Dear Sir: I see by our papers that you are selling for the Government a new Loan called "Five-Twenties." I expect to have Government Loans are safe all good, and occasion to regret it. it is my duty and interest, at this time, to put my money into them in preference over any other loans or stock . I write to get information of you as follows: 1st. Why are they called "Five-

Twenties?" 2d. Do you take country money, or on Philadelphia, or New Y ra, answer for subscriptions?

34. Do you sell the Bonds at Par? 4th. As I can not come to Philadelphia, how am I to get the bonds?

5th. What Interest do they pay, and how and when and where is it paid, and is it paid in Gold or Legal Tender? 6.h. How does Secretary Chase get enough Gold to pay this Interest?

7th. Will the face of the Bonds be paid in Gold when due? Sih. Can I have the Bonds payable to Bearer with Coupons, or registered and payable to my order?

9 h. What size are the bonds? 10th. Will I have to pay the same tax on them as I now pay on my Railroad, or any other Bonds?

11th. What is the present debt of the Government, and what amount is it likely to reach if the Rebellion should last a year or two longer?

12th. Will Secretary Chase get enough from Custom House duties and Internal Revenue, Income Taxes, &c. &c.,

to make it certain that he can pay the Interest punctually? I have no doubt that a good many of my neighbors would like to take these

Bonds, and if you will answer my questions I will show the letter to them. Very Respectfully,

1st. These Bonds are called "Five-Twenties" because, while they are twenty years Bonds, they may be redeemed by the Government in GOLD at any time after fice years. Many people suppose that the Interest is only 5.20 per cent. This is a mistake; they pay Six per cent.

2nd. Legal Tender notes or checks upon Philadelphia or New York that will bring Legal Tenders, are what the Secretary allows me to receive. No doubt your nearest Bank will give you a check or Legal Tenders for your country funds. 3d The Bonds are sold at PAR, the Interest to commence the day you pay the

Interest in Gold, three per cent. every six months, on the first day of May and November at the Mint in Philadelphia, or at any Sub-Treasury in New York or elsewhere. If you have Coupon Bonds, all you have to do is to cut the proper Coupon off each six months, and collect it yourself or give it to Bank for collection. If you have Registered Bonds, you can give your Bank power of attorney to
