Hurrah for the Union Flag.

BY HON. THOMAS WILLIAMS, OF PITTSBURG

I.

Brothers of free descent were we, and native to the soil,
Knit soul to soul, in one great whole, fruit of our fathers' toil;
But when that band of love was rent, the cry rose near and far,
"To arms! to arms! Long live the Stripes! we know no 'single star.'"
CHORUS—Hurrah! Hurrah! for the Union Flag, Hurrah!
Hurrah for the Union Flag, that knows no "single star."

II.

So long as Southern arrogance forbore to touch that Flag,
Full many a taunt we meekly bore, and many an idle brag;
But when, on Sumpter's battlements, the traitors did it mar,
We flung abroad that Union Flag, that ne'er shall lose a star.
Hurrah! Hurrah! for the Union Flag, Hurrah!
Hurrah for the Union Flag that bears our stripes and stars!

III.

And first the gallant Keystone State, from every mountain glen,
From hill and valley, lake and town, sent down her stalwart men;
And all New England rose amain, as blew the trump of war;
And raised on high their Fathers' Flag, that knows no single star.
Hurrah! Hurrah! for the Union Flag, Hurrah!
Hurrah for the Union Flag, that ne'er shall lose a star!

IV.

From Saratoga's tree-crowned heights, from Moomouth's bloody plain,
The men of York, and Jersey too, both swelled the mustering train,
As onward—onward—fierce it rushed, o'er all opposing bars,
To punish those who dared insult our glorious stripes and stars.
Hurrah! Hurrah! for the Union Flag, Hurrah!
Hurrah for the Union Flag, with all its stripes and stars!

V.

And next the hardy pioneers, the dauntless and the brave,
From those domains by Freedom won, that never knew a slave,
Their trusty rifles all in hand, with eye and port like Mars,
Grasped once again with iron hand the staff that bears our stars!
Hurrah! Hurrah! for the Union Flag, Hurrah!
Hurrah for the Union Flag that bears our stripes and stars!

VI.

And from the bison's prairie haunts, o'er Mississippi's flood,
From Minnehaha's sparkling Falls, o'er Kansas' land of blood,
New England's youngest scions there, have heard the din of wars,
And grasped their Fathers' ancient brand, and reared their stripes and stars.
Hurrah! Hurrah! for the Union Flag, Hurrah!
Hurrah for the Union Flag that bears our stripes and stars!

VII.

And farther still, where sunset seas, bathe California's shore,
And grim Sierras darkly frown its golden treasures o'er,
Our Western Twins have heard the call, and answered from afar,
"We come! we come! rear high the Flag that knows no single star."
Hurrah! Hurrah! for the Union Flag, Hurrah!
Hurrah! for the Union Flag that bears our stripes and stars!

VIII.

Missouri too, her garments red, and little Delaware,
With heart as big as when of old she bore a lion's share,
Have burst the chain, which cramps the soul, and all that's noble mars,
And wheeled in line, come weal or woe, beneath the stripes and stars.
Hurrah! Hurrah! for the Union Flag, Hurrah!
Hurrah! for the Union Flag that bears our stripes and stars!

IX.

And "Maryland, our Maryland," though called with "fife and drum,"
And "old line bugle" too, to fight against the "Northern scum,"
Has thought of Camden's bloody field, and Eutaw's iron scars,
And lo! she stands, where erst she stood, beneath the stripes and stars.
Hurrah! Hurrah! for the Union Flag, Hurrah!
Hurrah for the Union Flag that bears our stripes and stars!

X.

Would we could say the same of thee, thou dark and bloody ground!
Whose sexless sages, false of heart, away of "peace" have found!
Shame on you! No half faith have we! Up, gird ye for the wars,
And take your place, as men, once more, beneath the stripes and stars.
Hurrah! Hurrah! for the Union Flag, Hurrah!
Hurrah for the Union Flag that bears our stripes and stars!

XI.

From thy Medusa glance we turn, with hearts of cheer and pride,
To West Virginia, virgin rib, torn from false mother's side.
Daughter of strife! Fair Freedom's child! Thy mountains ring afar,
With echoing shouts, for that blest Flag, that counts another star.
Hurrah! Hurrah! for the Union Flag, Hurrah!
Hurrah! for the Union Flag that bears our stripes and stars!

XII.

And more 'twill count, no Pleiad lost, of all that shining host,
Though dim eclipse have veiled their fires, and traitors loudly boast;
But one by one those wand'ring lights shall gem our heavens, like Mars,
And all the Nations bless our stripes and coronet of stars.
Hurrah! Hurrah! for the Union Flag, Hurrah!
Hurrah for the Union Flag that bears our stripes and stars!

XIII.

No other flag shall ever float above our homes or graves,
Save yonder blazing oriflamme, that flutters o'er our braves:
Its rainbow stripes, our Northern lights, with no sinister bars;
Our ancient flag! Our father's flag! Our glorious stripes and stars!
Hurrah! Hurrah! for the Union Flag, Hurrah!
Hurrah for the Union Flag that bears our stripes and stars!

XIV.

Then bear that Banner proudly up, young warriors of our land,
With hearts of love, and arms of faith, and more than iron hand!
Down with the Northern renegade! and join our gallant tars,
In rearing high, in victory, our deathless stripes and stars!
Hurrah! Hurrah! for the Union Flag, Hurrah!
Hurrah for the Union Flag that bears our stripes and stars!

DR. HOOFLAND'S

BALSAMIC CORDIAL,

FOR THE SPEEDY CURE OF

Coughs, Colds, Influenza, Croup, Hoarseness, Bronchitis, Pneumonia, Diseases of the Bowels, arising from Cold, Incipient Consumption, and for the relief and (if at all possible) cure of Patients in advanced stages of the latter disease.

THIS Balsamic Cordial is entirely a Vegetable production, combining the healing properties of the Balsam, with the invigorating qualities of a Cordial, producing a combination so well adapted to the purposes intended, that there are but few cases of disease which will not, at an early period, succumb to its healing and life-giving properties.

For a long time the treatment of pulmonary diseases employed the greater portion of the attention of the scientific of the medical world, but none acquired more eminence in his treatment of these diseases, than the celebrated Prussian Dr. Hoofland, the originator of this Balsamic Cordial. His life was devoted to the production of remedies that would stand unrivaled. How well he has succeeded, the American people are able to judge; and we positively assert, that no preparations that have ever been placed before them, have conferred the same amount of benefits on suffering humanity, or have elicited so many commendations from all classes of society, as the remedies of Hoofland, prepared by Dr. C. M. Jackson & Co., of Philadelphia.

The Cordial is designed for a class of diseases more general and more fatal than any other to which the people of this country are subject—those springing from a "slight cold." That eminent authority, Dr. Bell, says: "I will not say that Colds are to our inhabitants what the Plague and Yellow Fever are to those of other countries; but I can aver confidently that they usher in disease of greater complicity and mortality than these latter

Read what the eminent Glass Manufacturer, JOHN M. WHITALL, says of the BALSAMIC CORDIAL.

DR. C. M. JACKSON—Respected Friend: Having for a long time been acquainted with the virtues of thy BALSAMIC CORDIAL in Coughs, Colds, Inflammation of the Lungs, &c., I thus freely bear testimony to its efficacy. For several years I have never been without it in my family. It is also given me pleasure to state that I have used it with entire success in the treatment of Bowel Complaints. Thy friend truly, JOHN M. WHITALL.

BUCKEYE ALL RIGHT

For the Harvest of 1863!

The most approved Agricultural Implements now in the Market!

MANUFACTURED BY

SLIFER, WALLS, SHRINER & CO., Lewisburg, Pa.

Buckeye Reaper & Mower.

THE unprecedented success of the "Buckeye" is the strongest proof of its superior excellency. The BUCKEYE has caused a complete Revolution in the Manufacture of *REAPING AND MOWING* Machines, and its reputation is so well established that it is scarcely necessary to particularize its advantages. We will, however, call the attention of the farmers to a few of its merits.

The TWO DRIVING WHEELS—the Pawls and Springs, by which the machine may be thrown out of gear, or be backed without vibrating the knives—the Steel Cutter Bar—the Wrought Iron Guard, with Hardened Steel Face or Cutting Edge—the Double-Hinged Joint, by which the Cutter Bar may be Folded—the long Crank Shaft—the Steel Spring and Wheel, by which the Cutter Bar may be raised and lowered so as to cut as low to the ground as may be desired—the Steel Pitman and Brass Box—its Light Draft—(no Side Draft)—no weight on the horses' necks—backs as easily as a cart—all of which form a combination of advantages which no other machine possesses.

No Gearing on the Driving Wheels.

A team of horses weighing 900 lbs. each, will cut an acre of grass an hour with ease.

The machine is furnished with two Cutter Bars—one for cutting grass, and the other for cutting grain (each expressly adapted to the use intended).

No effort will be wanting to maintain the Buckeye in the enviable position it now occupies, that of being the

Best Machine in the World!

—The subscribers return their sincere thanks to their friends for the generous support they have received in introducing the celebrated Buckeye Reaper and Mower into Central and Northern Pennsylvania, and are much indebted to them for their warm greetings and kind offices in recommending it to their friends and neighbors.

For Certificates, &c., see Circulars, which may be had of any of their Agents.

They also manufacture **Meyer's Patent Piston Grain Drill,** which is acknowledged to be the BEST SEED SOWER IN USE, and the only one which

SOWS OATS PERFECTLY!

Also, the **Keystone Clover Heller,** which cleans thoroughly, without in the least injuring the seed. Will clean more in the same time than any other machine in use.

They also manufacture and keep on hand for sale *Darling's Trend Power and Thresher; Telegraph Fodder Cutter (two sizes); Cooking Stoves,* among which is the celebrated "Continental;" *Parlor and Office Stoves, and all kinds of Cast and Wrought Iron and Brass Work.* SLIFER, WALLS, SHRINER & Co.

The above is a portrait of David M'Creary, of Naples Twp, who, on the 31st day of August, 1858, made affidavit before Justice Gorley that he was treated for the cure of CANCER, by three physicians of Bedford county, and by Dr. Newton of the Eclectic College, Cincinnati, for a period of nearly eight months, notwithstanding which *his lip, nose, and a portion of his left cheek were entirely eaten away!* He had given up all hope, when he heard of the "Blood Searcher," and was induced to try it. Four bottles cured him, and (although sadly disfigured) there is no question but this unrivaled medicine saved his life. The full particulars of this remarkable case may be seen in a Circular to be had of any of the Agents.

We also refer to a case of Nancy Bleakney, of Elderton, Armstrong Co., Pa., cured of SCROFULA after being unable to get out of bed for three years.

To the case of a lady in Auburnville, Clearfield Co., who was also afflicted with Scrofula in its worst form.

To the case of George Meisel, residing in Carrolltown, Cambria Co., Pa., who was so badly afflicted with Cancer that it eat his entire nose off, and his case was worse, if possible, than M'Creary's.

The particulars of these cases—every one of which was cured by the use of the "Blood Searcher"—may also be found in a Circular to be had of any of the Agents.

COMMENDATIONS.

From Hon. Lewis D. Campbell, M. C., Ohio

My family and friends all concur in the opinion that the (Newell) Picture is more lifelike than any thing they ever saw. My likeness has been repeatedly taken by different Artists in various ways, but I have never yet had one which presented to me so true to nature, all the features and expressions of countenance as this.

From Hon. E. Joy Morris, late Minister to Italy.

The exquisite finish, beauty and softness of your portraits, conjoined with their durability of color and faithfulness as likenesses, can not fail to commend them to the attention and patronage of all who appreciate true art.

From Col. James Page.

Having occasion for a specimen, I procured one from Mr. Robert Newell, of the city of Philadelphia, a miniature in Oil Colors, under the new process discovered by him, and take great pleasure in expressing the satisfaction given me, not only by the accuracy of the likeness, but its artistic finish in all respects, and recommend him to the patronage of those disposed to encourage the beautiful art. 873m6 JAMES PAGE.
