FIFTY YEARS AGO!

How wondrous are the changes, Jim!
  Since fifty years ago,
When girls wore dresses made at home,
  And boys wore pants of tow;
When shoes were made of cow-hide,
  And socks of our own wool,
And young folks did a half day's work
  Before and after school.

The ladies sung and danced so gay
  Beside the spinning wheel,
And practiced late and early then
  On spindle, swift, and reel;
The boys would ride bare-back to mill,
  A dozen miles or so,
And didn't fear a sun-burnt brow,
  Some fifty years ago!

The people rode to meeting, Jim!
  On bob-sleds or in sleighs,
And waggons rode as easy too
  As buggies now-a-days;
And oxen answered well to draw,
  Though now they'd be too slow,
For people lived not half so "fast"
  Say fifty years ago.

And well do I remember yet
  The Wilson's patent stove,
Which father bought and paid for with
  Some cloth our folks had wove;
O, how the neighbors wondered,
  When we got "the thing" to go!
They said 'twould "burst" and kill us all—
  'Bout fifty years ago!

Yes, many things are different, Jim!
  From what we used to see—
Some ways are altered for the worse,
  And some far better be.
And what on earth we're coming to—
  Does anybody know?
For everything has changed so much
  Since fifty years ago!

To Tell a Person's Age.

Hand the six tables of figures following, to the person, and ask him or her to point out each column containing his or her age; then add together the figures at the top of the columns thus pointed out, and you have the correct answer up to 63. The same might be extended indefinitely.

Eccentricities of Authors.

As "dreams go by contraries," and as "distance lends enchantment to the view," so quill-drivers are often the very reverse of what they most charmingly advocate.

Steele wrote eloquently on temperance—when sober. Sallust declaimed vividly against the licentiousness of his age, but was an habitual debauchee. Johnson's essay on politeness is admirable, but he was himself a perfect boor. The gloomy verses of Young give one the blues, but he was a brisk, lively man. "The Comforts of Human Life," by B. Herron, were written in prison, under the most distressing circumstances. "The Miseries of Human Life," by Beresford, were on the contrary, composed in a drawing-room, where the author was surrounded with every luxury. All the friends of Sterne, knew him to be a selfish man; yet as a writer, he excelled in pathos and charity—at one time beating his wife, at another wasting his sympathies over a dead donkey. So Seneca wrote, in praise of poverty, on a table formed of solid gold, with millions let out at usury. And the greatest Aristocrats of the day—the men who would trample upon human rights and good government—are the "Democrats" of North America, who excel all civilized people in tyranny and treason to free institutions. Their Editors who prate most about the "Constitution," know the least of it; they have seen it trampled down for years, at the South, as it now is, without a word of objection; but decry lustily against any constitutional suspension of habeas corpus, and other military measures authorized by common law and our statutes, "when, in case of Rebellion or invasion, the public safety may require it." They cry out for Liberty, and in the same breath advocate Slavery!

Judge Bond of Baltimore recently fined $25 and costs, with six months in jail, a white man who wantonly knocked down and kicked a harmless, unoffending colored man. "The law affords these people its protection, and such cruelty shall not go unpunished," said the Judge. Since the Slave power rebelled, *all men* will have "rights" which *all other men* will be "bound to respect."

There is a proposition before the Canadian Parliament to return to the United States all fugitives from the draft who may foist their cowardly persons upon Canada. It is said the act will become a law.

The Republicans carried Lansing, the capital of Michigan, for the first time, in the late election.

Capt. Jacob Peterman—one of the most beloved young men of Muney—fell in the recent battles on the Rappahannock.

DR. HOOFLAND'S
BALSAMIC CORDIAL,

FOR THE SPEEDY CURE OF
Coughs, Colds, Influenza, Croup, Hoarseness, Bronchitis, Pneumonia, Diseases of the Bowels, arising from Cold, Incipient Consumption, and for the relief and cure of all possible cases of Patients in advanced stages of the latter disease.

THE Balsamic Cordial is entirely a Vegetable production, combining the healing properties of the balsam, with the invigorating qualities of a Cordial, producing a combination so well adapted to the purposes intended, that there are but few cases of disease which will not, at an early period, succumb to its healing and allegiving properties.
For ages has the treatment of pulmonary diseases occupied the greater portion of the attention of the scientific of the medical world, but none acquired more eminence in his treatment of these diseases, than the celebrated Prussian Dr. Hoofland, the originator of the Balsamic Cordial. His life was devoted to the production of remedies that would stand unrivaled. How well he has succeeded, the American people are able to judge; and we positively assert, that no preparations that have ever been placed before them, have conferred the same amount of benefits on suffering humanity, or have elicited so many commendations from all classes of society, as the remedies of Hoofland, prepared by Dr. C. M. Jackson & Co., of Philadelphia.
The Cordial is designed for a class of diseases more general and more fatal than any other to which the people of this country are subject—those springing from a "slight cold." That eminent authority, Dr. Bell, says: "I will not say that Colds are to our inhabitants what the Plague and Yellow Fever are to those of other countries; but I can aver confidently that they usher in disease of greater complicity and mortality than these latter
Read what the eminent Glass Manufacturer, JOHN M. WHITALL, says of the BALSAMIC CORDIAL.
DR. C. M. JACKSON—Respected Friend: Having for a long time been acquainted with the virtues of thy BALSAMIC CORDIAL in Coughs, Colds, Inflammation of the Lungs, &c., I thus freely bear testimony to its efficacy. For several years I have never been without it in my family. It is also gives me pleasure to state that I have used it with entire success in the treatment of Bowel Complaints. Thy friend truly, JOHN M. WHITALL.

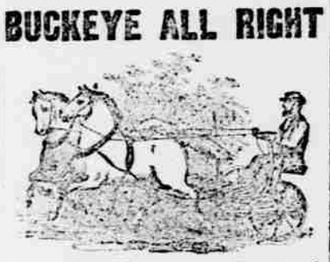
BUCKEYE ALL RIGHT



For the Harvest of 1863!

The most approved Agricultural Implements now in the Market!
MANUFACTURED BY
SLIFER, WALLS, SHRINER & CO.,
Lewisburg, Pa.

Buckeye Reaper & Mower.

THE unprecedented success of the "Buckeye" is the strongest proof of its superior excellency. The BUCKEYE has caused a complete Revolution in the Manufacture of *REAPING AND MOWING* Machines, and its reputation is so well established that it is scarcely necessary to particularize its advantages. We will, however, call the attention of the farmers to a few of its merits.
The TWO DRIVING WHEELS—the Pawls and Springs, by which the machine may be thrown out of gear, or be backed without vibrating the knives—the Steel Cutter Bar—the Wrought Iron Guard, with Hardened Steel Face or Cutting Edge—the Double-Hinged Joint, by which the Cutter Bar may be Folded—the long Crank Shaft—the Steel Spring and Wheel, by which the Cutter Bar may be raised and lowered so as to cut as low to the ground as may be desired—the Steel Pitman and Brass Box—its Light Draft—(no Side Draft)—no weight on the horses' necks—backs as easily as a cart—all of which form a combination of advantages which no other machine possesses.

No Gearing on the Driving Wheels.

A team of horses weighing 900 lbs. each, will cut an acre of grass an hour with ease.
The machine is furnished with two Cutter Bars—one for cutting grass, and the other for cutting grain (each expressly adapted to the use intended).
No effort will be wanting to maintain the Buckeye in the enviable position it now occupies, that of being the

Best Machine in the World!

—The subscribers return their sincere thanks to their friends for the generous support they have received in introducing the celebrated Buckeye Reaper and Mower into Central and Northern Pennsylvania, and are much indebted to them for their warm greetings and kind offices in recommending it to their friends and neighbors.
For Certificates, &c., see Circulars, which may be had of any of their Agents.
They also manufacture **Meyer's Patent Piston Grain Drill,** which is acknowledged to be the BEST SEED SOWER IN USE, and the only one which
SOWS OATS PERFECTLY!
Also, the **Keystone Clover Huller,** which cleans thoroughly, without in the least injuring the seed. Will clean more in the same time than any other machine in use.
They also manufacture and keep on hand for sale *Burling's Tread Power and Thresher; Telegraph Fodder Cutter (two sizes); Cooking Stoves,* among which is the celebrated "Continental;" *Parlor and Office Stoves, and all kinds of Cast and Wrought Iron and Brass Work.* SLIFER, WALLS, SHRINER & Co.

Map of Union County.

MOUNTED on rollers, varnished, engraved and lithographed in Philad. in the best style of the art—30 by 40 inches in size—on a scale of 1¼ inches to the mile. This Map was carefully surveyed in 1856, and is reasonably correct. Each Township is colored, and there are the Town Plots and Nos. of Lots in Lewisburg, Mifflinburg, New Berlin, Hartleton, and New Columbia. Mountains and Streams are traced—the Public Roads, with the distance in perches between roads which intersect—also Names of Farm Owners generally, Church and School Houses, Mills, &c. The Court House, two of the Lewisburg University Buildings, the Lewisburg Boat Yard, the Union Furnace at Winfield, and Union Seminary at New Berlin are represented in a separate engraving each.
Every Farmer and person of business sh'd have one of these Maps for ornament or for reference and information.
The original subscription price was $3.50, now reduced to $2 only. ☞For sale at the *Star & Chronicle* Office, and by

LINDSEY'S Improved ☞BLOOD SEARCHER,

A STANDARD MEDICINE
For the speedy, radical and effectual cure of ALL diseases arising from IMPURITY OF THE BLOOD!

THIS medicine has wrought the most miraculous cures in desperate cases of

Scrofula	Cancerous formations,
Cutaneous diseases,	Erysipelas, Boils,
Pimples on the face,	Sore Eyes, Scald Head,
Old, stubborn Ulcers,	Rheumatic disorders,
Tetter affections,	Costiveness,
Dyspepsia, Jaundice,	Salt Rheum,
Mercurial diseases,	General debility,
Liver Complaint,	Loss of Appetite,
Low Spirits,	Foul Stomach,
Female Complaints—and all diseases having their origin in an impure state of the Blood.	

The above is a portrait of Basil M'Creary of Naples Twp, who, on the 31st day of August 1861, made affidavit before Justice Gurley that he was treated for the cure of Cancer by three physicians of Bedford county, and by Dr. Newton of the Eclectic College, Cincinnati, for a period of nearly eight months, none of them giving him the least, and a portion of the *left cheek* now entirely eaten away? He had given up all hope, when he heard of the "Blood Searcher," and was induced to try it. Four bottles cured him, and (although sadly disfigured) there is no question but this invaluable medicine saved his life. The full particulars of this remarkable case may be seen in a Circular to be had of any of the Agents.
We also refer to a case of Nancy Bleakney, of Elderton, Armstrong Co., Pa., cured of pemphigus after being unable to get out of bed for three years.
To the case of a lady in Anonsville, Clearfield Co., who was also afflicted with Scrofula in its worst form.
To the case of George Meisel, residing in Carrolltown, Cambria Co., Pa., who was so badly afflicted with Cancer that it eat his ear entirely away, and his case was worse, if possible, than M'Creary's.
The particulars of these cases—every one of which was cured by the use of the "Blood Searcher"—may also be found in a Circular to be had of any of the Agents.
