How CHANGED !- A year or two ago, and he relies upon those he then held to applied in the act. be "fanatical Abolitionists." with others, come out all right.

MerOur Congressional District being ry supplemental act. now settled-Union, Northumberland, Sayder, Junista, and Dauphin countiesthe Sunbury papers have already proposed candidates.

The Democrat, the semi-Secession organ, as a strong commendation of John J. Reimensnyder, formerly an "F. F. V." political "parson," lately an inveterate fice-bunter. As the last "Democratic" candidate for Congress voted for in Northumberland, was a North Curolinian, who is now in the Reled ranks, it is natural trying to steal Harpers Ferry and Norfolk. they should try a Virginian next time. A Momber of Congress of the Vallandigham tripe, can help the Rebels more, by oppothan he could on the open field.

The Sunbury Gazette, a Union Democratie paper, has the following :

"We hear Geo.P.Miller, Esq., of Lewisburg, spoken of as a very good person for the short randidate in the new district. Mr. Miller is deservedly a popular man, and would go into contest with an energy that we ald custies access. We know of no man whose personal affaence is greater in the counties of Unien, Sayder and Northumbertand. On the Union income he is periodily reliable.

The act entitled "An act for the release every enterprise of benerolence, every move-ment calculated to advance the great interests in the district of Columbia," has this day I how a converter and advocar.

I have never doubted the constitutional authority of Congress to abolish slavery in of the State do more in arousing the people to this District, and I have ever desired to report the arrival of Jeff. Davis in the past month. The present month will show a proper sense of the grave issues now upon see the National Capital freed from the rebel camp, with the intention of taking us. It is stated that he was instrumental in institution in some satisfactory way; command in the great battle. bence, there has never been in my mind any question upon the subject, except the one of expediency, arising in view of all

the circumstances. If there be matters the secentric Parson Brownlow came north within and about this act which might to hold a public argument defending the have taken a course or shape more satisdivinity of Slavery, and bristling against factory to my judgment, I do not attempt all who dared oppose it. Now he comes to specify them. I am gratified that the they now occupy. The Rebels made but to specify them. I am gratified that the little resistance, but burnt their bridge at among us for sid-he wants a press, and two principles of compensation and colonbe wants the Slavery Rebellion crushed- ization, are both recognized and practically

In the matter of compensation, it is pro to restore the Union, which he now finds wided that claims may be presented within by experience to be more precious than ninety days from the passage of the act, Slavery. When a man is oppressed him- but not thereafter ; and there is no proviself, he is far less disposed to advocate or sion for minors, feme covert, insane or apologize for the oppression and degrada- absent persons. I presume that this is an tion of others ! Brownlow we trust will omission by mere oversight, and I recommend that it be supplied by an amendato-
