

UNION COUNTY STAR AND LEWISBURG CHRONICLE.

BY O. N. WORDEN AND J. R. CORNELIUS.

At \$1.50 per Year, Advances in Advance.

LEWISBURG, UNION CO., PA., FRIDAY, DEC. 27, 1861.

"THE UNION," established in 1814--Whole No. 2,503.

"CHRONICLE," established in 1813--Whole No. 924.

PUBLISHED SEMI-WEEKLY--

Tuesday Morning & Friday Afternoon.

ANOTHER YEAR GONE.

With the present No. close to 18 yrs. since A. Kennedy started "The Union," the first paper in this country--14 yrs. of "Chronicle" by the same Ed. and 7 yrs. under the Partnership.

REVENUE PAYMENT--It takes over a dollar a day to keep our paper alone, besides ink, rent, etc. We have no stock of materials, and save for the Publishers to eat and sleep to keep up their credit and manufacture. We therefore require large amounts. If any we know to be good & reliable at the time, they can make the difference. Mad subscribers who hereafter miss our paper, will understand them time is up according to our books, and price is now.

Critics--We offer some pay for the trouble of writing up clubs--a lot of papers. Papers may be sent us in a packing, though small, but we will send to any post-office desired.

Post Office--For eight years, the principal off's in Union county have been in the hands of the political opponents of this journal, who used their influence to the advantage of their own papers and the prejudices of ours. We do not complain of the fact--we only allude to it as a reason why we now ask the Republicans in charge of the Post Office, to use their proper local and official influence for us, as a party duty and favor.

Commemoration--True to her name and principles, Union county has sent her gallant sons to defend every Union army of the U. S. Ten or fifteen of these communicate with each other and with the world through the columns of our paper. This promises to continue most interesting, and some salutary for our paper, for themselves or as souvenirs, posts to send to friends abroad for the sake of our Soldiers Letters.

Sgt. Wm. H. Kelt, of the 10th of the Army who was in the War induced to issue a half dozen twice a week, the "Huntington Times," is our only exchange--him he is personal. It gives us but 1/4 page, 1 news and a quick & full. As some of our 700 County posts who have no other paper, is very necessary. To some what fails faith, and who wish to file our paper the Weekly on which sheet is preferred, all such can have it in that form by letting us know.

Jas. T. C. & H. H.--We will pay 5cts. each for 10 No.'s of our paper of 4th and 11th of Jan. last.

Quite a number of our papers of the past year are at the command of any who wish to search for a particular No. or to make up a file.

Photostats--A formal paper is not needed--the pay is sufficient--but those who desire convenience it from the last page of this sheet, or we will furnish it separately.

Sgt. A. Wolfe Brown, of East Buffalo, appears by the recent Catalogue, is in the Third Class of the Farmers' High School. He appears to be the only representative student of Union county. They have room for many more. A friend in that vicinity writes to us.

The College having a somewhat slender fund, and has a grand appearance. Prospects are good for full classes next session, which opens Feb. 19, 1862. There is a large proportion of farmers in the neighborhood, and the acquaintances and associations formed are such as will tend to make of them some of the tried and true old Kentucky.

Wm. H. Kelt, elected Surveyor General of Pennsylvania, having been appointed and confirmed a Brigadier General in the army, it became the duty of the Governor to fill the vacancy, and the Hon. BENJY SOUTHERN, late Senator from Elk county, has been appointed.
