Radical Democrats.

When the Rebels began this War, they did it with the hope and expectation of success through a divided North. They are bitterly disappointed--defeated. Yet they have so far divided the North as to keep up the War until now.

Carrying out this concerted plan, 156 men, SERP APPOINTED, but pretending to represent 14 States and the District, met at Cleveland one day last week, and made a new party styled Radical Democrats--they nominated Gen. Fremont, President, and a whiffing New York city politician, Gen. Cochrane, for Vice President.

The platform is very odd right (and so are many plausible devices for had ends), except that which looks to a war against France to sustain the Republic in Mexico; we can not afford another war until this is successfully ended.

There are names of honest, true men, among the operators in this movement--men who really want Slavery crushed--but they were powerless. The managers were mostly "power heads," who had been dismissed from office, or refused office, by the President; or ultra, impracticable, non-voting Abolitionists, like Wendell Phillips; or fan-fueled adventurers; or else German revolutionists, not so much wrong in heart as in head.

Should Gen. Fremont accept of this nomination, it would somewhat disappoint his old time and true friends. Like Gen. McClellan, his ambition and pride are wounded by their defeat and dismissal from office; but manhood and patriotism now forbid anything that looks like revenge. They are yet young, and the people will do them justice.

If this game was to influence the Baltimore Convention, it must fail. The Germans of Chicago have already repudiated it. We know of no true Union paper or Unionist who supports it. Bigas and changeable characters will doubtless be brought to try to give it life.

But the two representatives of Unionism met at Baltimore this week. They represent the people, not themselves only. They speak for the masses. And we believe their choice will be ratified. With LINCOLN for President, and GRANT for his right hand man--terribly in earnest for crushing this foul conspiracy against mankind--the intelligent voters are not to be hoodwinked, divided, and conquered by this Cleveland copperhead reconnaissance.

THE PENNA RESERVES (most of them) were in a hard fight at Mechanicsville, Monday last week, where the Rebels were defeated with terrible slaughter. Their time had expired, and as they did not seem specially needed the majority voted to return home.

James Nill, (war Democrat,) President Judge, recently died at Chambersburg. Being childless, he had willed his property to a relative in his county, some time since--but, the person proving to be Copperish, the Judge revoked his gift, and the ground that he could do nothing to aid a traitor to his country.

Chillisquaque was drafted for 20 men, but as they had been mostly if not all provided for, and only failed to be credited for lack of "red tape" somewhere, the error will probably be corrected.

Messrs. Editors--Permit me to recommend the Hon. JAMES MARSHALL, of White Deer, for State Senator. Lewisburg will get the Congress and the Member of Legislature and they should be generous enough to concede the Senator to old White Deer and the Sheriff to Hartley--this would make a fairer distribution. WARRS DATA

The above was designed for our last issue, but did not reach us until Monday.

Mr. Editor--In casting about for candidates for next Fall's campaign, I see no contest for any office except County Commissioner. And while I much esteem all the gentlemen who are named, I prefer M. KLECKNER for the reason that New Berlin has now no County Officer, while Middleburg has Probationary and Elector. White Deer has Sheriff, Register & Recorder, a Commissioner, and the Precinct Marshal, and might therefore afford to be generous and give us a 100.

Sad Accident.--On Monday last, a circus in Sunbury had the usual crowd which such things draw--among them a party of eight young people came up the railroad on a handcar. Returning about midnight, on the bridge over the Shamokin creek, just below town, the up-train ran into the center and demolished it. Two girls (Miss Hatrick and Foster) were fished out of the creek, dead, and a Miss Hollabaugh was found hanging to one of the bridge timbers, the fish on one leg severed from the bone; her condition is critical, but the others were not seriously injured. On such an errand at such an hour--it was a sad, sad affair.

John Yersaw, mining boss at Cameron Colliery, Shamokin, was crushed to death by a breast of coal falling upon him.

A young Clerk in Shamokin has been bound over on his own admission that he had defrauded his employer.

The contract for grading for a second track on the railway between Harrisburg and Sunbury, is let to 10 parties.

Passengers on the Shamokin Railway now leave Sunbury at 1:40 P. M. and get to Mr. Carmel at 6:30. Leave Mr. Carmel at 7:40 A. M. and to Sunbury at 9:30.

A solitary shad was caught in a seine below the Shamokin Dam.

M. S. Braslow and Henry Millhouse are killed, and Lt. Pleasant is missing (from Sunbury) after the late battles.

Jerome Longacker of Shamokin is to start the old iron furnace, Williamsport.

Drafted Men, see here!

Your attention is particularly called to the 22d section of the amended Enrollment Act, approved February 21st, 1864, as follows: "Sec. 22. And be it further enacted, that the fees of agents and attorneys for making out and causing to be executed any papers in support of a claim for exemption from draft, or for any services that may be rendered to the claimant, shall not, in any case, exceed five dollars, and physicians or surgeons furnishing certificates of disability to any claimant for exemption from draft shall not be entitled to any fees or compensation therefor. And any agent or attorney, who shall, directly or indirectly, demand or receive any greater compensation for his services under this act, and any physician or surgeon who shall, directly or indirectly, demand or receive any compensation for furnishing said certificates of disability, and any officer, clerk, or deputy, connected with the board of enrollment, who shall receive any compensation from any drafted man for any services, or obtaining the performance of such services required from any member of said board by the provisions of this act, shall be deemed guilty of a high misdemeanor, and upon conviction, shall, for every such offence, be fined not exceeding \$500, to be recovered upon information or indictment before any court of competent jurisdiction, one-half for the use of any informer who may prosecute for the same in the name of the United States, and the other half for the use of the United States, and shall also be subject to imprisonment for a term not exceeding one year, at the discretion of the court."

Let all drafted men be shown the above, so they need not be robbed, neither by outsiders nor insiders.

The Bedford (Pa) Gazette, beats Jeff. Davis lying. In its last issue it says:

"At the present writing (Monday) the result of Grant's campaign against Richmond remains in doubt. Already he has lost as many men as composed McClellan's entire army when that General marched up the Peninsula. The loss of the Federal army, according to telegraphic reports, can not fall much short of 100,000 men, killed, wounded and missing. There has been about thirteen days of fighting, including the three battles fought by Gen. Butler; which would average the loss at about \$,000 per day."

This is the stuff that is crammed down the throats of Copperheads: poor ignorant fools swallow it, and are made to believe, with Lee's rag-a-muffins, that their side is sure to win!

Pinknecks.--It is stated that the Scotch high keepers in Baltimore agree to charge Seven Dollars a day during the National Union Convention. To cure the evil, true Union citizens will open their doors, gratuitously, or at reasonable charges.

Some of the thieves are on their summer tours. The Tioga County Bank has been robbed of \$15,000, and Mr. Nelson of Elmira, was robbed of \$13,000, by night burglars.

We are sorry to know that ill health compels Mr. Van Gelder to leave the Williamsport Bulletin office. Mr. Kuslow, a man of ample experience, succeeds him.

Orlando B. Ficklin, of Illinois, has come out for the Union side, as a War Democrat. Until recently, he was the hardest and worst of Copperheads.

We see there are Excursion Tickets to the Philad Fair from Harrisburg, but know of none from a point nearer Lewisburg.

The bodies of the four men and boys drowned at Muncy Dam, have been recovered.

What Thousands of Democrats say.

A son of David Moore, of West Buffalo township, enlisted in an Illinois Regiment, a rampant Democrat. While serving in Mississippi, recently, he wrote to a friend in Union county a letter, published in the Middleburg Telegraph, the conclusion of which we quote as follows:

"There is another thing that will have much to do with the closing up of this war during the next year, and that is the reelection of Abraham Lincoln. It will discourage the rebels more than the loss of Richmond. They will see that the North is determined not to compromise with traitors, and they will begin to count the cost of carrying on this war four years longer. It will also have a good effect on foreign nations. If there should be a President elected next fall who would be willing to compromise with the Rebels, and call our armies from the South, the result would be the recognition of the Southern Confederacy, the dissolution of the Union, and the disgrace of every soldier in the service. Such a state of things, I hope, may never come to pass. I hope common sense will prevail with the people at home, and that they will reject O. J. A. as a military necessity. If I am allowed to vote this fall, I'll give him a vote as long as my arm."

Latest News

Friday morning last, Gen. Grant ordered a general assault, and drove the enemy to his entrenchments at all points, but without any decisive result. The armies were then only fifty yards apart. We captured 300. The prisoners we have taken were captured in a charge on our left wing. They are mostly Virginia troops and belonged to Early's division. Some of them are heartily tired of the war, and two to whom I said, "Is not Richmond almost captured?" replied, "Well, we don't care much if it is, if it will end the war."

The wounded are being properly cared for, Col. Brooks, 534 P. V., is among them. The losses are considerable, although far less than at the Wilderness region. All the soldiers, wounded and well, are confident Richmond must fall.

On Saturday, heavy firing was heard at the White House, on the Pamunkey.

SHERMAN'S MARCH

Thursday, June 24, Hooker and Schofield advanced on Marietta, and Sherman and Garland's cavalry took and held Altoona pass. All is prospering in that department.

June 5, Gen. Thomas was still making progress towards Atlanta. It is reported that Secessionville, the key of Charleston, is in the possession of the Union forces.

The Rebels attacked Gen. Grant's lines, last Saturday evening, but were everywhere repulsed. No more fighting down to Sunday evening.

WARNING--In the British House of Commons, the neutrality question with the United States being under consideration, Mr. Cobden expressed the fear that the policy of the British Government had produced such a sense of grievance in the American mind that it would be difficult to disabuse it of it.

He pointed to the destruction of the American marine by the Confederate cruisers, and predicted similar results to England by Federal cruisers, if she became a belligerent. He contended that the Georgia, Florida and Alabama were not men-of-war, and should be excluded from British ports. He warned the Government that their policy would recoil on England hereafter with disastrous effects.

Hawley's Solidified DENTAL CREAM.

For cleaning, whitening and preserving the TEETH. This article is prepared with the greatest care upon scientific principles and warranted not to contain anything in the slightest degree deleterious to the teeth or gums. Some of our most eminent Dental Surgeons have given their sanction to and cheerfully recommended it as a preparation of superior quality for cleaning, whitening and preserving the TEETH. It cleans readily, rendering them beautifully white and glossy without the slightest injury to the enamel. It is so prepared that when they are ulcerated and sore, and is an excellent disinfecter for old or decayed teeth, which are often very offensive. It gives a soft and creamy taste to the mouth, cleansing it thoroughly, and imparting a delightful fragrance to the breath.

Prepared only by A. HAWLEY, N. W. corner 10th and Lombard Sts., Philadelphia, and sold by all Druggists. PRICE 25 CENTS.

Testimonials.

The following opinion of Dr. White as to the high esteem in which he holds the Dental Cream, must be sufficient evidence of its value. To quote others in detail is needless, contenting ourselves by simply giving the names of the possessors of persons who speak of its excellence for the teeth.

PHILADELPHIA, APRIL 18, 1863. Having carefully examined A. HAWLEY'S SOLIDIFIED DENTAL CREAM, I cheerfully recommend it to the public generally. It is an excellent preparation for cleaning and preserving the teeth, and can be used by the patient with the utmost confidence. My patients are perfectly happy. Besides preserving the teeth, it promotes a healthy action to the gums, and imparts a pleasant taste to the breath.

ORPHANS COURT SALE OF Valuable Timber Lands.

IN pursuance of orders issued out of the Orphan's Court of Union and Centre counties, will be sold, on the premises, on Tuesday, the 14th day of June, 1864, a body of about Five Thousand Four Hundred and Sixty-Four (5,464) Acres, of valuable TIMBER AND ORCHARD tracts, of which John McCall died seized, situate on the head waters of White Deer Creek, in Hartley township, Union Co, and in Miles township, Centre Co, (near the line between said counties).

On the part in Union county are erected a Large First Rate Saw Mill, with splendid Water Power, two Dwelling Houses, and other improvements, about TEN ACRES CLEARED, and the balance well timbered with large White and Yellow Pine, Hemlock, White Oak, and other trees suitable for sawing, and by clearing and planting the same, the saw logs can be floated from said lands to the West Branch of the Susquehanna river.

The tracts and parts of tracts of said lands situate in Hartley township, Union county, are, 407 acres, tract taken up in the name of Charles Hays, 139 acres tract taken up in the name of Jasper Evans; 439 acre tract taken up in the name of J. Seeman; about one-half 410 acres tract taken up in the name of Wm. Steelman; most of the 435 acres tract taken up in the name of Wm. Cook, and about one-half the 435 acres tract taken up in the name of Robert Taggart. And the tracts and parts of the said lands situate in Miles township, Centre Co, are, part of 475 acres tract taken up in the name of Thos. Grant; part of 475 acres tract taken up in the name of Samuel Scott; 400 acres tract taken up in the name of Alexander Hamer; 435 acres tract taken up in the name of Abraham Scott; about three-fourths of the 430 acres tract taken up in the name of J. C. Jackson; 435 acre tract taken up in the name of Aar. Levy; about one-third of the 440 acres tract taken up in the name of Wm. It may be useful to state in this connection that the total Funded Debt of the United States on which interest is payable in gold, on the 31 day of March 1864, was \$768,965,000. The interest on this debt for the coming fiscal year will be \$15,237,125; while the customs revenue in gold for the current fiscal year, ending June 30th, 1864, has been so far at the rate of over \$100,000,000 per annum.

It will be seen, that even the present gold revenues of the Government are largely in excess of the wants of the Treasury for the payment of gold interest, while the recent increase of the tariff will doubtless raise the annual receipts from customs on the same amount of importations, to \$150,000,000 per annum.

Instructions to the National Banks acting as loan agents were not issued from the United States Treasury until March 30, but in the first three weeks of April the subscriptions averaged more than TEN MILLION A WEEK.
