McCharles M'Gregor and Wm. L Phillips are home on furleugh, from Capt. James Chamberlin's Company.

Ber-Beech C. Ammons, has been promoted to 1st Lieut, and H. S. Mengas to 2d Lieut. Co. E, 53d P. V.

Subscription papers for the Lewisburg & Chillisquaque Turnpike should be in by Saturday of this week.

ren, Lieut. Daniel Bower, 147th P.V., is of TIME? among the wounded in one of the late battles near Fredericksburg. The Regiment is now at Harrisburg.

BerPenns Valley and other parts of Center county lost a large number of good men in the last contests on the Rappahannock. Bradford county lost 150 of her poblest sons-and Columbia county suffored considerably.

We have a letter from a long tried soldier in the Union army, who feels very authority passing in a Southern Legislature much like pulling the Copperhead badges and by open revolt, sedition, and treason, off every man, as the soldiers consider it at numerous public meetings there. a sign of affinity with the Rebels.

25. Capt. Charles C. Shorkley is Chairmay of the Committee of Arrangements for the reception of Capt. Jos. R. Orwig's Company whonever they shall arrive-the last of this week, probably, as they got to Harrisburg on Saturday last.

no Thanks to Capt. James Chamberberlin, for two Union papers from Beaufort, S. C. The Free South has an interesting account of a Sabbath School celabration, in that town, by 250 or 300 black children (all in rags a year ago,) whose recitations, singing, and "kittychizms," were most entertaining and promising.

A RELIC .- Thomas Howard shows us a button, dug up among the ruins of the house of the elder Mr. Dale, which was burned down (in Buffaloe Valley) over forty years ago. It is larger than a half dollar, made apparently of capper and brass, and ornamented with the figure of an eagle, surrounded with the words-" Pourth of March, 1789-memorable era." It was probably manufactured and worn to commemorate the entrance of Washington upon the untried duties of the Presidency.

We regret to see that the friends der of Fort Sumpter. of the Administration in Bradford county are so much divided-in matters originating with personal rivalries-that they have two organizations, and have chosen two setts of Delegates to the Pittsburg Convention. We think the Crawford (or Direct Vote) system of making nominations, would cure the evil complained of, and restore harmony among the masses of Bradford.
