

HYMN--There's a song the angels sing... There's a song the angels sing...

Elections of 1862! MAINE, New Hampshire, Vermont, Massachusetts, Rhode Island, Connecticut, Wilmington, (Del.) Illinois, Oregon, and CALIFORNIA--

all the Loyal States that have voted this year, have voted in favor of sustaining the ADMINISTRATION of President Lincoln, without ifs or buts.

Maine Election. In this State, the Republicans and the Union Democrats failed to unite--and the Democrats were divided into two factions, the War and the Peace party.

History proves that nearly every war which has desolated our globe, has originated in the same cause--which is now desolating our land in blood--the desire of the strong and the rich to live at the expense of the weak and the poor.

Then comes the coronation of humanity. The long, dark night of war, will disappear, in the blaze of an endless morning.

THE Wisconsin Democrat State Convention declared unanimously to sustain the President in all strictly constitutional duties, denying the right of the people to refuse their support during the pending crisis, and denying his right to infringe on the people's liberties.

By the Fulton, from New Orleans, Aug 28, we learn that our troops left Baton Rouge some days before, leaving the gunboats to hold the place. The town was not burnt, only fifteen small wooden buildings having been destroyed to clear the space before the fortifications.
