On the other hand, should they withhold aud board up their capital and legal tender, or invest in stocks or individual scentities, and thus allow the Union to go by the board, what would all their green-backs, individual securities, and the like, be worth? Perhaps 5 cents a pound, and perhaps not so much. The interest or these bonds will be paid promptly in gold, and although it is but 5 per cent., it is equivalent, at present, to 7 or 8 per cent. in popular currency. To sustain the erms which protect our homes from the ravages of Jeff. Davis' barbarians, the currency must be sustained. Capitalists are well aware of this fact, and they a c consequently taking up the loan at the rate of nearly a million a day, baving implicit confidence in the security of the investment, as well as the rightenuaness of the cause.
