At \$1.50 per Year, always in Advance.

LEWISBURG, UNION CO., PA., TUESDAY, FEB. 11, 1862.

"THE UNION," established in 1814---Whole No., 2,510

"CHRONICLE," established in 1843---Whole No., 931.

PUBLISHED SEMI-WEEKLY ... Tuesday Morning & Friday Afternoon.

pen Received yesterday-for next Fri. shown in the following paragraph: day's paper-a letter from Capt. Line, 2d inst., Hatterss.

A dark Hour-no Yielding.

An emineut historian of the United 1780, adde:

"The return of Spring brought little alleviation to this distress. Great disorder prevailed in the departments for supplying the army. Abuses crept in—frauds were practiced—and, notwithstanding the poverty of the country, economy on the part of the commissaries was exiled. In May, a committee from Congress visimy was unpaid for five months-that it bad seldom had more than six days' protision in advance, and was, on several oc- quotes from that book this paragraph: casions for sandry successive days, without meat-that the medical department in public bodies, to PURCHASE THEIR RE-LIEF BY CONCESSION. They seemed, on the contrary, to rise in the midst of their How immeasureably more comfortable and so also are the following: strength by the pressure of calamuity."

were their anecstors eighty years ago! coffee. Dinner-four ounces of tread, on eap of perk soup, three ounces of over-bodes.

No soldiers were ever better fed and paid than are ours, whose surplus provisions and clothing would have sustained their Sires of '76. Our Army-all Volunteers good entsciences. In the very water which -was never surpassed in modern times. While we have some public robbers, millions of transactions pass without wrong or complaint. With all of our defeats and traiters, the National credit is good. We have been beating back the for since we began to work. The great must of the people are not blinded by the false wiles of the "compromisors," who act the part of the British spice and "commissioners". of that by-gone era. The Republicans of this day, have to establish Law in South did in the Revolution, but are in every respect much better favored in the work.
