THE PRESIDENT'S REPLY.

I welcome you, my gallant boys! from Maine's resounding shore,
From far New Hampshire's granite hills I see your legions pour;
From Massachusetts' thriving towns, from free Vermont, they come;
Connecticut wheels into line at rolling of the drum;
Gay little Rhoda springs to arms like David in his might,
Upon Rebellion's giant form to strike one blow for right—
One blow for right, my hero boys! for right and Uncle Sam—
Strive, and receive the blessings of the God of Abraham!

I see from all her boundaries the glorious Empire State
A countless host is sending forth with freemen's hopes elate;
New Jersey answers to the call, as if along her shore
Each grain of sand declared, "We come! three hundred thousand more;"
From Delaware there shines a gleam of white and crimson bars
Where faithful hands are holding up the banner of the stars—
They come to war for liberty, for right and Uncle Sam,
Who gives us all the blessings of the God of Abraham.

Pennsylvania, too, the Keystone of this glorious Union arch,
Is sounding through her thousand vales the thrilling order, March!
I see her dusky sons come forth from every darkened mine,
And like the clouds across her hills swift forming into line—
Their eyes have such a fiery gleam from glowing forges caught,
Their arms such strength as if they were of iron sinews wrought—
I think, when, on Secession's head, they strike for Uncle Sam,
Each blow will fall like vengeance from the God of Abraham!

I see adown our Western vales your legions pour, my boys,
Ohio, Indiana, and my own loved Illinois;
And Iowa, Michigan, and Minnesota, too,
And far Wisconsin's prairies, send their heroes tried and true.
Come on, O living avalanche! break into floods of light,
And roll your waves of truth along Secession's shores of night;
Drown out rebellion as of old, and then with Uncle Sam
Safe from his enemies we'll praise the God of Abraham!

PROCLAMATION.

WHEREAS, the threatened invasion of Pennsylvania by the rebel army has been arrested by the prompt and patriotic response of loyal men of the State, and the signal victory achieved by Gen. M'Clellan's army on the Antietam.

And whereas, the alacrity with which the people in every section of the Commonwealth rushed to the rescue of their brethren on the Cumberland Valley border, is worthy of the highest measure of praise. Although not required by the terms of the call to pass the borders of the State, our brave men, unused to the rigors of war and untrained in military movements, not only entered Maryland, but held Hagerstown against an advancing foe, pressed forward to the Potomac, and resisted the threatened movement of the rebels upon Williamsport, until troops in the United States service arrived and relieved them. Their timely and heroic action has saved the State from the tread of an invading enemy, whose necessities made even military strategy subordinate to plunder.

Now therefore, I, ANDREW G. CURTIN, Governor of the Commonwealth, do hereby order that the troops called into the service of State by General Order No. 36, be discharged, and that they be sent to their homes as rapidly as transportation can be furnished; and in the name of our mighty State, and in behalf of our threatened people on the border, I tender them the grateful acknowledgments of a rescued Commonwealth.

And I recommend, that the companies hereby discharged from active service, should take prompt measures to preserve and perfect their organizations, and that new ones should be formed in every county, so that they may at all times be ready to answer the call of the State, should their services again be required. Arms will be issued to them as soon as they can make regular requisitions in accordance with law, and the companies lately in the service of the State will be preferred to others, should the supply not be equal to the demand. It is confidently expected, however, that all the organized men of the State can be promptly and properly armed.

Given under my hand and the Great Seal of the State at Harrisburg, this 24th day of September, A. D. 1862, and of the Commonwealth the 87th.

By the Governor: ELI SLIFER,
Secretary of the Commonwealth.

REVENGE.—A man applied to the Drafting Commissioner to have the name of another man placed on the roll of the militia subject to draft. He said that the "fellow" had got his girl away from him and married her, and he "meant to get even," if it cost him *fifty dollars*. If he could get his rival drafted and shot, he would be contented and happy.

MANSLAUGHTER.—On last Sunday morning, at an early hour, a party of young men from Sunbury disturbed the house of Geo. Hoey, about a mile from town, which resulted in the killing of Thomas Morton, formerly of Lewisburg, by Hoey, by a gunshot wound in the back. Hoey, was arrested and committed to prison for trial. He kept a disreputable house.—*Sunbury Gazette, 12th inst.*

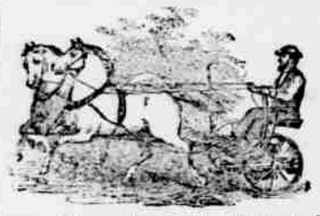
BUCKEYE ALL RIGHT



For the Harvest of 1862!

The most approved Agricultural Implements now in the Market!

MANUFACTURED BY

SLIFER, WALLS, SHRINER & CO.,
Lewisburg, Pa.

Buckeye Reaper & Mower.

THE unprecedented success of the "Buckeye" is the strongest proof of its superior excellency. The BUCKEYE has caused a complete Revolution in the Manufacture of *REAPING AND MOWING* Machines, and its reputation is so well established that it is scarcely necessary to particularize its advantages. We will, however, call the attention of the farmers to a few of its merits.

The TWO DRIVING WHEELS—the Pawls and Springs, by which the machine may be thrown out of gear, or be backed without vibrating the knives—the Steel Cutter Bar—the Wrought Iron Guard, with Hardened Steel Face or Cutting Edge—the Double-Hinged Joint, by which the Cutter Bar may be Folded—the long Crank Shaft—the Steel Spring and Wheel, by which the Cutter Bar may be raised and lowered so as to cut as low to the ground as may be desired—the Steel Pitman and Brass Box—its Light Draft—(no Side Draft)—no weight on the horses' necks—backs as easily as a cart—all of which form a combination of advantages which no other machine possesses.

No Gearing on the Driving Wheels.

A team of horses weighing 900 lbs. each, will cut an acre of grass an hour with ease.

The machine is furnished with two Cutter Bars—one for cutting grass, and the other for cutting grain (each expressly adapted to the use intended).

No effort will be wanting to maintain the Buckeye in the enviable position it now occupies, that of being the

Best Machine in the World!

—The subscribers return their sincere thanks to their friends for the generous support they have received in introducing the celebrated Buckeye Reaper and Mower into Central and Northern Pennsylvania, and are much indebted to them for their warm greetings and kind offices in recommending it to their friends and neighbors.

They also manufacture **Meyer's Patent Piston Grain Drill**, which is acknowledged to be the BEST SEED SOWER IN USE, and the only one which

What Everybody said could not be done, has at last been Accomplished!

AMBROSE'S Coal Oil **No Chimney** Hand Lamp. The following are some of its advantages:

1st. Dispenses with the chimney, which is expensive and cumbersome.

2d. The light is at once accessible for lighting and kindling purposes.

3d. Burns less oil than the chimney lamp.

4th. Burns the different grades and qualities of coal and carbon oils, from a density of 38 and upward.

5th. Can be carried around with about the same facility as a candle.

6th. Length of time in burning improves the quality of the flame. The lamp may be burned a week without trimming and will not smoke.

The burners can be attached to any lamp, so that persons having lamps need only change the burners.

DR. HOOFLAND'S

BALSAMIC CORDIAL,

FOR THE SPEEDY CURE OF

Coughs, Colds, Influenza, Croup, Hoarseness, Bronchitis, Pneumonia, Diseases of the Bowels, arising from Cold, Incipient Consumption, and for the relief and (if at all possible) cure of Patients in advanced stages of the latter disease.

THE Balsamic Cordial is entirely a Vegetable production, combining that healing properties of the Balsam, with the invigorating qualities of a Cordial, producing a combination as well adapted to the purposes intended, that there are but few cases of disease which will not, at an early period, succumb to its healing and life-giving properties.

For ages has the treatment of pulmonary diseases occupied the greater portion of the attention of the scientific of the medical world, but none acquired more eminence in his treatment of these diseases, than the celebrated Prussian Dr. Hoofland, the originator of the Balsamic Cordial. His life was devoted to the production of remedies that would stand unrivaled. How well he has succeeded, the American people are able to judge: and we positively assert, that no preparations that have ever been placed before them, have conferred the same amount of benefits on suffering humanity, or have elicited so many commendations from all classes of society, as the remedies of Hoofland, prepared by Dr. C. M. Jackson & Co., of Philadelphia.

The Cordial is designed for a class of diseases more general and more fatal than any other to which the people of this country are subject—those springing from a "slight cold." That eminent authority, Dr. Bell, says: "I will not say that Colds are to our inhabitants what the Plague and Yellow Fever are to those of other countries; but I can aver confidently that they usher in disease of greater complicity and mortality than these latter

Read what the eminent Glass Manufacturer, JOHN M. WHITALL, says of the BALSAMIC CORDIAL.

Dr. C. M. JACKSON—Respected Friend: Having for a long time been acquainted with the virtues of thy BALSAMIC CORDIAL in Coughs, Colds, Inflammation of the lungs, &c., I thus freely bear testimony to its efficacy. For several years I have never been without it in my family. It is also given me pleasure to state that I have used it with entire success in the treatment of Bowel Complaints. Thy friend truly, JOHN M. WHITALL.

LINDSEY'S Improved BLOOD SEARCHER,

A STANDARD MEDICINE

For the speedy, radical and effectual cure of ALL diseases arising from IMPURITY OF THE BLOOD!

THIS medicine has wrought the most miraculous cures in desperate cases of

Scrofula	Cancerous formations,
Cutaneous diseases,	Erysipelas, Boils,
Pimples on the face,	Sore Eyes, Scald Head,
Old, stubborn Ulcers,	Rheumatic disorders,
Tetter affections,	Costiveness,
Dyspepsia, Jaundice,	Salt Rheum,
Mercurial diseases,	General debility,
Liver Complaint,	Loss of Appetite,
Low Spirits,	Foul Stomach,

Female Complaints—and all diseases having their origin in an impure state of the Blood.

The above is a portrait of David M'Creary, of Naples Twp, who, on the 31st day of August, 1858, made affidavit before Justice Gordey that he was treated for the cure of CANCER by three physicians of Bedford county, and by Dr. Newton of the Eclectic College, Cincinnati, for a period of nearly eight months, notwithstanding which *his lip, nose, and a portion of his left cheek were entirely eaten away!* He had given up all hope, when he heard of the "Blood Searcher," and was induced to try it. Four bottles cured him, and although sadly disfigured there is no question but this invaluable medicine saved his life. The full particulars of this remarkable case may be seen in a Circular to be had of any of the Agents.

We also refer to a case of Nancy Bleaking, of Elderton, Armstrong Co., Pa., cured of SCROFULA after being unable to get out of bed for three years.

To the case of Lady in Amsterville, Clearfield Co., who was also afflicted with Scrofula in its worst form.

To the case of George Meisel, residing in Carrolltown, Cambria Co., Pa., who was so badly afflicted with Cancer that it cut his entire nose off, and his case was worse, if possible, than M'Creary's.

The particulars of these cases—every one of which was cured by the use of the "Blood Searcher"—may also be found in a Circular in the hand of any of the Agents.

COMMENDATIONS.

From Hon. LEWIS D. CAMPBELL, M. C., Ohio

My family and friends all concur in the opinion that the (Newell) Picture is more life-like than any thing they ever saw. My likeness has been repeatedly taken by different Artists in various ways, but I have never yet had one which presented so true to nature, all the features any expressions of countenance as this.

From Hon. E. JOY MORRIS, late Minister to Italy.

The exquisite finish, beauty and softness of your portraits, conjoined with their durability of color and faithfulness as likenesses, can not fail to commend them to the attention and patronage of all who appreciate true art.

From Col. JAMES PAGE.

Having occasion for a portrait, I procured one from Mr. Robert Newell, of the city of Philadelphia, a miniature in Oil Colors, *under the new process discovered by him*, and take great pleasure in expressing the satisfaction given me, not only by the accuracy of the likeness, but its artistic finish in all respects, and recommend him to the patronage of those disposed to encourage the beautiful art. 851m6 JAMES PAGE.
