re. Beni, C. Taylor, of Dayton, O. in renewing his subscription to the "Star & Chronicle," says that he has failed to receive but one paper in peven years. Considering that postal this isn't so bad.

De Lieut, George Corman, of the Flying Artillery now quartered in Lewisburg, desires us to acknowledge, evidence of the patriotism of our ladies, and shows that their hearts feel and their hands work for the soldier, from whatever quarter he may come : and that, while they have been bounfrom their mid-t to sustain the flag of ternoon we drew three days rations, and grant it providing they would give up a in word, deed, or sympathy. The out as farm hands. The fugitives are said strangers within their gates."

READY !-- Any one who has been watching the vast military machinery which the fall of Fort Sumpter set in fection and application is near. The man to send their money ; so that you the woods, our men then crossed and capnemy of six hundred thousand as brave see our Sunday was crowded full. and hardy men as ever drew a sword or discharged a musket is disciplined. to such a degree that it can work together as harmoniously as the parts of a steam engine. The flect of seventy iron-cased vessels at St. Louis and Cairo is about being completed, and is receiving its armament of ponderous gans and mortars. The Bornsides fleet has already sailed for its rendezvous at Old Point Comfort The army from the Kansas border to Fortress Monroe is constantly in expectation of the word from the young General-in-Chief, which they are so cager to obey-" Forward !"

When we consider that these tremendous legions of freemen, in addition to having enlisted their brave heartin the cause, are armed and equipped with the best and most powerful weapons which the most ingenious and en-lightened people on the globe can invent, we may well shudder when the telegraph announces a forward movement. That this storm of sulpharous ightning, iron thunder, leaden hail and crimion flood shall crash through the iron gates of Columbus, Bowling Green, Manassas, &c., and beard the lion of treason in his den, we have but little room to doubt.

Meanwhile the Southerners vainly endeavor to conceal their trepidation. a solling vessel, under command of Lt.Col. work we knew they were erceting and to They clamor for more mea ; consure Bell, carrying with them the flags of the keep our mon in readiness for all emer-their rulers for failing to fortify their old Pennsylvania Fourth. Slavery to Freedom, effects an instantaneous and complete revolution in his charactor, and the slave, who worked care leady and as little as he could, rises, when

has authorized Gen. James H. Lane to making Leavenworth his headquarters. and to march to the field of operation with all the speed possible. Jim Lune's army will go forth animated with the idea that makes heros-love of freedom. His expedition will be a western enterprize conlucted on western principles. Economy, bravery and celerity are the implements. Lane's force will be chiefly mounted. He expects to start with 15,000 cavalry, 10,fusileers, 4,000 loyal Indians, and about 1,000 Contrabands, now in Kansas, on the start ; but the latter force is expected to increase as he proceeds South. He can emplay S,000 to 10,000 able-bodied Contrabands to great advantage, to lighten the toil of the soldiers. Gen. Lane claims that have been placed in my hands for collect with the help of \$,000 or 10,000 robust
