TRUST, & PERSEVERE.

BY OLIVER OAKWOOD.

Parent! is life's evening clouded?
Has the sunlight ceased to shine?
Is the earth in darkness shrouded,
Wouldst thou at thy lot repine?
Cheer up, dear one! let thy vision
Look above: see! light is near!
Soon will come the next transition;
"Trust in God and persevere!"

Sister! have life's hopes receded,
Its dazzling visions proved all vain,
Friends proved false when mostly needed,
Foes rejoicing at thy pain?
Despair not, sweetest! there's a blessing
Waiting for thee! cast out fear;
Foes forgiving, sins confessing,
"Trust in God and persevere!"

Brother! all things 'round are calling,
With united voice, Be strong!
Though the wrongs of time be galling,
They must lose their strength ere long.
Yes, my brother! though life's trouble
Drive thee near to dark despair,
Soon 'twill vanish like a bubble;
"Trust in God and persevere!"

He from His high throne in heaven
Watches every step we take,
He will see each fetter riven
Which our foes in anger make.
Cheer up, brother! He has power
To dry up every bitter tear,
And, though darkest tempest lower,
"Trust in God and persevere!"

Brother! there's a quiet slumber
Waiting for thee, in the grave;
Sister! there's a glorious number
Christ in mercy deigns to save;
Wait, then, till life's quiet even
Closes 'round thee, calm and clear,
And, till called from Earth to Heaven,
"Trust in God and persevere!"

Josh Billings' "Essa on the Mule."

The mule is half hoss and half jackass, and then comes to a full stop, natur discovering her mistake. They weigh more accordin to their heft, than enny other kreeter, except a crow bar. They kant hear enny quicker, nor furder, than the hoss, yet their ears are big enough for snow shoes. You can trust them with enny one whose life isn't worth more than the mule's. The only way to keep them into a pasture is to turn them into a meadow jinin, and let them jump out. They are ready for use just as soon as they will do to abuse. They haint got enny more friends than a Chatham street Jew, and will live on huckleberry brush, with an occasional chase after kanada thissels. They are a modern invenshun; I don't think the Bible deludes to em at all. They sell for more money than enny other domestic animile. You kant tell their age by looking into their mouth, anny more than you kould a Mexican cannon's. They never had no diseases that a club won't heel. If they ever die, they must come right to life agin, for I never heard nobody say "dead mule." They are like some men, very korrupt at heart; I've known them to be good for six months, jist to get a chance to kick somebody. I never owned one, nor never mean to, unless there is a United States law passed requirin it. The only reason why they are pashunt, is because they are ashamed of themselfs. I have seen eddikated mules in a sirkus—they kould kick and bite tremenjis. I would not say what I am forced to say agin the mule, if his birth wa'nt an outrage, and he ain't to blame for it. Eny man who is willin to drive a mule ought to be exempt by law from runnin for the legislatur. They are the strongest creeturs on earth, and heaviest accordin to their size; I herd tell of one who fell off from the tow-path, on the kanawl, an sunk as soon as he touched the bottom, but he kept rite on towin the boat to the next stashun, brethin through his ears, which was out of water about 2 feet 6 inches. I didn't see this, but an auctioneer told me ov it, and I never knew an auctioneer to lie, unless he could make something out ov it.

Gaining Strength.

A student in one of our State colleges was charged by the Faculty with having had a barrel of ale deposited in his room, contrary, of course, to rule and usage. He received a summons to appear before the President, who said:

"Sir, I am informed that you have a barrel of ale in your room."

"Yes, sir."

"Well, what explanation can you make?"

"Why, the fact is, sir, my physician advised me to try a little ale each day, as a tonic, and not wishing to stop at the various places where this beverage is retailed, I concluded to have a barrel taken to my room."

"Indeed! have you derived any benefit from it?"

"Ah! yes sir. When the barrel was first taken to my room, two weeks since, I could scarcely lift it. *Now I can carry it with the greatest ease.*"

GEN. ROBERT ANDERSON has been relieved from the command at Fort Adams, at Newport, Rhode Island, to which he had been but recently assigned, his ill health not allowing him to continue longer in the service.

A Hicksite quaker authorizes *Independent* to say that the "friends" addressed by Gov. Seymour during the New York riots, do not belong to the regular meeting!

Confederate money having become practically worthless, a nameless South Carolina statesman proposes to dispense with money altogether.

The opening of the Mississippi, like that of a basket of champagne, was accompanied with loud pops.

COSTLY PERFUMERY.—In Richmond, onions are held at $75 per barrel.

BEST WORK FOR CANVASSING AGENTS

Harper's Pictorial History.

OF THE

GREAT REBELLION

IN THE UNITED STATES.

MESSRS. HARPER & BROTHERS have commenced the issue, in Numbers, of a The work has been for many months in course of preparation, by a writer every way qualified for the task.

The INTRODUCTION contains a clear account of the formation of the Confederacy of the States; the formation and adoption of the Constitution of the United States, and the establishment of the National Government; the origin, development, and progress of the doctrines of Nullification and Secession, and the various phases which they assumed, until the final culmination in the *Great Rebellion.*

The HISTORY comprises an account, drawn from the most authentic sources, of the Events of the War; intrigues of the Southern leaders at home and abroad; the gradual defection of one section; the great Uprising of the People for the maintenance of the National Life and Existence; the rapid creation of an immense Army and Navy; Battles by Land and Sea.

The ILLUSTRATIONS comprise Portraits of those who have borne a prominent part in the struggle; Maps of different localities; Plans of leading actions; Views of scenes of interest, and of the most important Battles. These Illustrations are mostly from drawings taken on the spot, by artists deputed for that purpose, to accompany every division of our Army and Navy.

Every facility at the command of the Publishers has been employed in the preparation and execution of this work; and they confidently believe that it will form the most trustworthy and valuable history which can be prepared of THE GREAT STRUGGLE FOR THE AMERICAN UNION.

Mode and Terms of Publication.

The work will be issued in Numbers, consisting of 24 pages of the size of "*Harper's Weekly*," printed from clear type, upon fine paper, and will probably be completed in about Twenty Numbers.

The Numbers will be issued at intervals, if possible, of about three or four weeks.

The Price of each Number, which contains matter equivalent to an ordinary volume, will be Twenty-five Cents.

The Illustrations in each Number are alone worth the price asked. Men out of employment, especially *SICK OR DISABLED SOLDIERS*, can find no other work so sure of ready sale and good profits. For further particulars, apply to the Publishers.

GREAT Discovery!

Kunkel's Bitter Wine of Iron,

For the cure of weak stomachs, general debility, indigestion, diseases of nervous system, constipation, acidity of the stomach, and for all cases requiring a tonic.

This Wine includes the most agreeable and efficient salt of iron we possess, Citrate of Magnetic Oxide, combined with the most energetic of vegetable tonics, Yellow Peruvian Bark. The effect, in many cases of debility, loss of appetite, and general prostration, of an efficient salt of iron, combined with our valuable nerve tonic, is most happy. It augments the appetite, raises the pulse, takes off muscular flabbiness, removes the pallor of debility, and gives a florid vigor to the countenance.

Do you want something to strengthen you?
Do you want a good appetite?
Do you want to feel well?
Do you want to get rid of nervousness?
Do you want energy?
Do you want to sleep well?
Do you want a brisk and vigorous feeling?

If you do, try KUNKEL'S BITTER WINE OF IRON!

This truly valuable tonic has been so thoroughly tested by all classes of the community that it is now deemed indispensable as a tonic medicine. It coats but little, purifies the blood, and gives tone to the stomach, renovates the system, and prolongs life. I now only ask a trial of this valuable tonic.

COUNTERFEITS—Beware of counterfeits! As KUNKEL'S BITTER WINE OF IRON is the only sure and effectual remedy in the known world for Dyspepsia and Debility, and as there are a number of imitations offered to the public, we would caution the community to purchase none but the genuine article, manufactured by S. A. KUNKEL, and his stamp on the top of the cork of every bottle. The very fact that others are attempting to imitate this valuable remedy, proves its worth, and speaks volumes in its favor.

The BITTER WINE OF IRON is put up in 75 cent and $1 bottles, and sold by all respectable druggists throughout the country. Be particular that every bottle bears the *fac simile* of the proprietors signature.

BUCKEYE ALL RIGHT

For the Harvest of 1863!

The most approved Agricultural Implements now in the Market!

MANUFACTURED BY

SLIFER, WALLS, SHRINER & CO.,

Lewisburg, Pa.

Buckeye Reaper & Mower.

THE unprecedented success of the "Buckeye" is the strongest proof of its superior excellency. The BUCKEYE has caused a complete Revolution in the Manufacture of *REAPING AND MOWING* Machines, and its reputation is so well established that it is scarcely necessary to particularize its advantages. We will, however, call the attention of the farmers to a few of its merits.

The TWO DRIVING WHEELS—the Pawls and Springs, by which the machine may be thrown out of gear, or be backed without vibrating the knives—the Steel Cutter Bar—the Wrought Iron Guard, with Hardened Steel Face or Cutting Edge—the Double-Hinged Joint, by which the Cutter Bar may be Folded—the long Crank Shaft—the Steel Spring and Wheel, by which the Cutter Bar may be raised and lowered so as to cut as low to the ground as may be desired—the Steel Pitman and Brass Box—its Light Draft—(no Side Draft)—no weight on the horses' necks—backs as easily as a cart—all of which form a combination of advantages which no other machine possesses.

No Gearing on the Driving Wheels.

A team of horses weighing 900 lbs. each, will cut an acre of grass an hour with ease.

The machine is furnished with two Cutter Bars—one for cutting grass, and the other for cutting grain (each expressly adapted to the use intended).

No effort will be wanting to maintain the Buckeye in the enviable position it now occupies, that of being the

Best Machine in the World!

—The subscribers return their sincere thanks to their friends for the generous support they have received in introducing the celebrated Buckeye Reaper and Mower into Central and Northern Pennsylvania, and are much indebted to them for their warm greetings and kind offices in recommending it to their friends and neighbors.

For Certificates, &c., see Circulars, which may be had of any of their Agents.

They also manufacture **Meyer's Patent Piston Grain Drill,** which is acknowledged to be the BEST SEED SOWER IN USE, and the only one which

SOWS OATS PERFECTLY!
