Voice of the Lutheran Church.

In May, 1864, the General Synod of the Lutheran Church of the United States held its biennial session at York, Pa. A committee on the state of the country, representing every Synod attending, was appointed-Rev. W.A Passavant, of Pittsburg, chairman. The following patriotic resolutions, reported by committee, were unanimously adopted on a call of the yeas and pays. It will be seen that they 19 take strong ground in support of the Government, and most emphatically condemn 14. Lycoming, Union and Snyder, the system of American slavery as a sin 15. Northumberland, Montour Columagainst God, and as the cause of the rebellion. They also rebuke the attempt of 17 Bishop Hopkins to prove that slavery is a 18. York and Cumberland, divine institution. By the adoption of 19. Adams and Franklin, these resolutions, the Lutheran Church 20. Somerset, Bedford and Fulton, of the United States places itself fairly on 21. Blair, Huntingdon, Centre, Mifflin, the side of justice and right. We bespeak for them the careful perusal of our 23. Clearfield, Cameron, Clarion, Forreaders :

Resolved, 1. That having assembled a 24. second time during the prevalence of 25. Allegheny, civil war in our land, this Syund can not 26. Beaver and Washington, separate without solemnly re-affirming the 27. Lawrence, Butler and Armstrong, declarations adopted at our last Conven- 28. Mercer, Venango and Warren, tion in reference to the originating cause of the Rebellion, the necessity of its forcible suppression, the righteousness of the war which is waged by the Government of the United States for the maintenance Montgomery of the national life, and the consequent duty of every Christian to support it by the whole weight of his influences, his prayers, and his efforts.

2. That we acknowledge with profound gratitude to Almighty God, the various important successes which have thus far crowned our arms; the merciful interposition of Providence in delivering us from the invasions of the enemy, and in proteeting our homes our churches, and our institutions, from the desolation of war; and the cheering progress which has been made by the Government and the Nation in the recognition of the laws of God and rights of man in the measures which have been adopted for the suppression of the rebellion.

3. That recognizing the sufferings and calamities of war as the righteous judgment of a just God visited upon us for transgressions, we call upon our pastors and churches to unite with us in the confession of our many and grievous individual sine, and in fervent supplications for the Divine forgiveness, that as a people we may break off sion by righteousn and do justly, love mercy, and walk Cambria bumbly with God.

4. That as persistent efforts are making Clarion and Jefferson among us by professedly Christian writers to prove from the Holy Scriptures, the Divine institution of American slaverythe principal cause of this wicked rebellion-we the delegates of the General Synod of the Evangelical Lutheran Church in the United States, hereby ex- Crawford press our unqualified condemnation of such a course, which claims the sanction Alegheny of the moreiful God and Father of us all Lawrence,

Yet there are too many-preachers and laymen-who on this great issue fail to do anything positive to aid the Government and put down the Rebellion. They try to "serve God and Mammon." One of this class, in Mifflinburg, we learn, publicly prayed for the success of whichever of the "two nations" was in the right !!
