I have known Hoodand's German Bitters favorably for a number of years. I have used them in my own family, and have been so pleased with their effects that I was induced to recommend them to many others, and know that they have operated in a strikingly beneficial manner. I take great pleasure in thus publicly proclaiming this fact, and calling the attention of those, afflicted with the diseases for which they are recommended, to these Bitters, knowing from experience that my recommendation will be sustained. I do this more cheerfully as Heodand's Bitters is intended to benefit the afflicted and is not a rum dirak.

Yours truly,

LEVI G. BECK.

Although not disposed to favor or recommend Patent Medicines in general, through distruct of their ingressions and effects. I yet know of no sufficient reason why a man may not testify to the bigneth be believes himself to have resolved from any simple preparation, in the longe that he may thus contribute to the benefit of others. I do this the more readily in regard to "Hoodmark German filters," prepared by Br. C. M. Jackson, of this city, because I was prejudiced against them for years, under the impression that they were chiefly an alcoholic mixture. I am indebted to my friend Robert Shoemaker, Esq. for the removal of this prejudice by proper tests, and for encouragement to try them, when suffering from great and long centituded debility. The use of three bottles of these Bitters, at the beginning of the present year, was followed by ethical relief, and restoration to a degree of bodily and mental eiger which I had not felt in six months before, and had almost despaired of regaining. I therefore thank God and my friend for directing me to the use of them.

J. NEWTON BROWN, Philadelphia.

From the Paster of the Germantown Baptist church. From the Future of the Communication Experience can-bes me to say that I regard the German Enters prepared by you as a most excellent medicine. In cases of a severe cold and general debility, I have been greatly benefited by the use of the bitters, and doubt not that they will preduce similar effects on others. Yours truly, WARRIEN RANDOLPH.

From the Paster of Hedding M. E. church, Pailada. Dr. Jackson.—Dear Sir: Having used your German litters in my family frequently, I am prepared to say that it has been of great service. I believe that in most cases of general debility of the system, it is the safest and most valuable remedy of which I have any knowl-edge. Yours respectfully, J. H. TURNER.

From the former Pastor of the Odombus (N. J.) and Milicatown (Pa.) Baptist churches. Micatown (Pa.) Repair characters, N.Y.

Dr. C. M. Jackson—Pear Sir: I feel it a pleasar-thus, of my own accord, to bear testimony to the excellence of the German Bitters. Some years since, being much afflicted with Dyspepsia, I used them with very ison ficial results. I have often resonmended them to persons enfecibled by that tormenting disease, and have heard from them the most flattering testimonials as to its great value. In cases of general debility, I believe it is a tonic that can not be surpassed. John M. LYONS.

From Rev. Dr. Winter, Paster of Reshorough Boptist Ir. Jackson-Dear Sir: I feel it due to your excellent by a friend, to try a notice of your cerman littlers, I did so, and have experienced great and unexpected relief; my health has been materially benefited. I confidently recommend the article where I meet with cases similar to my own, and have been assured by many of their good effects. Respectfully yours. THOMAS WINTER.

Dr. C. M. Jackson—Respected Sir: I have been troubied with Dysrepsia nearly twenty years, and never
