Republican-Union Ticket.

Senator—HENRY JOHNSON, of Lycoming county.
Assemblymen—JESSE BEAVER, of Union county.
HENRY K. RITTER, of Snyder county

Union County Ticket,

Nominated by a Direct Vote of over 1500 Citizens, under a Call addressed to

all the Republicans of Union county AND ALL THOSE WHO SUPPORT THE NATIONAL ADMINISTRATION IN ITS EFFORTS TO *suppress Treason and Rebellion* and to maintain the Constitution and the Union at any sacrifice of party organization.

Associate Judge—JOHN W. SIMONTON, of Buffalo.
Sheriff—LA FAYETTE ALBRIGHT, of White Deer.
Commissioner—JESSE M. WALTER, of Union.
Treasurer—JOHN C. MOTZ, of Lewisburg.
Auditor—REUBEN THOMPSON, of Mifflinburg.
Coroner—ELISHA STEAER, of Lewisburg.

☞ Opposed to the above is a "Democratic Ticket" got up (we privately agreed upon) by Delegates from 11 out of 15 Districts, chosen by about 250 citizens.

SIXTEEN HUNDRED VOTERS—more than half the voters of Union county—have, by secret ballot, made choice of a County Ticket, composed of good and worthy men. Every man who participated in that Election is as much bound in honor to sustain it at the polls, as the South was bound to submit to the Presidential Election in which it took part. The foregoing Ticket, being made by a vote free to all Unionists, and representing a MAJORITY of the people of the county, why should it be opposed? why get up agitation when the country wants peace and harmony?

Beat on distracting the county, however, some 250 Democrats, in 11 out of the 15 Districts, sent Delegates to make up a SECOND ticket.

Not satisfied with TWO Tickets, Sam'l S. Barton (a defeated candidate) has got up a call for a THIRD Ticket, still further to harass, district, and sub-divide the people. The Democrats, finding their own opposition ticket to be hopeless, now seek in this movement a chance to gain something. Barton's call of course means himself for Senator, and insists that the Democrats must have half the Offices—the President Judge and Sheriff being specially longed for. These, with the Officers already chosen, would make the "account current" as follows:

In 1860.

Democrats of all sorts had 892 votes		Lincoln's vote was 1824	
Democratic profits.		Republican profits.	
Prothonotary	$1500	Reg. & Rec.	$700
Sheriff	1200	2 Commissioners	240
Pres. Judge, one-third of $2000	666	Treasurer	200
Associate Judge	100	Associate Judge	120
District Attorney	200	Surveyor	50
1 Commissioner	120	3 Auditors	15
		Coroner	0
Totals	**$3806**		**$1325**

All who approve of THE MINORITY of voters having THE MAJORITY of the best stations of honor and profit, will please help Barton's game! It is a nice Democratic scheme to get the 1800 supporters of the President to put his bitter opponents in positions to injure him! A pretty way to prevent "exciting the political passions of men," to get up TWO tickets against the majority! The caucus of a few disappointed wire-workers and fun-lovers, in the confusion and jangling of a popular gathering, to attempt to set aside the verdict of 1600 ballots!

We trust the TRUE friends of the Government will stand firmly and faithfully to the ticket they have already formed in good faith and fairness and according to the Golden Rule. There are but two parties—one is For and the other Against the Administration. There is no need of a third party, to act like the Cowboys of the Revolution by preying upon both parties. By imitating the Voters of Maine and Vermont (see Election Returns) we shall best sustain the Government. This last attempt tending to create discord at home, is of a piece with all the devices of the Secession sympathizers, North.

First State Elections, 1861!

☞ In the Maine Election, there were three candidates—Republican, War Democrat, and Peace Democrat. The Republican candidate for Governor (Washburne) has more votes than both the others, while the War man beats the Peace man badly!

In Vermont, the Rep. Union Governor has about 40,000 votes, the War Democrat 3,000, and the Peace Democrat 2,000 votes—*six* votes for our man to one for all the "Copper fellows."

Keep up voting in that style, and the Rebels hopes of *"dividing the North"* will be crushed, and the insurrection will be suppressed so much the sooner.

☞ The Republicans and Union men of New York State have agreed upon a Ticket at the head of which stands Daniel S. Dickinson for Att'y General.

In Iowa, the Republicans have had the Governor so long, that, in the late Union Convention of that State, they nominated N. B Baker, formerly a Free Soil Democrat of New Hampshire, for Governor, and the remaining State Officers, Republicans. The Peace-Compromise. Breckinridge-Democracy will be crushed in Iowa this fall.

The Republicans and Douglas Democrats of the Northumberland, Montour and Lycoming district have agreed upon Hon. John W. Maynard for Judge. He will be elected over Judge Jordan, whose Secessionate supporters will sink him.

"Brig. Gen. M'Kaig," who scouted in Penn's for Buchanan, was arrested in Maryland for treason.

☞ We see the *Argus* has put up its idol, Mr. Slenker, as the *"Union candidate"* for Judge. When did Mr. S. get that honor? Not one of the Union conventions—not even a Democratic convention—in either of the three counties, has named him, to our knowledge. Much less have any Conferees, chosen by the two parties, agreed upon him. The Democrats dare not publicly present him as their candidate. The "Union" conventions have nominated other men. And yet the *Argus* has the effrontery to present—as the "Union candidate"—the man whom all the Secessionist newspapers and advocates in the District support! He is the *secret* "Democratic" but *open* "Independent" candidate, and to try to impose him upon the people as the "Union" nominee is as infamous a fraud as that of "Polk and the Tariff of '42"—"Buchanan and Free Kansas"—or "Breckinridge and Union!"—We expect next to learn that Mr. Slenker is a "better Union man" than Woods or Lawson, (just as "Polk is a better Tariff man than Clay,") in the face of the friendship and support of every Disunion apologist and Jeff. Davis sympathizer in the District. Be not deceived, voters! the Secessionists know for whom they vote!

HOME MANUFACTURES.—We are now waging a war against the Free Traders, both of our own country and of Europe, and if successful, the U. S. will hereafter lay its Tariffs exclusively for the good of our own Home Industry, without asking any "odds" of any Power on earth.

One effect of the war is to create industry in particular new branches, for articles demanded by the Army. A Harrisburg paper says the Army Blankets furnished at the thriving Factory of the HALFPENNYS' at Laurelton, in Union county, are superior articles for the price. SCOTT and SLIFER, in Lewisburg, are making soldier's shoes—strong, wholesome supporters, that will "stand" the hardest treatment, but they have a large number to make, and can give work to many new Jours.

☞ A Democrat wants us to "inquire by what authority the *Argus* announces our venerable friend, Ben. Winegardner, as on the Democratic Ticket for Coroner? The Convention did not nominate him, nor has the County Committee appointed him, from any public proceedings. By what invisible central power—above the People in Convention—is he thrust upon us, without our knowledge or consent, for the office of grave-digger of our party? Is it a joke, or is it in earnest?—The *Argus* will please consider the question *a-s'd.*

☞ The *Evangelical Messenger* (organ of the "Albright Methodists," or "Evangelical Association,") is the most earnest, able, and discreet religious opponent of Secessionism among our exchanges. That church has escaped all trouble by never tolerating Slavery under any excuse, and most of her members are zealously opposed to the abomination, in heart and life.

☞ The *Argus* has published a 4th of July speech of Mr. Slenker, in proof, we suppose, that the semi-Secessionists among us are supporting the wrong man! Suppose it publishes Mr. Woods' speech on the same occasion?

☞ Additions to Messrs. James Chamberlin's and Hassenplug's Companies, have been made this week from Union County. Volunteers are hastening toward Washington, from every quarter.

☞ Samuel Zimmerman, of Capt. Roush's Company, has deceased. We also learn that two or three from Snyder county, have died, in Camp near Washington City.

Senatorial Conference.

The Republican and Union Conferees from Center, Clinton, Lycoming and Union counties met at Lock Haven, Thursday 12th inst. as follows:

Center—Andrew Gregg, John Irvin, Robert H Duncan
Clinton—G C Harvey, C W Wingard, Sam'l Brady
Lycoming—Robert Montgomery, L G Huling, James Wilson
Union—Charles Gudykunst, Frederick Smith, O N Worden.

Mr. Gregg was chosen President—Messrs Wingard and Worden, Secretaries.

The following Nominations were made:

By Mr. Irvin—Edm. Blanchard, of Center
By Mr. Smith—Johnson Walls, of Union
By Mr. Wingard—Hy C Bressler, of Clinton.
By Mr. Montgomery—Henry Johnson of Lycoming.

Resolved, unanimously, That the friends of the candidates here voted for pledge themselves to submit to the decision of this Conference, and will use honorable efforts for the election of its candidates.

Proceeded to vote, viva voce, as follows:]

	1st.	2d.	3d.	4th.
Blanchard	3	1	0	0
Bressler	3	2	2	0
Johnson	3	5	5	7
Walls	3	4	5	5

[Each county voted first for its own candidate—then, Center and Clinton, exhausting their "complimentary" votes, after whittling between the two real candidates, finally decided as follows: *For Mr. Johnson*—Gregg and Duncan of Center and Harvey and Brady of Clinton. *For Mr. Walls*—Irvin of Center and Wingard of Clinton. Lycoming and Union voted straight for their candidates.]

Mr Johnson was declared the nominee. A motion to declare it unanimous, passed—yeas 10, nays 1, not voting 1.

After voting for the publication of its proceedings, the Conference adjourned.

Representative Conferee Convention.

The conferees of Snyder and Union counties met at Selinsgrove, on Tuesday the 10th inst. The conferees from Juniata county not making their appearance in Convention, in consequence of the cars being about to leave, Col. Wm. F. Waggenseller, of Snyder county, was appointed President, and John B. Linn Secretary, when W. F. Waggenseller, Dr. J. Y. Shindel, and Henry Schoch appeared as conferees for Snyder county, and Wm. Jones, Esq., Abraham Black, and J. B. Linn, for Union county. The Juniata conferees, therefore, made a verbal request to adjourn the Convention until Saturday. Not agreed to. They further requested in the event of a refusal to adjourn, that their votes should be considered cast for W. W. Davis, of Juniata county, for Assembly. Agreed to. On motion of Mr. Jones it was agreed to proceed to nominations.

Mr. Jones nominated Jesse Beaver, of Union county.

Henry Schoch nominated H. K. Ritter, of Snyder county.

A ballot being had, Jesse Beaver received six votes, and H. K. Ritter six votes. The votes of John Galagher, Robt. Patterson and John Balsbaugh, conferees of Juniata county, considered cast for W. W. Davis—3 votes.

Whereupon, Messrs. Beaver and Ritter were declared duly nominated as candidates for Assembly in this Representative District.

FOR THE STAR & CHRONICLE.

Letter from Mifflinburg.

These are stirring times. The nation is struggling for its very existence, and the heart of every loyal citizen is moved; the fires of patriotism, which seemed almost extinguished, have been kindled anew, and burn with a brighter flame, throughout the North. Here, the mass of the people are beginning to wake up. For more than a week, our town has been full of martial life. Men have been gathering to go forth and engage in the war for the Union. More than sixty, from different parts of the county, have been sworn in. Among those who go from Mifflinburg, are those loved and respected by all who know them—young men, who are an honor to our community, and whom we can but poorly spare—but their country calls, and nobly they respond. May God go with them all!

Last Saturday afternoon, a large meeting was held—Capt. Wm. Forster President, and Dr. J. G. Piper, and J. F. Pontius, Vice Presi. Secretaries, La Fayette Albright and Ch. E. Haus. Prayer by Rev. Isaac Grier. Excellent addresses were delivered by Jesse H. Berry of Clinton county, Maj. C. H. Shriner, Rev. A. W. Gibson, and S. H. Orwig, Esq. The exercises were enlivened with music by Yearick's Cornet Band. The Hudson Brothers sung the "Marseilles Hymn," the "Star Spangled Banner," and the "Death of Warren," with fine effect.

Our ladies have not been idle. They have made a large number of towels, pin cushions, stockings, &c., which will be presented to the Company. As I saw them plying their needles, and listened to their conversation, I thought of what I had read about the patriotism, and the self-sacrifice, of the women in the dark night of the Revolution. They shrunk from no duty; they feared no danger; so it is now. "The race of noble American mothers has been preserved—matrons, and sisters, and wives, and daughters, unsurpassed! Mothers who taught their sons to worship God; to love their country, and to honor mankind; who led them to the altars of religion, and cheered them with brave hearts to the battle-field, buckling the shield to each young hero's arm, bidding him return victoriously with or honorably dead upon it. Are we grateful and proud enough of the memory of such mothers? Do we realize how much we owe our national glory and greatness to them? God forbid that American women should degenerate from what their noble mothers were in the young days of the New World and of the Republic."

Last evening, the soldiers attended the M. E. church, where a most excellent sermon was preached to them by Rev. A. W. Gibson, from the following texts:

"And the soldier likewise demanded of him, saying, And what shall we do? And he said unto them, Do violence to no man, neither accuse any falsely; and be content with your wages." Luke III. 14.

"Therefore be ye also ready; for in such an hour as ye think not the Son of man cometh." Matt. XXIV. 44.

The occasion was solemn and impressive. As I looked over the large audience, I saw many bowed heads and trickling tears. The parents, wives, brothers, and sisters, of the soldiers were there, and many sad thoughts occupied their minds.

This morning the Company will leave for Harrisburg. Our best wishes go with them. We know that they will fight bravely to sustain our noble banner. Already has the Rebel flag been torn from two of the stolen forts, but it still waves in triumph over many others. Every one must trail in the dust—every one must be replaced by the glorious Stars and Stripes. This is the work which we entrust to our soldiers, and I know we shall not be disappointed. ELMER.

COURT—next week—remember the Printers!

BY TELEGRAPH.

PHILAD., Sept. 13.—A fight took place near Summerville, on Tuesday afternoon, in which the 10th, 12th and 13th Ohio regiments were engaged. Gen. Rosencranz, after taking a reconnoizance, found Gen. Floyd's army, 5000 strong, with sixteen field pieces, entrenched in a powerful position along the top of a mountain at Cunnifox Ferry, on the west side of Gauley river. The rear and extreme of both flanks were inaccessible, and the front was marked with heavy forests and a close jungle. After a furious fight of three hours, night compelled the call of the troops, and the men laid on their arms within a short distance of the enemy, ready to resume the contest in the morning, but Gen. Floyd fled during the night, sinking boats in the river, and leaving camp equipments, wagons, horses and fifty cattle. Our loss was 15 killed and 70 wounded. 25 of Col. Tyler's men, who were taken by Floyd, were re-captured. Floyd's baggage, &c., was taken.

Mayor Brown, four members of the Maryland Legislature and the Editor of the Baltimore *Exchange* were arrested this morning, by order of Gen. Dix, and taken to Fort M'Henry.

ST. LOUIS, Sept. 12.—The report of Gen. Pope, received to-day from Hunniville, says that he made a night march on Martin Green, last Sunday, (who, however, got notice of his approach,) and was successful in routing 3000 rebels, leaving behind them much baggage, provisions and forage, also the public property seized by Green at Shellboro'. Pope's infantry were too much fatigued to pursue; the horsemen, however, continued pursuit 10 or 15 miles, until the enemy scattered.

Gen. Grant telegraphs that the first gun is in position at Fort Holt, Kentucky.

Sept. 12. Yesterday morning, several companies of infantry, a company of cavalry and Griffin's battery, all under command of Col. Stevens, of the N. Y. 79th, left the Chain Bridge to reconnoitre, and advanced about seven miles. As they were returning, a large force, composed of 2 or 3 regiments infantry, and Col. Stewart's regiment of Virginia Cavalry, with a battery of four pieces was seen advancing with the view of cutting them off. A line of battle was then formed, and several rounds of shell were exchanged. Our troops ceased for about 20 minutes, in order to give the enemy an opportunity of meeting them on an open field. Our forces resumed operations—brought a 32 pounder, the shell from which soon silenced the rebel battery. The gun was then directed toward the rebel Cavalry, which soon sent them flying, and a number reeled from their saddles. Command being given to withdraw, our column fell back to Chain Bridge. Eight were killed, 7 wounded, and 4 taken prisoners on our side; Rebel loss not known.

One William Adams, of a Vermont Regiment, was tried at Washington for sleeping at his post while on watch, and was sentenced to be shot, but was finally pardoned, with a hint that the crime could not again be overlooked in any one. Some officers have also been disgraced and dismissed for bad conduct. These acts and Gen. M'Clellen's orders for the better observance of the Sabbath, have an excellent influence. Some of our men want more "Government," as well as the "Secesh."

The Gunboats Conestoga and Lexington silenced a Rebel battery of 16 guns on the Mississippi, 16 miles from Lucas Bend, and disabled the rebel gunboat Yankee.

The Kentucky House of Representatives have ordered the Confederate troops to leave. Their force at Columbus is about 15,000.

☞ We learn, that Mr. Slenker is going from house to house in Snyder county, soliciting votes.

☞ Harris C. Steadman has commenced the practice of Medicine at Buffalo X Roads.

☞ We understand that M'Curdy Tate is raising a company in Brady and vicinity.

What some Border State Unionists think of Slavery, is pretty clearly stated in a speech which the Rev. W. B. Carter, of East Tennessee, delivered in Cincinnati. "I am a slave-holder," said Mr. Carter. "My ancestors, for three-generations, have been slave-holders; therefore I can not be charged with any prejudice against Slavery. But I tell you, that I regard the Union of the States as of infinitely more value than all the negroes, in America, and Africa too. Nay, I go further, and say that if the prosecution of this war and the perpetuation of the Union require that African Slavery shall die, then I say let it perish."

The Emperor of Russia has publicly and unequivocally declared, through his Minister at Washington, his sympathy with U. S. Government in its struggle with internal foes. Having just freed millions of serfs, he is no friend of slavery.

A Post Office has been established at Picture Rocks, about three miles above Hughesville, Lycoming county, and Mr. James E. Lobdell, appointed Post Master.

A TELLING FACT, WELL STATED.—In his great patriotic speech at Tunkhannock, Pa., Daniel S. Dickinson, of New York, stated the case as to the origin of this war, so concisely and admirably, that it might be taken as the motto of all defenders of the Government: "South Carolina began to scrape lint before the votes were counted." And it is a positive historical fact.

The Unionists have elected their whole ticket in Wilmington, Del., and the soldiers of the 1st Regiment squelched a Secession paper out of its impudence, even if the thing shall live.

"F. F. V.'s" was formerly understood to mean those of the first families of Virginia. It now stands for Cast-footed Virginians.

Hoofland's Balsamic Cordial has acquired a reputation that places it at the head of all pulmonary diseases. An advertisement will be found in another column.
