### Will Morning ever Come!

BY JERSEY BLUE.

Not to those who, idly drooping
By the way-side of despair,
Raise no eyes to greet the dawning,
Lift no hand to brave and dare;
Not to those who blindly worship,
Heedless of a brother's woe,
At the courts of vice and mammon,
Trampling heart-flowers as they go.

Not to those who deem the future
As a thing of little worth,
Crushing out each noble impulse,
Each pure thought that gave it birth;
Not to those who, building castles
Fair as summer's golden day,
Waste the hours in dreams elysian,
Till the temple fades away.

Not to those whose idle dreamings
Know no dark or wintry change—
Ah! the brave and earnest spirit
Takes a broader, wider range,
Gazing yet on dreams departed,
Faints nor lingers by the way,
But, with soul of eager daring,
Presses on and wins the day.

Ah! to these the blessed morning
Dawneth with a radiance fair—
Life hath many a broken dreaming,
Many an hour of weary care—
Yet to these who, bravely striving,
Trust the Father's gracious love,
Dawneth yet a light celestial
From the portals far above.

Waver not, tho' cares surround thee,
Pause not, tho' the storm-cloud lowers,
After tempest comes the sunshine
Calling forth the heart's pure flowers.
Labor bravely, cheerful ever,
Life hath many a noble cause;
Trust the purer Love above thee,
In thy mission never pause.

Thus shall come the blessed morning—
Thus shall dawn the light of life—
Enter in, the watchward "Onward!"
Stem the torrent—breast the strife!

NARROWING THE LIMITS.—The Chicago *Times* says that "the professed democrat who has his senses about him, and is deliberately for the war, is not a democrat, but, in fact, an abolitionist of the most radical, violent and destructive kind." There are a good many abolitionists about these times.

**At Reading 20,000**

**Of these 40,000 men, he wants 2,000 mounted riflemen, and 20 full companies of sharp-shooters.**

**It is understood that the new forces—including the last from Union county—pass on to the camp in Reading.**

**The President said he tried M'Clellan twenty times, and would try Hooker at least twice. Hooker is now relieved, and Gen. GEO G. MEAD, the pride of the Penn. Reserves, takes his place. He took the command of Hooker when the latter received his serious wound, near Richmond. The Army is perfectly satisfied with the new commander, altho' much attached to Gen. Hooker, who confides fully in Mead, as do also his brother officers.**

### DR. HOOFLAND'S
### BALSAMIC CORDIAL,

FOR THE SPEEDY CURE OF

*Coughs, Colds, Influenza, Croup, Hoarseness, Bronchitis, Pneumonia, Diseases of the Bowels, arising from Cold, Incipient Consumption, and for the relief and (if not incurable) cure of Patients in advanced stages of the latter disease.*

THE Balsamic Cordial is entirely a Vegetable production, combining the healing properties of the Balsam, with the invigorating qualities of a Cordial, producing a combination so well adapted to the purposes intended, that there are but few cases of disease which will not, at an early period, succumb to its healing and life-giving properties.

For ages has the treatment of pulmonary diseases occupied the greater portion of the attention of the scientific of the medical world, but none acquired more eminence in his treatment of these diseases, than the celebrated Prussian Dr. Hoofland, the originator of the Balsamic Cordial. His life was devoted to the production of a remedy that would stand unrivaled. How well he has succeeded, the American people are able to judge; and we positively assert, that no preparations that have ever been placed before them, have conferred the same amount of benefits on suffering humanity, or have elicited so many commendations from all classes of society, as the remedies of Hoofland, prepared by Dr. C. M. Jackson & Co., of Philadelphia.

The Cordial is designed for a class of diseases more general and more fatal than any other to which the people of this country are subject—those springing from a "slight cold." That eminent authority, Dr. Bell, says: "I will not say that Colds are to our inhabitants what the Plague and Yellow Fever are to those of other countries; but I can aver confidently that they usher in disease of greater complicity and mortality than these latter

Read what the eminent Glass Manufacturer, JOHN M. WHITALL, says of the BALSAMIC CORDIAL.

DR. C. M. JACKSON—Respected Friend: Having for a long time been acquainted with the virtues of thy BALSAMIC CORDIAL in Coughs, Colds, Inflammation of the Lungs, &c., I thus freely bear testimony to its efficacy. For several years I have never been without it in my family. It is also given me pleasure to state that I have used it with entire success in the treatment of Bowel Complaints Thy friend truly, JOHN M. WHITALL.

### BUCKEYE ALL RIGHT

### For the Harvest of 1863!

The most approved Agricultural Implements now in the Market!

MANUFACTURED BY

**SLIFER, WALLS, SHRINER & CO.,**
**Lewisburg, Pa.**

### Buckeye Reaper & Mower.

THE unprecedented success of the "Buckeye" is the strongest proof of its superior excellency. The BUCKEYE has caused a complete Revolution in the Manufacture of *REAPING AND MOWING* Machines, and its reputation is so well established that it is scarcely necessary to particularize its advantages. We will, however, call the attention of the farmers to a few of its merits.

The TWO DRIVING WHEELS—the Pawls and Springs, by which the machine may be thrown out of gear, or be backed without vibrating the knives—the Steel Cutter Bar—the Wrought Iron Guard, with Hardened Steel Face or Cutting Edge—the Double-Hinged Joint, by which the Cutter Bar may be Folded—the long Crank Shaft—the Steel Spring and Wheel, by which the Cutter Bar may be raised and lowered so as to cut as low to the ground as may be desired—the Steel Pitman and Brass Box—its Light Draft—(no Side Draft)—no weight on the horses' necks—backs as easily as a cart—all of which form a combination of advantages which no other machine possesses.

### No Gearing on the Driving Wheels.

A team of horses weighing 900 lbs. each, will cut an acre of grass an hour with ease.

The machine is furnished with two Cutter Bars—one for cutting grass, and the other for cutting grain (each expressly adapted to the use intended).

No effort will be wanting to maintain the Buckeye in the enviable position it now occupies, that of being the

### Best Machine in the World!

—The subscribers return their sincere thanks to their friends for the generous support they have received in introducing the celebrated Buckeye Reaper and Mower into Central and Northern Pennsylvania, and are much indebted to them for their warm greetings and kind offices in recommending it to their friends and neighbors.

For Certificates, &c., see Circulars, which may be had of any of their Agents.

They also manufacture **Meyer's Patent Piston Grain Drill,** which is acknowledged to be the BEST SEED SOWER IN USE, and the only one which

*SOWS OATS PERFECTLY!*

Also, the **Keystone Clover Huller,** which cleans thoroughly, without in the least injuring the seed. Will clean more in the same time than any other machine in use.

### LINDSEY'S Improved BLOOD SEARCHER,

**In an impure state of the Blood.**

The above is a portrait of David M'Creery of Naples Twp, who, on the 31st day of August, 1858, made affidavit before Justice Gorley that he was treated for the cure of Cancer by three physicians of Bedford county, and by Dr. Newton of the Eclectic College, Cincinnati, for a period of nearly eight months, notwithstanding which *his lip, nose, and a portion of his left cheek were entirely eaten away!* He had given up all hope, when he heard of the "Blood Searcher," and was induced to try it. Four bottles cured him, and (although sadly disfigured) there is no question but this invaluable medicine saved his life. The full particulars of this remarkable case may be seen in a Circular to be had of any of the Agents.

We also refer to a case of Nancy Bleakney, of Elderton, Armstrong Co., Pa., cured of Scrofula after being unable to get out of bed for three years.

To the case of a lady in Ansonville, Clearfield Co., who was also afflicted with Scrofula in its worst form.

To the case of George Meisel, residing in Carrolltown, Cambria Co., Pa., who was so badly afflicted with Cancer that it eat his entire nose off, and his case was worse, if possible, than M'Creery's.

The particulars of these cases—every one of which was cured by the use of the "Blood Searcher"—may also be found in a Circular to be had of any of the Agents.

My family and friends all concur in the opinion that the [Newell] Picture is more life-like than any thing they ever saw. My likeness has been repeatedly taken by different Artists in various ways, but I have never
