge, Inspectors and Clerk or Clerks if desired, proceed to vote, BY BALLOT, for

One candidate for President Judge,
One candidate for Senator,
One candidate for Assembly,
One candidate for Sheriff,
One candidate for Associate Judge,
One candidate for Treasurer,
One candidate for Commissioner,
One candidate for Auditor,
One candidate for Coroner, and
One person for Return Judge of the district in which the voter resides.

The ballots to be opened as soon as the hour for closing has arrived, read aloud, and the true returns, certified by the Judge and Clerks, to be given to the Judge so chosen. The Return Judges to meet in the Court House at Lewisburg, at ten o'clock in the forenoon of MONDAY, August 5th, 1861, then and there to correctly return, add up and publish the number of votes cast for each candidate for each office, and those having the highest number of votes for each office respectively to be declared the nominees of the party. The Judges also to provide for the choice of Conferees, and appoint a Standing Committee.

Standing Committee.

CANDIDATES.

President Judge.

Messrs. Editors—As it is understood that GEORGE F. MILLER, Esq., has peremptorily declined being a candidate for the President Judgeship of this Judicial District, I would recommend JAMES F. LINN Esq. (the Senior Member of the Bar of this county) for that Office. Mr. Linn's long experience in the profession, his legal ability and his undoubted integrity, render him admirably qualified for that position. Mifflin county has had the Judge for nearly twenty years, and it is high time for Union county to have its turn when she presents a candidate not surpassed in professional knowledge by any gentleman in the District. The interests of the tax-payers of this county demand a resident Law Judge, and Snyder county presents no candidate.

July 26. A MEMBER OF THE BAR.

Associate Judge.

Fellow Citizens of Union county—I am a candidate for re-election to the office of Associate Judge—subject to the selection of the Union Convention of Aug. 3d. If nominated and elected, I will endeavor to serve with impartiality and fidelity.

JOHN W. SIMONTON

To the Voters of the 3d of August—Gentlemen: The upper end of Union county claim to have one Associate Judge. We therefore propose and recommend ROBERT CANDOR Esq., a man of integrity, who would discharge the duties of said office to the extent of his abilities. Subject to the choice of primary election.

UPPER END

Messrs. Editors—The time is approaching when we are to make choice of a person to fill the office of Associate Judge. I know of no one better qualified for that position than the Hon. JAMES MARSHALL, of White Deer. He served us in that capacity one term to his credit and to the honor of the county. I would therefore cheerfully recommend him to the consideration of the voters.

June 11. A VOTER OF WEST BUFFALO.

Voters of Union county.—I offer myself as a candidate for the Office of Associate Judge at the coming Election in October—subject to the decision of a majority of the votes polled at the Republican conventions on 3d August next. Should I be nominated and elected, I pledge myself to discharge the duties of said office to the extent of my abilities.

Kelly Tp, May 20, 1861 JAMES SHIELDS.

Senate.

Please recommend JOHNSON WALLS of Lewisburg as a gentleman fit and competent for the station of State Senator at the coming election—subject to the choice of the people on the 3d of Aug. WHITE DEER

For State Senator, it is admitted that Union county has as good a claim, if not the best, of any county in the District. Consulting with some of our neighbors on the subject, and in full view of the necessity of standing honesty and good sense in these troublous times, we have agreed that no man in our county is more truly trustworthy than ROBERT H. LAIRD, for that station. Having labored from his youth up as a farmer, and yet being a well-read business man, and having been entrusted with many duties which he has most honorably discharged, we know of no man in whom the masses of our people—all who know him—would more implicitly entrust. He is no office-seeker, but that is no objection. We present his name before the Freemen of Union county. Propose him to your neighbors, and, if your opinion is the same as ours, give him your vote.

MANY FRIENDS.

Assembly.

☞ The disposition thus far seems to be to put upon our ticket this fall the strongest and best men. This is as it should always be. Beside the general reputation our Legislature should have for upright and intelligent men, it is often of advantage to the business interests of the Districts to be represented by able and vigilant members. We therefore recommend R. V. B. LINCOLN Esq. of Hartley Tp for Assembly. His character as a citizen, and qualifications as a man of business, are well known throughout the county, and no one doubts but that he is able to represent the District creditably. MANY REPUBLICANS.

To the Editors of Star & Chronicle.—Permit us through your paper to recommend Mr JOHN SMITH of Hartley township as a suitable person to represent this District in the Assembly. Mr Smith is not an office-seeker, but being urged by many of his neighbors and friends consents to be a candidate and if nominated and elected will make an efficient Member. Being a practical farmer, and a man of stern integrity, we cheerfully recommend him to the consideration of the voters as a proper selection for the 3d of August convention.

HUNTSIT AND HASTLESTON.

To the Voters of Union County. I am a candidate for the Assembly—subject to your choice at the Primary Election 3d Aug. If nominated and elected I will endeavor to discharge my duty with vigilance and fidelity to all concerned. JESSE BEAVER

Union Tp, July 19, 1861

GEO. W CHAMBERS, of Limestone Tp, is respectfully recommended to the people of this District, as one Member of the Assembly at the next election—subject to the decision of the 3d Aug. EAST BUFFALO

Mr. EDITOR—Permit us through your paper to recommend JACOB M. MOYER, of Kelly Tp, (now among the Penn'a Volunteers at Washington) as a very suitable candidate for Representative. Mr. Moyer is a self-made man, and has always taken an active part in the Republican party. MANY VOTERS.

Sheriff.

Fellow Citizens! At the request of many of my friends, I hereby offer myself as a candidate for the Office of Sheriff—subject to the decision of the Republican convention. Should I be nominated and elected, I pledge myself to discharge the duties of said office with credit to myself and the public in general.

New Berlin, May 7, 1861 CHAS R. ASTER.

To the Electors of Union county—Friends and fellow citizens: I offer myself to your consideration for the office of Sheriff of Union county—subject to the choice of the preliminary election, 3d Aug. Should I be elected I pledge myself to perform the duties of the office to the best of my abilities.

New Berlin, June 18. MICHAEL KLECKNER

To the Voters of Union county—I respectfully offer myself as a candidate for Sheriff—subject to the decision of the Republican Convention of the 3d of August next.

D. D. GULDIN

MR. EDITOR: Permit us thro' the columns of your paper to recommend A. M. LAWSHE of Lewisburg as a suitable candidate for Sheriff. Mr Lawshe is one of the working men of the party, and if he should be fixed upon as our candidate he would undoubtedly be elected and would make a faithful Officer.

6m*92 MANY REPUBLICANS.

☞ By request of many friends, THOMAS CHURCH, of Hartley township, will be a candidate for SHERIFF of Union county at the coming Election, subject to the decision of the Republican Union nominations. May 20

Elisha Straub, of Lewisburg, will be a candidate for SHERIFF at the coming election, subject to the decision of the Republican Nominating Election.—May 15, 1861.

TO the Voters of Union County: Encouraged by the advice of many friends, I am a candidate for the Office of SHERIFF of the county, subject to the choice of the Nominating Election of the 3d of August next.

I. F. ALBRIGHT

White Deer Tp, May 22, 1861 pd

To the People of Union County. I am a candidate for the office of Sheriff at this county, subject to the decision of the Republican Union conventions on the 3d of August next.

Kelly Tp, May 24, 1861. J. W. KAUFMAN.

Fellow Citizens—I offer myself as a Union candidate for the office of Sheriff, subject to the Union County Convention. If I am nominated and elected I will discharge the duties of the office faithfully and with the best of my ability. Yours truly, G. J. ROHLAND.

May 27, 1861.

Fellow Citizens—I take this method to offer myself as a candidate for the office of *Sheriff*, at the next election—subject to the decision of the Republican Convention. If I am nominated and elected, I pledge myself to fulfil the duties of the office faithfully and to the best of my ability. WEIDLER ROLAND.

Buffalo Tp, June 8, 1861

Commissioner.

Fellow Citizens of Union County—I am a candidate for the office of County Commissioner, subject to the selection of the people on the 3d of August—and if elected will perform the duties of the Office to the best of my ability, and with fidelity.

May 15, 1861. GEORGE SCHOCH.

Messrs. Editors—Permit me, without disparagement to any of the other worthy persons named, to bring before the public JOHN NESBIT, of Lewisburg, for the office of County Commissioner.
