What Everybody said could not be done, has at last been Accomplished!

AMBROSE'S Coal Oil **No Chimney** Hand Lamp. The following are some of its advantages:

1st. Dispenses with the chimney, which is expensive and cumbersome.

2d. The light is at once available for lighting and kindling purposes.

3d. Burns less oil than the chimney lamp.

4th. Burns the different grades and qualities of coal and carbon oils, from a 4 entry oil and upward.

5th. Can be carried around with about the same facility as a candle.

6th. Length of time in burning between the quality of the flame. The lamp may be burned a week without trimming and will not smoke.

The burners can be attached to wire lamps, so that persons having lamps need only change the burners.
