So the heart, the heart is beautiful, I care not for the face; I ask not what the form may lack Of dignity and grace ; If brain but throb with glowing thoughts, And the soul with sympathy, What matter though the check be pale, Or the eye lack brilliancy?

-----

Let the lleart be Beautiful.

Though the brow, the brow be beautiful, It soon may lose its bloom, And the lustre of the eye be quenched In the darkness of the tomb; But the glory of the mind will live, Though the glow of youth depart, For O, the charm can never die Of a true and noble heart!

The lips that utter kindly thoughts, Have a beauty all their own. For gentle words are sweeter far Than music's softest tone; And though the voice be rough and shrill That bids th' oppressed go free, That soothes the woes of sorrowing souls, That voice is sweet to me !

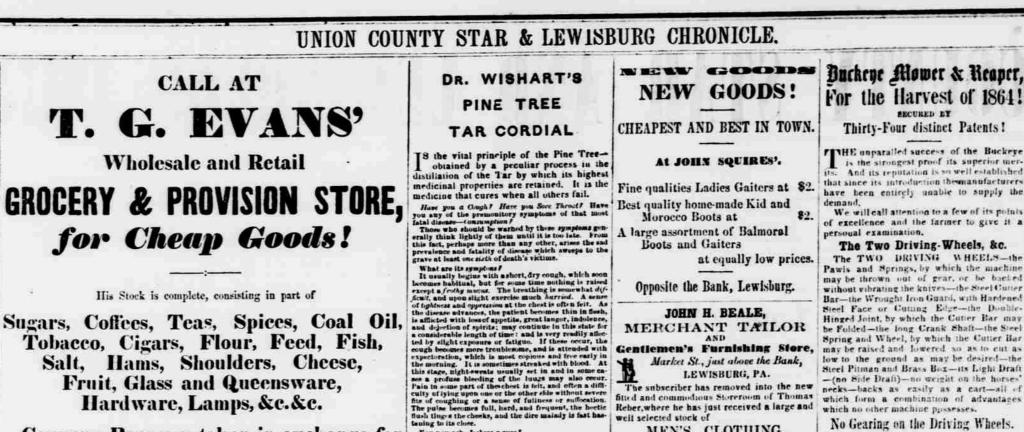

### Andrew Rykman's Prayer.

If I may not, sin-defiled, China my birth-right as a child, Suffer it that I to Thee As an hired servant be ; Let the lowest task be mine. Grateful, so the work be Thine; Let me find the humblest place In the shadow of Thy grace ; Elest to me were any spot Where temptation whispers not; If there be some weaker one, Give me strength to help him on; If a blinder soul there be, Let me guide him neaver Thee ; Make my mortal dreams come true With the work I fain would do ; Clothe with life the weak intent, Let me be the thing I meant ; Let me find in Thy employ Peace that dearer is than joy ; Out of self to love be led. And to heaven acclimated, Until all things sweet and good Seem my natural hubitude !---WHITTIER.

# Four Persons Drowned!

Saturday morning, 11th of May, James Brass, Reuben Wykoff, Robt Derr, Dan'i Hafer, John Hafer, and two of his little sons, all of L wis township, Northumberland county, were riding in a two horse spring wag in, on the towing path a short distance abave the Maney Dam, when they were precipitated down the bank into the river, a distance of about 15 feet. Dan'l Hafer, Reuben Wykoff, and the two boys were drawned. The accident occurred by the breaking of a bolt which fastened the tongue to the axle, causing the wagon to run over the bank. Owing to the late SOFAS, LOUNGES, latest patterns, heavy rains, the river was higher than it had been any time this spring, and the wouder is that any of the party escaped drowning. The water having fallen, a large number of men were engaged Sun- TOWEL RACKS, DOUGH-TRAYS, day in searching for the bodies, we believewithout success.
