Can any county in the State show a better array of figures than the above? A small county, but cash in readiness for posed an Amendment to the Constitution, a desperate charge and cut his way out, ment. \$21,150,000 is now in the hands pext Court, and no one suffering for her giving Soldiers in service the right to vote thus saving his command. Our ammuni of the various paymasters of the army,

-Fell in action near Antictam, in his 21st Posed by the Democratic Judges) youth-a sincere Christian-a brave soland characteristics of the young man; the lamented youth, could tell when and how the tract may be obtained.

Some of the secesh papers in this neigh. borhood have scraped together a few seriopathetic stanzas, and are publishing them as the production of that mischievous rebel (so much admired by them) "Stonewall" Jackson. Their bern, not long since, positively denied that he ever wrote ony poetry at all. This is too bad. These editors should be content with the services he is rendering them in killing off their hated abolition neighbors, without leading him down with additional honors, which he assures them he is not

Emancipation Proclamation has tapped length along" for years, without much train, between Murfreesboro' and Nash- the Missouri Democrat a letter from the jagular veins of both the Rebellion advantage gained, and with no less exthe jagular veins of both the Rebellion advantage gained, and with no less exthe jagular veins of both the Rebellion advantage gained, and with no less exthe jagular veins of both the Rebellion advantage gained, and with no less exthe jagular veins of both the Rebellion advantage gained, and with no less exthe jagular veins of both the Rebellion advantage gained, and with no less exthe jagular veins of both the Rebellion advantage gained, and with no less exthe peace. This is just what the "peace" material. Our men dug rifle pits at night, little, stating that ten of his men over said toom, on Market street.

The sing syren songs and fortified the batteries. the jugular veins of both the Rebellion advantage gained, and with no less ex. ville, and burnt many wagons and the Col. Pennock, 9th Cavalry, Missouri favorable to the cause of Secession in both of the "good time coming," when they Jan. 2d, at 4, P. M., the enemy fell were murdered the week previous by sections. They at present vie with each shall once more hold the reins of governother in heaping abuse upon the President ment, and inaugurate peace. They fail, and his co-workers in the cause of Union however, to tell us how they are going and Freedom, straining their vocabulary about it; their programme remains an unto its utmost to supply the neccessary cortainty. They tell us they will never, depth of scurrility and invective. The never see this Union divided. The Reb-Democracy realize the fact that Slavery is els as strongly affirm that the war shall the only prop of their party, and should not end until it is rent in twain. Well, this pillar give way, their temple would then, how are the Democrats to restore a masked battery and three stands of coltumble with an awful crash. In the the Union? But one way remains, and ors. They drove the enemy across the his troops. practical workings of the Proclamation, that is just the plan which they now so they have not yet agreed. One half says vehemently denounce; to continue the stricken. (O, that we had known all this! Union women of Jackson county, and it is a dead letter-not a slave will gain his war with all the vigor in the capacity of freedom in consequence of it-too igno- the government. But having by their in line of battle-the mud over their shoe- most notorious ones have been rant to understand its meaning, &c. perfidious course, discouraged volunteering, mouths, and the rain pouring down- arrested to prevent them executing While the other half hold up their hands opposed the draft and done all in their without overcoats or shelter, and no food their threats. They have also levin borror, picturing to their readers all power to depress the credit of the govern. but parched corn. Thus they watched and icd assessments upon the loyal men the terrors of a general insurrection; but ment, where shall their men and money be they agree upon one point—that the Proc. found? They can not honestly ask for bankments, and buried the honored dead—to be Southern sympathizers to avoid lamation is worse than Disunion, or any volunteers; to draft would be in direct but some cowards who ran on the 2d had thing else which they can conceive. But opposition to their former arguments; and been shot dead, and left unburied, stark let them flounder; there was never a to ask a load for a nation which they have and rigid, to bleach and rot under the Tuesday, and the consequent impasstorm which was not followed by a calm; labored so hard to prove has no credit, winds and rains of heaven.) and when this hurricane passes away, its would be simply ridiculous. Yet to make Saturday, the 3d, cold winds and rain ered any advance of the Army of the causes will be removed, and we may not good their daily promises, all this must be drifted down upon the shivering soldiery.
