the pay of Members of our Logislature to the absent, or dodging the vote. the old standard \$3 per day for one hunday beyond the one hundred.

The Pennsylvania Central Railway Company have leased the Williamsport & Erie Railroad, which, with the Sunbury & Erie in their control, and some line to Buffaloe city, gives that corporation still more extensive powers. They, no doubt, make good running roads, but when one considers how rapidly "mammoth corporations" are coming to control States, it is matter of serious reflection. "Camden & Amboy" generally earries New Jersey, and in a close contest the Central New York decides the elections of that State.

of the Government-all men aiding the impressively, but somewhat with the earth, we now find ourselves at least upon Rebeis by harrissing the people of the Southern defective oratory, in that a part a level with our opponents, and there is Loyal States. They were in real if not of his articulation was very low and indisequate to the abilities of this country, intended league with our enemies. They tinet, and consequently not heard at a dis-would enable us speedily to conclude the forced the fictitious value of gold up to tance, many hearers thereby losing the war, and to secure the invaluable bless-171. Sec. Chase's financial bill, and other thread of his argument. Gov. Wright is ings of Peace, Liberty and Safety. With measures of Congress, on Thursday last an erect, white headed, straightforward, this view, it is in contemplation, at the knocked gold down to 145, but it rose to logical speaker, foreible, and patriotic. 155. Many of those pure (or rather foul) Both gentlemen proceeded to Washington, speculators will soon become bankruptsand no true man, woman, or child, will would be well for the Union if they could pity them, if they suffer as they have traverse the Free States. made others suffer.

Test Votes.

No man in the Robel States has done mere for the Union, or suffered much more from the Rebels, than the man (once James Lawson and Wm. Steams, Trustees, to the common interest, as not to exert rides on to the ground and rides off in a poor, and a tailer by trade), Andrew power to sell certain real estate of Presbythemselves upon these generous principles, very short time; and the whole thing is

piers that run out into the James Riverbankment with a dry ditch, and some cents. earthen works where guns had been you can see water down toward Ft. Monroe to the left, up the James river to the right, and water over toward Norfolk. For several hundred yards from the shore it is a bare sand plain, once cultivated, now without fence, tree or shrub. Back of that it is swampy, and backed with heavy pitch timber. Thus it is up as far as you can see; and here the troops are encamped. Our life is as bare of incident as the sandy plain is of trees. Back of us there are roads running through the woods, where we have outposts. Trivialities afford us some little amusement. There is an old Scotchman living there who sells ale at the rate of about thirty dollars the balf barrel, and butter at 40 cents the pound. One of our Lieutenants was on duty out there, one dark night not long ago, and hearing a noise, like the scream of a goose, pursued; crossing the field he saw a man standing there, and hailing him February 25, 1778.—The Executors asked where that goose was he heard acres in " White Deer Creek Township, heard one squalling about her somewhere." On closer investigation, Paddy was found standing with his foot on the goose's neck, commodious and elegant Court Room was neres lying in Antictam settlement, within The Lieutenant picked it up and, carried it back to the house, and coming into the light found his gloves and coat covered Curtin presided, assisted by Judge Pear- "To the Inhabitants of New Jersey, Penn- with blood-the threat had been cut and life was extinct. mounted. Standing in our camp ground, SONG OF THE SIMPLETONS.

BY JAMES ACRES. "Give the rebels one strong rope,

That's the creed of Northern feels, Better said than they can say it: 'The their faithe's only string. And how constantly they play it!

When you sing this cocket soing, Bea't you know that you're a niney, More a fast, a hundred field Than Sambo on the coast of Guinea!

Were they about courses
Who batter'd down the walls of Sumpter

Who bunished it from our domain?

Men who framed the Constitution

Who taught us slavery to abhor?

Washington and LaFayette
Wished to see find slavery ended:
Now a "Democratic" jet.
It must be morrish I and extended!

Slavery's arrogant demands Would multir our fathers' action; Slavery is the horrid nurse Of civil war and bloody faction.

If we are abolitionists,

We're what itself-ranklin's backing made us;

And God forbid that we should excuse

His noble spirit to uplicate us!

And hence, the worlds appressure try To rend our glorious land assurder.

You'd hang us with the rebels--why? Because we see the truth and heed it? Put out our light though small it be. And you may see the day you'll need it.

Just give the slave-power all it claims, Losteed of fighting Freedom's battles, And in the gloimy years to come Your own descendants may be chattels.

'It's not the African alone
Whom slavery doons to till and serrow:
The helpless peer will be its prey.
And who may not be peer to merrow?

Those arguments for slavery, drawn from reior are must surely tright ones! Of all the slave slave more time began. A large projection have been white ones.

Look at Russia's seris to day, Whiter than the South's dictators! Who were shares in Egypt, pray? Who were Roman gladiators? Give all their rights then, every one— The rich, the peer, the high, the lowly; Then shall your children dwell beneath The fing of Justice, pure and holy!

&c. &c., for sale at this place, in the opring. They will be brought from the old Laurel Ridge Nursery, tormerly belonging to Lewis O. Hummer, but now to Sarakan, Lewis & Humman, who have entered into a co-partnerstop for the purpose of establishing a regular Nursery at this place. The old Laurei Ridge Nursery is simulated in Adams Co., Pa., is a well-established nursery, and contains as good a variety of trees as any in the State of Penn a or New York. Mr. Hummer has had considerable experience in the business from his youth. The pattice can expect large, well-formed Trees, of the sext and latest varieties. Persons wishing to purchase of this firm had better send in their seriers room, as that we can bring the kind desired, but there will be more true brought from the Nursery than will be measured to fill orders, and purchasers can therefore see the trees before buying, if they wish to. We amuse a list of trees when we have on hand; but we can not ourseinsity enumerate the different varieties; but the public will find a catalogue at the Dime Saving Institution. Apple trees, at 6–10 feet high, from 15 to 20 cm, such Pearls, from 4 to 5 feet high, the best such such. good a variety of trees as any in the State of

fi per desem. on sects to fi each, (40cts to fi each.
