From the Paster of the Baptist church, Pemberton, N. J., formerly of the North church, Philod a.

I have known Hoddand's German Bitters favorably for a number of years. I have used them in my own family, and have been so pleased with their effects that I was induced to tree mment them to many others, and know that they have operated in a strikingly beneficial manner. I take great pleasure in time publicly proclaiming this fact, and calling the attention of those, afflicted with the diseases for which they are recommended, to these Bitters, knowing from experience that my recommendation will be sustained. I do this more cheerfully as Hoddand's Bitters intended to benefit the afflicted and is not a rum drink.

Yours truly, LEVI G. BECK.
