More Boats !- We learn that Frick,

Templar, in Bloomsburg, 24th ult., the following were unanimously elected:

on Water street, sparks from the smoke James S. Marsh & Co. The dry stuffs in and ready-made work being removed. The buildings of the Company escaped. The dwellings of Jos. A. Kreamer and Abuer M. Laushe, in front of the burning building, were so much exposed that water could no longer be thrown upon them from buckets, when the Logipe arrived and saved those and women-and the hands from the other Foundry especially -- worked hard bringing water to prevent the spread of the flames, and were successful, some wearing proofs of valor in sourched noses. The less-in patterns, &c -is probably \$3,000, less an insurance of \$867. We are glad to add that the damages will not hinder the Firm from furnishing their usual machines and Brick Shop will be erected.

occur in the day-time, nor so near water.
